2.9.8 If on October 1 of any school year, three hundred (300) days have accumulated in the Sick Leave Bank, the provision requiring a contribution of one (1) day by participating members may be waived for members who had participated in the immediate preceding year; however, a teacher who is not a member of the Sick Leave Bank will be permitted to contribute to become eligible for participation.

2.10 Paid Leave during Maternity/Paternity/Adoption Leave

A teacher who has been employed with Bluffton-Harrison MSD for a minimum of one (1) year prior to taking maternity/paternity/adoption leave can take up to three (3) days of paid leave (in addition to sick days, when applicable). These days must be taken within the first twelve (12) weeks following the birth or adoption of the child as applicable under FMLA. These days will be paid at the teacher's base salary daily rate.

2.11 Paid Leave Due to Quarantine During a Public Health Emergency

During a public health emergency, as declared by the Governor of Indiana, a quarantined teacher shall telework in lieu of paid leave or unpaid leave provided the teacher meets the standard threshold for physical attendance in the school building. For example, if a quarantined teacher who is asymptomatic and were not under a quarantine, the teacher would otherwise physically report to work.

Under circumstances where a quarantined teacher is unable to telework due to the health symptoms associated with the public health emergency, Bluffton-Harrison Metropolitan School District shall provide teachers with additional paid leave beyond any paid leave provided by the state and/or federal government not to exceed ten (10) paid leave days under the following criteria:

- a. The teacher is placed on quarantine by the school corporation during a public health emergency due only to exposure as a result of the normal duties performed by a teacher serving in positions covered by the Master Contract for Bluffton-Harrison Metropolitan School District.
- b. The teacher has exhausted all state and/or federal paid leave available. For example, Family First Coronavirus Relief Act [FFCRA] paid sick leave or expanded family and medical leave for specified reasons related to COVID-19.
- c. Paid leave taken under this section of the Master Contract is a one-time benefit to a teacher. The paid leave due to quarantine during a public health emergency may only be taken over consecutive work days not to exceed ten (10) paid leave days. Intermittent leave is not permissible.
- d. Paid leave taken under this section of the Master Contract may not be used as a continuation of any state and/or federal paid leave (e.g. FFCRA paid leave).

2.12 Family Medical Leave

Where indicated in Article 2, a number of leaves allowed under this contract also qualify as leaves entitled to protection under the Family and Medical Leave Act (FMLA). All eligible teachers will be entitled to the maximum leave allowed, when necessary, under the provisions of either the specific leave section listed above and/or this family leave section.

An unpaid leave of absence for up to twelve (12) weeks in duration may be granted to eligible teachers for certain family or medical reasons. A teacher who has been employed for at least twelve (12) months (need not be consecutive) before the leave request and who has worked at least 1,250 hours during the previous year is eligible for a leave of absence pursuant to this section.

2.12.1 Qualifying Events

2.12.1.1 A family or medical leave will be granted should the need arise for any of the following qualifying reasons:

- A. Birth of the teacher's child, or the placement of a child for adoption or foster care, and first-year care of the child.
- B. To care for the teacher's spouse, child, or parent who has a serious health condition.
- C. For a serious health condition that causes the teacher to be unable to perform his/her job.

2.12.1.2 Leaves may begin before the birth of a child if a medical condition exists that makes the teacher unable to perform the job, or prior to the placement of a child for adoption or foster care if circumstances require absence from work for the placement to proceed. A teacher's entitlement to leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of the birth or placement.

2.12.2 Notice Requirement - If the leave is foreseeable, thirty (30) days written notice is required. Failure to provide thirty (30) days notice for a foreseeable leave may cause the leave to be denied until thirty (30) days after the teacher first gave the required notice of the foreseeable leave. If the need for the leave is not foreseeable, the teacher must give notice to the office of the Superintendent as soon as possible.

2.12.3 Certification Requirement - Any teacher's request for leave due to a serious health condition or due to the serious health condition of a qualifying family member must be supported by a timely certification issued by a health care provider. The teacher must provide the requested medical certification within fifteen (15) calendar days after the request was made. If the Superintendent has reason to doubt the validity of medical certification, the employee may be required to obtain a second opinion at school corporation expense. Should any variance between the two medical certifications exist, a third opinion, at school corporation expense, may be requested. This opinion shall be final and binding. Failure to submit the required medical certification may result in the denial of the leave or denial of basis. Medical certification shall be submitted on forms provided by the school corporation.

2.12.4 Request Procedure - Requests for leaves of absence and extensions must be submitted in writing and on the prescribed form supplied by the office of the Superintendent unless impossible due to an emergency.

2.12.5 Leave Substitution - Teachers will substitute accrued vacation, personal leave, sick leave, or other qualifying leave for all or part of any otherwise unpaid FMLA. This qualifying paid leave will be counted as part of the teachers twelve (12) weeks of FMLA leave entitlement. However, the use of paid leave by the teacher under circumstances which do not qualify as family medical leave cannot be counted against the twelve (12) weeks of FMLA leave to which the teacher is entitled.

