Monies received for

travel, lodging, and meals will not be deducted from the teacher's daily rate of pay.

ARTICLE VIII

The parties agree that any semi-permanent or permanent teacher who shall be laid off by virtue of staff reduction shall receive severance pay in the amount of four (4) weeks' salary at the rate of pay held at the time of involuntary layoff, if not recalled by the start of the ensuing school year. A teacher accepting a teaching position in another school corporation for the ensuing year shall not be eligible for severance pay.

ARTICLE IX

Section 1 - WORKER'S COMPENSATION

In case of disability compensable by worker's compensation from assault or assault and battery while on duty, the teacher's wages shall continue at 2/3 the normal gross wage without reduction in accumulated leave until worker's compensation payment begins. If a retroactive payment is received at the initiation of worker's compensation and said payment, when added to the two-third normal gross wage being paid by the Board, is a sum greater than one hundred percent (100%) of the employee's normal wage, the employee shall rebate to the corporation the difference between the sum and the employee's normal wage. The Board payment shall cease after benefits for long term disability become payable.

ARTICLE XI

Section 1 - SEPARATION PAY PLAN 401A

For the certified employee beginning employment after January 1, 2000, the Section 1(a) Severance Plan shall replace this Separation Pay Plan.

After fourteen (14) years of service in this school corporation, a teacher may receive separation pay. A teacher shall receive the greater of ninety-six dollars (\$96) per day for each unused sick day to a maximum of one hundred thirty (130) days, or two hundred dollars (\$200) per year of service within the Peru Community Schools upon separation. The chosen amount will be paid with equal payments to be made over four years.

Written notice of intent to separate shall be given by March 1 of the last academic teaching year in order for the employee to be eligible to receive the first payment in June of the same year. Notification after March 1 shall result in the first payment being made in June of the year following notification.

In cases of unforeseen circumstances, the notification requirement may be waived by the Board. Should an employee eligible for separation pay under this Article die prior to receiving his/her separation benefits, the remaining benefits shall be paid into his/her 403(b) account immediately, but in no case longer than 30 days.

Section 1(a) - SEVERANCE PLAN

The Board agrees to establish and maintain a qualified Annuity Plan (hereinafter referred to as the Severance Plan) for all certified employees on a regular teaching contract covered under this collective bargaining agreement.

The Severance Plan shall be available for all certified employees. The Severance Plan contributions shall continue each contract year. The contribution made to the Severance Plan by the Board will be one percent (1%) of the employee's salary.

Effective July 1, 2000, the maximum number of accumulated sick leave days is one hundred thirty (130). Unused sick leave days acquired after July 1, 2004, and remaining at the end of each subsequent school year above the 130-day maximum shall be paid on the second pay date after the last student attendance day in the amount of seventy-five dollars (\$75) for each day.

After fourteen (14) years of service in this school corporation, a teacher may receive separation pay. A teacher shall receive the greater of seventy five dollars (\$75) per day for each unused sick day to a maximum of 130 days, or two hundred dollars (\$200) per year of service within the Peru Community Schools upon separation. The chosen amount will be paid with equal payments to be made over four years.

The corresponding dollar value for these accumulated days shall be offset by the Board contribution to the Severance Plan. This offset shall continue until such time as a certified employee receives a greater return from the Severance Plan than he or she would have received based on the valuation of these days on July 1, 2000.

Employer profit Sharing Money (hereinafter referred to as ERPS) and Employer Match (hereinafter referred to as ERMAT) amounts are used to calculate the amount to be distributed.

Total contributions to American Funds, Hartford and VALIC#3 that were made over the years are the board contribution amount offset for the Severance plan.

All eligible employees participating in the Severance Plan, including the employer match, shall have a six-year graded vesting schedule as follows:

<u>Years of service with Peru Community Schools</u>	<u>Vested</u>
0	0%
1	20%
2	40%
3	60%
4	80%
5	100%

The Severance Plan shall be valued in the amount of the employer contributions effective the last contracted day of employment for each eligible employee.

Eligible employees shall receive any benefits not currently in the Severance Plan in the form of four (4) equal annual payments into a Non-Elective 403(b) Plan. The first payment shall be deposited in June of the year of retirement provided notification is received by March 1. Each subsequent payment shall be made in June of each year.

