 - c. Recipients who retire or become totally disabled after borrowing from the Sick Leave Bank and still owe days to the bank are exempt from repayment.

Sick Leave Bank Committee

The committee shall consist of two members of the administration, appointed by the Superintendent, and two members of the bargaining unit, appointed by the President of the Association. The President of the Association will act as chairperson of this committee and will have no voting power except in the event of a tie vote by the committee.

C. Personal Leave/Emergency Leave

Each teacher shall be entitled to three (3) days for the transaction of personal business and for the conducting of personal or civic affairs during each year of employment. All qualifying part-time teachers receive three (3) personal days. Each personal day absence counts as one day.

A request for personal leave shall be denied if the requested day is adjacent to a holiday or school break. The Superintendent reserves the right to deviate from this regulation if the circumstances surrounding the request warrant special consideration.

Personal leave shall not be divided into less than one-half (1/2) day units.

Teachers shall be compensated for unused personal leave days at the end of the school year in one of the following ways:

- 1. Unused personal days may be converted to accumulated sick leave days; or
- 2. The teacher may request to be compensated for unused personal days at the substitute teacher daily rate; or
- 3. The teacher may request to have unused personal days converted to emergency leave days.

4. Unused personal days of part-time teachers are paid at the same rate as the employee's FTE.

Unless the business department is notified, otherwise by no later than the last day of school, unused personal days shall automatically be converted to accumulated sick leave days. Teachers who have 185 sick days shall automatically be compensated for unused personal days at two times the regular substitute teacher daily rate.

Emergency leave days may accumulate to a maximum of six (6) days. Emergency leave days shall not be divided into less than one-half day units. Unused personal days which are converted into emergency leave days are not eligible for compensation.

Emergency leave may be requested for use as sick leave, family illness leave, funeral leave not provided in Article I, D, settling of an estate due to the death of an immediate family member (as defined in Article I, A), professional development leave not covered by other means, or other emergency circumstances. Emergency leave days may not be used as vacation days. Personal leave days must be exhausted before any emergency days are used.

Written requests for the use of emergency leave days must be submitted to the Superintendent's office for his/her review. Requests should be submitted prior to the date the days are used whenever possible. Reasons for the leave must be included in the request. The Superintendent may grant an emergency leave request without precedent or may elect to present the request to the Board of School Trustees for consideration.

D. Bereavement Leave

In the event of a death in the immediate family, the teacher shall be provided with a leave of five (5) school days within 60 calendar days of the date of death of the member of the immediate family. Immediate family for this purpose is defined as spouse, children, father, mother, brother, sister, grandparent, or grandchild (of teacher or of teacher's spouse), mother-in-law, father-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, step-parent, step-children, and/or any other person living in the teacher's home.

One day shall be allowed for death of other members of the family not included in the definition of the immediate family.

The Superintendent may increase the number of days in cases with extenuating circumstances.

E. Parental/Maternity Leave

A teacher may request an unpaid parental/maternity leave of absence up to six (6) months following the birth of the child or an adoption of a child. The leave may not exceed one year from the date of the birth. An approved leave will run concurrent with FMLA, when applicable. Leaves prior to the birth of the child will only be granted through an approved FMLA request. This leave may also be extended at the option of the Board.

A request for parental/maternity leave of absence shall be received in Human Resources at least thirty (30) days in advance of the effective date of said leave request. In cases involving adoption, should circumstances warrant the thirty-day (30) requirement may be waived provided advance notice of intent to apply for parental leave because of adoption of a child was made.

The parental/maternity leave request must contain beginning and ending dates (at least tentative), thus establishing the approximate duration of the request.

A teacher returning from such leave will be placed on the salary compensation schedule at a rate no less than their most recent salary, and shall be eligible for all benefits provided by the corporation.

F. Adoption Leave

A teacher who legally adopts a child shall be entitled to use up to six consecutive weeks of accumulated sick leave to care for the child. Up to six weeks per occurrence of adoption per family may be utilized. The teacher shall not be authorized to make application to the sick leave bank for requested days. FMLA allows up 12 weeks of leave following the adoption of a child.

In order to be eligible for the paid adoptive leave the teacher must notify Human Resources of the request for adoptive leave upon the acceptance of the application for adoption.

Domestic Adoptions

All such leaves shall commence on the date that the child is physically turned over to the teacher for the teacher's care or legal custody.

International Adoptions

All such leaves shall commence on the date the teacher leaves the United States to gain physical custody.

G. Disability Leave

Personnel who take a leave of absence due to disability and use accumulated sick leave are required to present a doctor's statement certifying such disability upon the request of the Corporation.

