### ARTICLE III

#### Grievance Procedure

3.1 A grievance is defined as any difference that arises between the Employer and the Association or one or more employee(s), involving an alleged violation, misinterpretation, or misapplication of this agreement.

3.2 Nothing in this procedure shall affect the normal communication between the building principal and the aggrieved party in their discussion of any problem or potential problem which may exist.

#### 3.3 Informal

Within ten (10) school days subsequent to the occurrence, or the time the teacher knew of the occurrence of facts giving rise to a grievance, the teacher and an Association representative(s), if the teacher so desires, may report the matter to the building principal for purposes of arriving at a mutually satisfactory solution to the complaint. In such case, the principal shall not consult with the teacher concerning the grievance until the arrival of such representative(s). In any case, the principal will meet with the teacher and his representative(s) and subsequently inform the grievant of his decision within seven (7) school days.

### 3.4 Stage I

In the event the decision of the principal is unsatisfactory to the teacher, the teacher and an Association representative(s), if the teacher so desires, may within five (5) school days after the principal informs the grievant of his decision or, in any event, not more than twenty-two (22) school days subsequent to the occurrence, or the time the teacher knew or had reason to know of the occurrence of facts giving rise to a grievance, submit a formal grievance to the teacher's principal on the Stage I Grievance Report Form (See Appendix G) two copies of which shall be signed by the teacher and an Association representative and submitted to the principal. The principal shall acknowledge the receipt of the formal grievance by signing both forms returning one to the teacher, and retaining one for his files. The principal shall have a maximum of fifteen (15) school days during which he may attempt to resolve the grievance. Resolution of a problem at Stage I shall not establish a precedent unless signed by both the Association president and the superintendent or the superintendent's designee.

### 3.5 Stage II

The Stage II grievance shall be submitted as soon as practicable after a determination has been made at Stage I. In no case shall the Stage II grievance be submitted more than twenty (20) school days after a formal grievance was submitted to the principal at Stage I. At Stage II the grievance shall contain a statement of the specific alleged violation(s), citing the Section(s) violated and the remedy sought. The superintendent or the superintendent's designee shall meet with the Association for the purpose of attempting to resolve the grievance. The superintendent or his designee shall indicate his disposition of the grievance in writing within twenty (20) school days of the submission of the grievance at Stage II. A copy of the written disposition shall be furnished to the grievant and the Association.

### 3.6 Step III

The President of the Board of School Trustees and the Association shall arrange a meeting with the Board to discuss the grievance prior to the Board's final decision. The Board of School Trustees will review the grievance, make its decision, and notify the Association within thirty (30) days. The decision of the Board shall be final.

APPENDIX D  
JOHN GLENN SCHOOL CORPORATION  
Walkerton, Indiana

CERTIFICATED EMPLOYEE SICK BANK ENROLLMENT FORM

I hereby voluntarily enroll in the John Glenn School Corporation's Certificated Employee Sick Leave Bank and do authorize the John Glenn School Corporation to permanently deposit two (2) of my sick leave days in the Sick Leave Bank. I do so with the following understandings:

1. My enrollment and two (2) day deposit makes me eligible to borrow from the Sick Leave Bank in the event that my own accumulated and current year's allotment of sick leave and personal leave days is completely exhausted.
2. When my employment with the John Glenn School Corporation is terminated, the days that I have deposited to the Sick Leave Bank are not returnable to me.
3. I understand that my eligibility to borrow from the Sick Leave Bank (in case my own accumulated sick leave including the current year's sick leave days is exhausted) is dependent upon my prior enrollment and deposit of two (2) days to said Sick Leave Bank. Certificated employees must enroll during the enrollment period or upon initial employment in the system.
4. I can borrow a maximum of twenty (20 ) days per year. In case of an emergency, additional days may be granted upon approval of the Sick Leave Bank Committee.
5. I am to repay borrowed days at the rate of five (5) per year, over a period of years, when I do return to active employment with the John Glenn School Corporation.
6. In the event of my death, my estate is not charged with days I owe to the Sick Leave Bank.
7. A statement by one or more doctors, possibly including one appointed by the Board, shall be required of the certificated employee to borrow from the bank.