The Plan shall:

- a. Be subject to all applicable Internal Revenue Service regulations.
- b. Have no contract initiation fees charged to the employee.

- c. Have no administrative or Plan Document charge to the Board.
- d. Have a vendor selected by mutual agreement of the parties to this agreement.

Section 2 - RETIREMENT PLAN

A teacher in the Peru Community School Corporation being at least 55 years of age at the time of retirement and having not less than fourteen (14) of the most recent sixteen (16) years of service in this corporation who has not attained the age for non-reduced Social Security and was employed prior to January 1, 2000, shall receive the following:

Four thousand four hundred sixty-seven dollars (\$4,467) multiplied by the number of years until the employee is eligible for non-reduced Social Security to a maximum of seven (7) years.

Year of Birth Full Retirement Age 1943-1954 66, 1955 66 and 2 months, 1956 66 and 4 months, 1957 66 and 6 months, 1958 66 and 8 months, 1959 66 and 10 months 1960, or later 67.

For certified employees beginning employment with Peru Community Schools after January 1, 2000, the 401(a) Plan will replace the Early Retirement Plan in effect for the 1999-2000 school year. Payments for this retirement plan will be paid into the employee's non-elective 403(b) account. These employees shall become 100% vested upon completion of their fifth year at the school corporation.

Should an employee who has given written notice of intention to retire die prior to receiving his/her retirement benefits, the remaining benefits shall be paid to the employee's non-elective 403 (b) account.

Section 2(a) - 401(a) RETIREMENT PLAN

The Board agrees to establish and maintain a qualified 401(a) Annuity Plan (hereinafter referred to as the "401(a) Retirement Plan") for all certified employees covered under this collective bargaining agreement. The 401(a) Plan shall be available for all certified employees on a regular teaching contract who elect to contribute to the 403(b) Plan. The Board shall also maintain a 403(b) Plan (hereinafter referred to as the "403(b) Plan") for all certified employees covered under this collective bargaining agreement. The 403(b) Plan will include provisions for pre-tax salary reduction contributions which will be matched by Board contributions to the 401(a) Plan with the following limits on the Board contribution.

The 401(a) Plan contributions continue each contract year.

The contribution by the Board shall be 0.75 percent of the certified employee's salary.

The Parties agree that the 401(a) Retirement Plan and the 403(b) Plan shall replace the Early Retirement Plan in effect for the 1999-2000 school year. For those certified employees who participate in the 401(a) Retirement Plan, the Section 2 Retirement Plan will remain in effect until such time as a certified employee receives a greater benefit from the Board's contribution to the 401(a) Retirement plan, than he or she would receive under the Article XI Section 2 calculation.

The contributions to the 401(a) Retirement Plan by the Board will be counted as an offset to the amount that the certified employee would have received had he or she retired under the Section 2 Retirement Plan (Article XI Section 2).

Full retirement age is calculated based on the year the employee reaches the government stated full retirement age. The time is then calculated on a percentage based on the month of the employees' birth. (A June birthday would be .5, a March birthday would be .33).

Hartford ERMAT Total Contributions plus VALIC #2 total contributions will be offset as the .75% Board contribution.

The 401(a) Retirement Plan shall be valued in the amount of the employer contributions effective the last contracted day of employment for each eligible employee.

Eligible employees shall receive any benefits due under the Section 2 Retirement Plan and not offset in this 401(a) Retirement Plan in the form of payments into the non-elective 403(b) account in accordance with the provisions of Section 2, Article XI. These payments shall be deposited into no more than five (5) equal annual installments or until the retiree reaches full retirement age. This amount shall be paid by the end of January of each calendar year following retirement. The 401(a) Plan shall:

- a. Be subject to all applicable Internal Revenue Service regulations.

- 5) Other provisions as per industry standards.

Section 4 - SECTION 125

The benefits provided to employees by Section 125 of the Revenue Act of 1978 shall be made available to any bargaining unit member so requesting. An amount not to exceed fifty percent (50%) of the salary may be set aside by the employee for the selection of benefits, under Section 125 of the Internal Revenue Code, which are non-taxable benefits of major medical, long term disability, Section 79 life, non-reimbursed medical, and dependent care. All service fees for Generation 2 shall be borne by the participants. This plan shall be effective September 1, 1993. Eligible employees shall include retired personnel who receive any early retirement stipend.