Further, personnel on an extended leave of absence due to disability must provide upon the request of the Corporation proof of continuing disability if absent from work.

When such personnel are able to return to work after an extended disability, they shall present a doctor's statement to their immediate supervisor certifying that they are able to return.

Personnel who anticipate temporary disability shall make the request to the office of the Superintendent of Schools at least ten (10) working days in advance of the effective date of said leave request, whenever possible.

The temporary disability leave request shall contain beginning and ending date (at least tentative), thus establishing the duration of the request.

H. Unpaid Leave of Absence

Family Medical Leave Act (FMLA)

Available and applicable accrued sick will be used concurrently during FMLA.

1. General

a. The Family and Medical Leave Act of 1993 provides for up to 12 weeks of unpaid, job-protected leave to eligible employees for certain family and medical reasons. Employees are eligible if they have worked for WCS for at least 12 months and for 1,250 hours over the previous 12 months. Employees need to work 36 weeks with an average of 35 hours per week in order to meet the criteria necessary for FMLA.

b. Any leave for purposes covered by the FMLA is considered FMLA leave even if the employee does not specifically request a FMLA leave.

c. The maximum FMLA leave is 60 days. Spouses employed by WCS will be limited to a combined total of 60 days of leave for certain situations as defined in the FMLA. The “rolling 12-month period measured backward” as per Federal Regulations part 825 is used to determine available leave.

2. Reasons For Taking Leave

Unpaid leave will be granted for any of the following reasons:

a. To care for the employee’s child after birth, placement for adoption or foster care (up to one (1) year after birth or placement).

b. To care for the employee’s spouse, son, daughter or parent who has a serious health condition.

c. For a serious health condition that makes the employee unable to perform the employee’s job.

d. For any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty”.

3. Notice and Medical Certification

The employee will be required to provide advance leave notice and may also be requested to provide medical certification. Taking a leave may be denied if requirements listed are not met.

a. The employee must provide thirty (30) days advance notice when the leave is “foreseeable”.

b. The employee may be required to provide medical certification to support a request for leave because of a serious health condition. Second or third opinions (at the employer’s expense) may also be required. A fitness for duty report is required before the employee may return to work.

c. When the necessity for any FMLA leave occurs, the employee (or designee) must submit a completed Absence Request Form to their supervisor.

d. During any FMLA leave, the employee is obligated to notify the supervisor on a regular basis (as determined at the start of leave) of their condition and the estimated date of return to work.

4. Job Benefits

a. For the duration of FMLA leave, WCS will maintain the employee's health coverage.

b. During any FMLA leave, the employee is expected to continue making the regular contributions for all insurance benefits. If paychecks are being received, regular deductions will be made, otherwise the employee will be expected to make arrangements for payments.

c. For any unpaid leave of absence not covered by the FMLA, the employee is responsible to pay the total premium for any insurance coverage(s) they may have.

d. Available and applicable sick and vacation days MUST be used concurrently while on FMLA leave.

e. Upon return from a FMLA leave, most employees will be restored to their original or equivalent positions.

5. Conclusion

a. This is not intended to be an exhaustive explanation of the FMLA. For complete details, please refer to 29 C.F.R. part 825.

Leave of absence for up to one (1) year may be granted to any teacher upon written request to the Superintendent, for the purpose of participating in an exchange - program in other states, territories, or countries; foreign or military teaching programs; or a cultural, travel, or work program related to his/her professional responsibilities, provided that said teacher states in writing his/her intention to return to the school system.

A teacher returning from such leave shall be placed on the salary compensation schedule at a rate no less than their most recent salary, and shall be eligible for all benefits provided by the corporation.

I. Legal Leave

A teacher called for jury duty or subpoenaed to appear for a school related matter will be paid the teacher's regular daily salary. Any payment (not including mileage, meals, and lodging) received shall be remitted to Warsaw Community Schools.

It is further understood, that in the event a teacher is excused after reporting for jury or witness duty, that he/she will make every reasonable attempt to return to school for such assignments as are needed with the school corporation.

Article II – Insurance Benefits

A. Health Insurance

Each Board-appointed full-time or part-time teacher (3/7 { .43} or more FTE) and his/her immediate family members (spouse and children up to the age of 26) shall be eligible for a comprehensive health program.

All qualifying part-time teachers are eligible for single insurance coverage at the percentage of the premium established for full-time teachers. Family coverage may also be purchased. The Corporation will pay the cost of the family premium times the employees FTE. The part-time teacher shall be required to pay the balance of the premium.