SICK LEAVE BANK APPLICATION AND AGREEMENT FORM  
Official Request to Borrow Sick Leave Days from the Sick Leave Bank

Date \_\_\_\_\_ Beginning Date to Borrow \_\_\_\_\_

Due to a prolonged illness, I have now exhausted my current year's allotment of sick leave days as well as my accumulated sick leave days. Since all allotted sick leave days are presently exhausted, I hereby make official request to borrow from the John Glenn School Corporation's "Certificated Employees Sick Leave Bank" with full knowledge of the limitations and my obligation to repay said bank as per agreement.

I hereby request to borrow Sick Leave Bank days as needed within limitations of Board policy until my health permits me to return to active duty as a certificated employee with the John Glenn School Corporation.

My request to borrow sick leave days from the "Certificated Employee's Sick Leave Bank" is made with full knowledge of my obligation for repayment as follows:

1. I agree to repay the Sick Leave Bank at the rate of five (5) days per year over a period of years when I do return to active employment with the John Glenn School Corporation.
2. If my health permits me to return to active employment and for certain reasons I elect not to return to active employment with the John Glenn School Corporation or elect to accept employment elsewhere, I hereby agree to repay the John Glenn School Corporation for the Sick Leave Bank days I have borrowed from the John Glenn School Corporation's Certificated Employee's Sick Leave Bank in a cash amount equal to that paid my substitute during the time I borrowed from said Sick Leave Bank, but in no case more than I would have earned.
3. I further agree to repay this cash amount in total upon electing not to return to active employment (should my health permit) with the John Glenn School Corporation or at the rate of a cash amount equal to five (5) substitute days per year over a necessary consecutive period of years immediately following my health eligibility to return to active employment; health eligibility to be determined by appointed or approved physician.
4. I also agree that any amount of unpaid balance due by me after three (3) years on said repayment plan at the above stated rate per year shall become due immediately upon request by the John Glenn School Corporation.
5. In the case of continued disability or in the event of death, it is understood that my family or estate will have no obligation in regard to this agreement. Disability to be verified by Board approved or appointed physician.

Buyout of Separation Benefits

Section A. Modification of Separation Benefits

The parties acknowledge that through the process of collective bargaining, the Board became obligated to pay certain retirement and/or severance benefits to teachers who meet the negotiated eligibility requirements. The parties further acknowledge and agree that most, if not all of those obligations were at one time unfunded and represented a potentially serious financial burden to the Board which might have been forced to lay off teachers, curtail or eliminate programs, or both in order to meet those unfunded obligations. In keeping with the authority granted by PL 217, the Board and Association specifically reserved the authority to revise or terminate the separation benefits contained in earlier agreements. Exercising this authority, the Board and the Association now confirm that Appendix G titled "Separation Benefits" of the prior agreement is now terminated and shall not apply to any teacher retiring or severing employment with the school corporation on or after June 1, 2008. Those teachers who retired or severed employment before the effective date shall only be entitled to the retirement benefits contained in the prior agreement as of the time of his or her retirement unless modified by this agreement.

Section B. BUYOUT OF SEVERANCE BENEFITS

Educational Services Corporation has been selected to determine the present value of the unfunded retirement benefits described in the prior agreement. In making this present value determination, Educational Services Corporation shall use the following assumptions:

1. The assumed interest rate for the purpose of determining the present value shall be four (4) percent for the first two (2) years and seven (7) percent in subsequent years.
2. It is assumed that an employee terminates employment at the end of the school year in which the employee attains age sixty (60), or at the end of the current year if the individual attains age sixty (60) or older. If an employee continues employment after the attainment of age sixty (60), the employee continues to receive all ongoing board contributions to the VEBA, and the employee does continue to share in any future forfeitures of 401 (A) and VEBA accounts.
3. The Board's contribution to the annual post-retirement single health insurance premium will be the present value of \$1865 and family health insurance premiums will be the present value of \$3723. The Board's contribution to the annual post-retirement health insurance premium for those employees age 30 or more who were not a part of the group health insurance program at the time of this buyout will be the present value of \$930.
4. Employees hired after June 30, 2002 shall not be entitled to any payment for the eliminated retirement benefits.
5. Amounts forfeited upon termination of employment because of the failure to meet applicable vesting requirements (age 55, unless a teacher is retiring earlier due to a medical reason, and 16 years of service at John Glenn School Corporation, take formal retirement from John Glenn School Corporation, and qualify for full retirement from the Indiana State Teachers Retirement Fund) shall not be reinstated or re-credited if an individual is subsequently rehired