2.12.6 Maintenance of Group Insurance - During the FMLA, eligible teachers will maintain coverage under the teacher's group health plan (including life insurance) at the same level and under the same conditions for which coverage would have been provided if the teacher had continued in active employment continuously for the duration of such leave. Teachers who contribute to such a group health plan must continue to make such contributions during the period of their leave in order to maintain coverage. The employer may recover the premium paid for maintaining a teacher's health plan coverage during any period of unpaid leave if the teacher

fails to return to work for a reason other the continuation, recurrence, or onset of a serious health condition that would entitle the teacher to leave, or other circumstances beyond the teacher's control.

- 2.12.7** Restoration to Position and Benefits - Eligible teachers returning from family or medical leave with twelve (12) weeks will be returned to the position that they held when they went on leave, or they may be placed in equivalent positions with equivalent benefits, pay and other terms and conditions of employment.
- 2.12.8** Return to Work - Teachers returning from any form of leave of absence must be able to assume all of the essential functions of their jobs upon return. As a condition to restoring a teacher whose leave was based on the teacher's own serious health condition, such teacher must provide certification from the teacher's health care provider stating that the teacher is able to resume work.
- 2.12.9** Failure to Return from Leave - A teacher granted a leave of absence pursuant to this provision who fails to return to work upon expiration of the leave granted shall be classified as "voluntarily terminated."

2.12.10 Intermittent or Reduced Schedule Leave

2.12.10.1 During the first twelve (12) weeks of leave for a serious health condition (either a teacher's own or that of a qualifying member), intermittent or reduced schedule leave may be taken when medically necessary. Teachers seeking intermittent or reduced schedule leave must provide medical certification issued by a health care provider. Teachers who have requested foreseeable intermittent or reduced schedule leave due to planned medical treatment may be transferred temporarily to an available alternative position at the discretion of the Superintendent if the alternative position better accommodates recurring periods of leave than the teacher's regular position, provided the teacher is qualified for the alternative position and the position has equivalent pay and benefits. Certified staff are required to take leave in half (.5) day increments.

2.12.10.2 Teachers requesting FMLA leave near the end of an academic term will be subject to special rules of the FMLA.

- 2.12.11** Leave Entitlement Period - The twelve (12) month period in which the twelve (12) weeks of family leave entitlement occurs will consist of the twelve (12) month period measured forward from the date the particular teacher's FMLA leave begins.
- 2.12.12** Status Reports - During the leave, a teacher may be required to provide periodic reports on his/her status and intent to return to work following leave. Requested information must be provided within fifteen (15) days of the request.
- 2.12.13** Jointly Employed Spouses - A total of twelve (12) weeks of FMLA leave will be granted to each jointly employed spouse regarding birth or adoption of a child or to care for a sick parent. If the FMLA leave request is for personal illness, each spouse will be entitled to twelve (12) weeks of FMLA leave.

2.13 Bereavement Leave

In case of death in the immediate family, a teacher shall be permitted to be absent without loss of compensation for a period of up to seven (7) working days for the purpose of attending last burial rites and attending to other

personal matters of the immediate family member, as defined in Section 2.2 above.

The teacher shall be permitted up to three (3) consecutive days for a brother-in-law or sister-in-law.

The teacher shall determine if those days begin the day of death or the day immediately following the death, as may fit the individual teacher's circumstances. Multiple deaths resulting from the same cause within the immediate family shall be treated as a single bereavement leave.

Situations may arise that may require special consideration. In such cases the teacher may submit a written request to the Superintendent explaining the special circumstance. The Superintendent may approve of modifications in the bereavement leave and/or grant additional days. The determination by the Superintendent is final and is not subject to any grievance procedure.

A teacher shall be permitted to be absent from work without loss of compensation for one (1) school day to attend the funeral of any other member of the family. The teacher may use three (3) general leave days if needed in addition to the bereavement leave.

2.14 Professional Leave

When it is evident that convention or conference attendance will contribute to the effectiveness of the instructional program, the Board may grant convention or conference leaves. Fair consideration will be given to any reasonable request for convention or conference attendance.

In the event school is canceled on a scheduled conference day due to inclement weather, any teacher or teachers scheduled to attend such conference shall individually or collectively choose whether or not to attend such scheduled conference.

2.15 Court Leave

Court leave without loss of compensation shall be granted to teachers for the time required for appearance(s) in any legal proceeding resulting from activities relating to the teacher's employment with the Bluffton-Harrison Metropolitan School District except in cases involving Senate Enrolled Act 575 and any amendments which may be added thereto, and also except in cases where the teacher is the plaintiff in the law suit.

2.16 Jury Duty Leave

When requested, a teacher may serve on jury duty. The Board shall pay the teacher his/her full salary provided that such teacher agrees to return to the Board any stipend received for participation on the jury.