ARTICLE XIV

Section 1 - PCS COMPENSATION SYSTEM DESCRIPTION

The parties have a compensation plan that has equal differentials within the salary schedule. The scale is located in Section 2.

Teachers will qualify for an increase based on the factors of experience and evaluation. Experience will be worth 25% of the increase and defined as accruing a year of service per INPRS during the previous school year. Evaluation will be worth 75% of the increase and is defined as having not received an evaluation rating of ineffective or needs improvement in the previous school year, except those who qualify per IC 20-28-9-1.5(f) *[teachers who qualify per IC 20-28-9-1.5(f) are in their first two years in the teaching profession]*.

For 2019-2020, the scale will increase by \$100 at each letter step based on the academic need of students for attraction and retention of quality staff. Teachers who meet the factors of the preceding paragraph will ~~not~~ move a letter step on the scale. Teachers at step Y who meet the factors will receive a stipend of \$1,250.

New hire placement: Letters will equate to a range of years of experience for salary placement. (A=0-1 yr, B=2 yr, C=3-4 yrs., D=5-6 yrs., E=7 yrs, F=8 yrs, etc.. With the exception of A, C, and D, placement = 1 year of experience). In the case of a hard to fill position/high need, the superintendent can place a new hire on the scale up to two spots above where s/he would be placed normally with agreement by the PCEA president.

Compensation earned by a teacher on a partial contract will be awarded on a pro-rata basis.

Teachers who are evaluated as Needs Improvement or Ineffective are not eligible to receive any salary increase and will stay at their current individual base salary, except those who qualify per IC 20-28-9-1.5(f).

Money that would have gone to a teacher rated Needs Improvement or Ineffective will be redistributed equally to the teachers who received a qualifying evaluation rating as a one-time stipend.

This Compensation Plan is effective for this school year. No increment advancement will be implemented until the next contract is negotiated.

Section 2 - SALARY

The Board will contribute the member's contribution of pay to teacher retirement throughout the term of this contract.

Salary Range for 2018-19: \$35,750 - \$65,750

Salary Range for 2019-20: \$35,850 - \$65,850

The increase will be implemented retroactively to the beginning of the school year in which the evaluation is completed.

Amount to be paid for said position will be indicated when position is communicated.

Grant money can be used to pay stipends to staff for professional development activities supported by the grants and requiring staff participation on non-contract days. PERU COMMUNITY SCHOOLS
SICK LEAVE BANK

It is agreed, and is the specific intent of the parties that on a limited basis excluded from the contract, a sick leave bank has been established. The period commenced September 15, 1981, at which time the plan commenced operation.

The sick leave bank provisions as written herein shall not be subject to any grievance procedure normally associated with, or part of collective bargaining and shall not be incorporated into the contract. However, they may be placed at the back of the contract booklet for easy reference and access during this period thereby promoting staff familiarization and cognizance so as to give the sick bank a fair opportunity for acceptance.

The sick leave bank will be established if 70% of all teachers employed in the Peru Community Schools on September 15, 1981, make voluntary written application through the Association who shall bear the responsibility and liability for all phases and administration of the sick leave bank. The Association shall provide certified copies of the application with actual signatures thereby certifying to the Board that the plan is ready to commence. Failure to submit such a list by October 1, 1981, shall close the enrollment period until October 1, 1982, at which time a like enrollment period shall apply as called for in the provisions herein. All applications made during the period of prior sick leave banks shall be honored for the purpose of this application period.

Once the criteria for sick leave bank commencement is met, one day shall be transferred from available sick leave of each teacher who has made application and shall be transferred to the sick leave bank. Days once transferred are not returnable to the teacher and may only be used in conjunction with the terms and conditions of the sick leave bank. Said transferred days shall also not apply toward retirement or any other credit as previously, continuously, or subsequently offered by the Peru Community Schools to its employees, but shall remain a part of the bank until subsequent agreement, if any, between the parties or the dissolution of the bank at which time the school board shall decide as to the disposition of any remaining days retained by the sick bank.