or re-employed by the school corporation. However, if the Board approves a leave of absence for an employee or while the employee remains on the RIF list, such period of leave shall not result in forfeiture, provided the employee shall promptly return to employment following the expiration of the period of leave.

6. The present value of the retirement plan under the prior agreement shall be calculated, effective as of April 30, 2008.

7. The money shall be deposited in each teacher's individual account no later than October 1, 2008.

8. The UP 1994 mortality table shall be used.

9. The Sarason T-3 termination assumption table shall be used to determine the termination assumption rate.

10. The other assumptions to be used shall be as found in the Live Tool Model developed by Educational Services Corporation and as agreed to by the parties, a hard copy of the input and summary page being attached hereto.

11. To confirm the accuracy of the underlying information to be used in present value calculations, each teacher shall be provided with his or her basic data that will be used in the calculations, including, but not limited to the following information as of June 30, 2008. Educational Services shall assist in the preparation of this verification sheet for each teacher. However, the Board will have the responsibility to forward the verification sheets to the respective teachers. Any corrections must be returned to the Board within fifteen (15) days of receipt as final calculation will be prepared and the contributions hereinafter described will be commenced after such date. Corrections not returned to the Board after the fifteen (15) day period shall be disregarded.

Using the above assumptions and the other assumptions contained on the buyout spreadsheet, the Educational Services Corporation shall prepare the present value calculations for each teacher and the contributions described hereinafter will be made.

Errors in the data or formula found within thirty (30) days of the deposit will be corrected by re-distributions of the funds except for an amount less than one thousand dollars (\$1,000). The parties agree that the maximum amount that the school corporation shall pay for the buyout under this Section B shall not exceed the sum of \$729,725.

## 12. Buyout Contributions

a. VEBA. The school corporation shall contribute to a voluntary employee's beneficiary association (VEBA) as described in section 501 c (9) of the Code, that amount representing the present value of all benefits as calculated for all employees under Subsection B above. This benefit shall be deposited with the single investment vendor for the VEBA selected by the association and board. The terms and conditions for the administration and operations of the VEBA shall be as follows:

(1) The amount calculated for each employee will be invested in a separate account. For those employees who are married to another employee covered by this collective bargaining agreement and receiving health insurance buyout dollars, the amount deposited in each married employee's account will be divided equally. Any spouse hired after June 30, 2002 will not be entitled to any payment for the eliminated retirement benefits. There will be no commingling of accounts and each employee may determine how his or her

account shall be invested among the investment options made available by the vendor for the VEBA.

(2) Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Appendix, the employee shall have no access to the assets held in his or her separate VEBA account.

(3) If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's VEBA account shall be forfeited. Forfeited amounts shall be calculated at the end of each plan year only among the remaining separate VEBA accounts. This reallocation shall be in a manner similar to that used by Educational Services in initially determining the present value calculations. Therefore, VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account.

- (i) Employees who forfeited their VEBA accounts in the same year;
- (ii) Employees who previously forfeited their VEBA accounts;
- (iii) Employees who have attained the age of sixty (60) and terminated employment in or before the year of reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of sixty (60), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced basis.

The forfeiture amounts as calculated herein shall be deposited into each individual's account October 1 of each year.

(4) Following retirement and the satisfaction of the requirements set forth in this Appendix, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses of the employee's spouse and dependents. Any amounts not distributed to or for the benefit of the employee, spouse and/or dependents shall be provided as a taxable cash benefit to a named beneficiary. At no time may the VEBA make loans to an employee, his/her spouse, or his/her dependents.