Any certified person hired to begin employment after July 31, 1999, will have a new definition for eligible dependents. A spouse will not be considered an eligible dependent if he/she is eligible for group insurance under a plan offered by another employer. All certified personnel having family coverage prior to August 1, 1999, will be grandfathered for eligibility to maintain spousal coverage.

B. The Plans

Plan subject to change based on an ongoing evaluation by the insurance committee.	

1. The plan is coupled with an HSA that provides participants a vehicle to save money to cover the annual deductible in the short term, and future health and premium costs in the long term. The HSA functions much like an IRA. Money goes in tax-free, grows tax free, and will come out tax-free as long as it is used for healthcare related expenses.
2. WCS will contribute to participant HSA's \$500 for a single, and \$1,000 for a family plan. Contributions will be made during the period July 1, 2017, to June 30, 2018.
3. Employee premium contribution is 20% of the total premium cost.

C. Dental Insurance

Each teacher and his/her immediate family members shall be covered by a dental plan. The employee contribution amount will be \$108 per school year for single coverage and \$234 per school year for family coverage.

D. Long Term Disability Insurance

A long-term disability program shall be offered as follows:

1. The policy shall pay sixty percent (60%) of the salary after one hundred and eighty (180) calendar days of disability.
2. The cost of the policy to the teacher shall be one dollar (\$1.00) per month, paid annually via a one-time deduction of \$12.

E. Group Term Life Insurance

The Board of School Trustees will provide forty-five thousand dollars (\$45,000) term life insurance coverage for all unit members for the length of this contract.

The cost of the term life insurance shall be provided by the corporation except for an annual payment of one dollar (\$1.00) by participating members.

Any anticipated changes in insurance carriers shall be discussed prior to actual changes being made.

F. Absence Due to Injury

Any teacher who is injured while on the job and qualifies for Worker's Compensation benefits under the terms of the Worker's Compensation Statute shall be allowed to receive compensation in one of the following ways:

1. Compensation from Worker's Compensation only. This is based on two-thirds of the individual's average weekly wage (up to the maximum set by law). This is a complex issue. Please look into it carefully before making your decision.
2. Use personal illness days in addition to Worker's Compensation benefits. If a teacher desires to utilize this option, personal illness days will be bought back with any worker's compensation check received. A teacher choosing this option will receive a full day of pay for any sick day(s) he/she uses. Any worker's compensation payment must be signed over to the school. Sick days will be restored to the employee's account in 1/2 day increments for whatever portion the worker's compensation check will buy back.

Article III – Compensation

A. Extra-Curricular Pay Schedule

Note: Extra-curricular pay will be compensated during the time frame relevant to the part of the school year the sport or activity is held.

Positions will be compensated in accordance with the following schedule for regular

employees. Compensation for extra-curricular positions may be split with teacher consent and approval by the Superintendent or the Superintendent’s designee.

A committee will be established to review periodically the positions, groupings and pay for extra-curricular assignments and to make recommendations for consideration by the School Board and the Association. The provision is in the collective bargaining agreement for information purposes only; it was not bargained.

Groups XI, XII, and XIII plus multi-season extra-curricular positions that are not on the “All Year” schedule will be paid by PEEF.

A completed PEEF, approved by the building administrator where the position is performed should be submitted to payroll for payment. PEEF positions for which the total payment will be over \$500 can be paid in two installments (midpoint and at end of the position) if the building administrator approves and arrangements are made in advance with payroll.

Extra-curricular activities payments will be based on years of experience and appropriate group rate.

This experience factor is determined by the total experience in the activity, which includes:

1. Experience in this system
2. Experience in another system
3. Experience in a comparable position (To be established by the Professional Relations Group in the discussion process).
4. Experience in an assistant's position

The following guidelines are to be used in determining experience:

1. Coaching experience must be "sport specific" to count except at the elementary level.
2. One-year maximum counted per school calendar year of coaching. Examples: 2010-11 coaches football = 1 year; 2011-12 coaches football and wrestling = 1 year.
3. Camps and community coaching count toward years of experience. However, if more than one camp is conducted during the school year, only one year is credited. Examples: 2010-11 Coaches Peewee Football and assists with a wrestling camp = 1 year in each sport; 2011-12 Assists with three wrestling camps = 1 year.
4. Experience participating as an athlete does not count toward coaching experience.
5. Documentation will be required to validate coaching experience.

Such submission shall be within five (5) days of the determination at this stage.
2. The chief school administrator or his designated representative shall, upon request, confer with the aggrieved party with respect to the grievance and shall deliver to the aggrieved party a written statement of his position with respect to the grievance no later than two (2) weeks after it is received by him.