Benefits from the bank shall only be granted under the following conditions:

1. Each teacher who makes application to participate in the sick leave bank shall be bound to contribute one day and only

- teachers who have contributed days shall be permitted to receive any benefit from the bank.
2. Benefits granted are loans to be repaid and not grants.
 3. The teacher requesting such loan is a voluntary participant and duly noted as such in the records of the Association and the administration.
 4. All individual sick leave and personal business leave has been exhausted.
 5. No leave shall be granted retroactively and all leave shall be approved by the Association sick leave bank administrator and PCEA President.
 6. Leave may only be granted for the specific serious personal illnesses or injury resulting in complete physical inability to perform any normal work function.
 - a. Each teacher requesting a loan of bank days shall present written documentation to the sick leave bank administrator and PCEA President by the teacher's licensed physician or surgeon verifying the inability to perform normal work functions.
 - b. Pregnancy or post pregnancy itself is not a reason to be granted use of the sick leave bank. The person requesting the leave for pregnancy/post pregnancy must present written documentation to the sick leave bank administrator and PCEA President by the teacher's licensed physician or surgeon verifying the inability to perform normal work functions.
 7. Benefits granted shall not exceed twenty (20) days at any given time.
 8. Benefit repayment by teachers receiving benefits from the sick leave bank shall be required as follows:
 - a. Repayment shall be on a day reimbursed for a day received basis until all days received have been repaid.
 - b. Effective July 1, 2004, all outstanding borrowed days and all future borrowed days shall be repaid according to the following guidelines: Repayment shall begin the school year following the date that the days were borrowed. The borrower shall return the borrowed days at a minimum rate of two (2) days per school year. All days that are borrowed must be repaid within eleven (11) years of the time of borrowing. By May 15 of each school year the sick bank administrator will send notice to the borrowers noting that on July 1 of that year, two (2) days of accumulated sick leave shall be taken from their accumulated total and repaid to the sick leave bank. If the borrower would like to pay back more than two (2) days on any given year, he/she may do so by sending written notice to the sick bank administrator. A person that borrows from the sick leave bank may not borrow for an unrelated illness or injury until at least half of the days

borrowed have been repaid to the sick leave bank. Days borrowed for a specified illness and not used for that specific illness must be returned to the sick leave bank at the end of the current school year. If a person leaves the corporation for any reason and has not paid back their sick leave days, then all accumulated personal illness days shall be returned to the sick leave bank as payment for borrowed days.

9. The sick leave bank shall have a maximum total of 260 days and no new enrollment period shall commence until said number of days on account in the bank decreases to below 100 at which time a new enrollment period may create a new maximum of 260 days total. New enrollment will commence only after depletion below 100 days has been certified by an officer of the Association to the Superintendent's Office. Twice a year there will be a meeting of the PCEA sick bank administrator and the superintendent or his/her designee. The first meeting shall occur by September 15 to verify current list of participants and current list of those who have loans, re-payment schedule, and sick leave bank total. The second meeting shall occur on or before May 15 for the purpose of verifying the list of participants, the current list of those who have loans, re-payment schedule, and sick leave bank total. All administration, responsibility and liability shall rest with the Association at all times incident to this agreement. Said enrollment period shall extend for a period of 15 days from the date of certification to the Superintendent's Office. New teachers may enroll in the bank at any time within 15 days of commencement of employment.
10. The Association agrees that it shall hold the Board, its officers, members, the Superintendent, Business Manager, and all other administrative and other management and clerical employees harmless from all tort liability, contractual liability, or other legal responsibility for actions taken or not taken in reliance upon information furnished by the Association or due to the Association's administration of said sick bank. Further, the Association shall indemnify the Board for all suits, judgments, awards, damages, and legal costs, fees, etc. as may be incurred as a result of the establishment and/or implementation of the sick bank.
11. Each member of the sick bank agrees that it, too, shall hold the Board, its officers, members, the Superintendent, Business Manager, and all other administrators and other management and clerical employees harmless from all tort liability, contractual liability, or other legal responsibility for actions taken or not taken in reliance upon information furnished by the Association or due to the

Association's administration or participant's action relative to said sick bank. Further it is agreed and understood that the employee's sole course of action for any matter relative to the sick bank shall be against the Association only.