2.17 Association Business Leave

A maximum of twelve (12) days each school year may be used to conduct Association business. Any one teacher may be granted a maximum of three (3) days for Association business leave. Said days may be taken in half-day increments. To initiate the use of Association business leave day(s), the President of the Association shall give the superintendent and the building principal, so affected, written notification listing the teacher(s) participating and the date(s) of participation. Any expenses incurred shall be the responsibility of the Association. A statement itemizing the cost to the corporation (including the compensation of substitute teachers) shall be submitted to the Association prior to the beginning of the following school year. The Association shall remit the amount to the Board treasurer in a timely fashion.

If an administrator requests a teacher to be absent for purposes defined in this section, said absence shall not be charged against Association business leave nor reimbursement required.

ARTICLE 3 – GRIEVANCE PROCEDURE

3.1 Definitions

A grievance is a claim by a member(s) of the bargaining unit of an alleged violation, misinterpretation, or misapplication of the terms of this Contract and may be resolved through the procedure set forth herein.

3.2 Purpose

Good morale is maintained, as problems arise, by sincere efforts of all persons concerned, to work toward constructive solutions in an atmosphere of courtesy and cooperation.

Teachers should be aware that proper channels are open for them to find equitable solutions to just grievances at the lowest possible administrative level. The Association pledges its members not to abuse this privilege.

3.3 Procedure

3.3.1 Level One Within twelve (12) calendar days from the time that the grievant(s) knew, or reasonably should have known, of the grievance, the teacher with an alleged claim shall first discuss it with the individual building principal with the objective of resolving the matter informally. The aggrieved person(s) may elect to take one (1) additional representative, a person of his/her choice, with him/her. The formal written grievance must contain the name of the grievant(s), state the facts giving rise to the grievance, identify the specific provisions of this Contract alleged to be violated, state the contention of the grievant(s) with respect to the grievance, indicate the specific relief sought, and be signed by the grievant(s) or the grievant's designee if the grievant is unable to sign the grievance and orally confirms to the principal that the designee is authorized to sign the grievance in the time allotted. One copy of the formal grievance will be sent to the building principal within five (5) calendar days after receipt of the oral answer or if no oral answer was received, within ten (10) calendar days after the meeting for presentation of the informal claim.

The building principal shall represent the Board at this level of the grievance procedure. Within seven (7) calendar days from the receipt of the written grievance by the building principal, he/she shall meet with the grievant(s) in an effort to resolve the grievance. The building principal and the grievant(s) may each elect to have one (1) representative at the meeting. Within seven (7) calendar days after the formal hearing, the building principal shall respond in writing to the grievant(s) with his/her answer.

3.3.3 Level Three In the event that the grievant(s) is not satisfied with the disposition of his/her claim at Level Two or in the event no written decision has been received within seven (7) calendar days after the formal hearing, he/she/they may appeal within seven (7) days to the Superintendent by filing a copy of the original grievance form and the building principal's answer, along with a written response of the grievant(s) to the answer of the principal, with the

Superintendent's office. The Superintendent shall give the grievant(s) an answer in writing no later than ten (10) calendar days after receipt of the aforementioned materials.

- 3.3.4** Level Four Within ten (10) calendar days after receiving the written decision of the Superintendent, an appeal from the decision may be made to the Board. The Board shall hold a hearing on the grievance at a regular or special meeting and render its decision in writing to the grievant(s). 4.5 Supplemental Retirement Pay Benefits

To be eligible for Retirement Pay Benefits, a teacher must meet the following qualifications:

- 4.5.1** A teacher must have reached the age of 55 at the time of retirement.
- 4.5.2** A teacher must have completed a minimum of ten (10) years of service in the Bluffton-Harrison Metropolitan School District. Years of service will be the same as defined by the State. Service in schools embraced through reorganization will count toward the minimum requirement. A maximum of thirty-five years of service may be counted toward Retirement Pay Benefits. Only ten (10) years of that total may have been accumulated in school corporations other than the Bluffton-Harrison Metropolitan School District.
- 4.5.3** A teacher must have initiated a request for retirement from the Indiana State Teachers' Retirement Fund.

4.6 Total Retirement and/or Severance Benefits

Total retirement benefits will be the sum of the following three (combination of 4.6.1 + 4.6.2 + 4.6.3) components:

- 4.6.1** Length of Service

- 4.6.1.1** The teacher will receive one day's pay based on the current salary schedule for each year of creditable service as defined above.
- 4.6.1.2** To determine a day's pay, the teacher's base annual contract amount for the year just completed will be divided by the number of days in his/her regular teaching contract.
- 4.6.2** Unused Accumulative Sick Leave
- 4.6.2.1** The teacher will receive an additional amount of \$45.00 for each day of unused accumulative sick leave.
- 4.6.2.2** A maximum of one hundred eighty (180) days of unused accumulative sick leave will be used in computing this benefit.
- 4.6.3** Unused Personal Business Days - Effective with the personal days credited for the 1991-92 contract year, a separate accounting will be maintained for unused personal business days. At the time of retirement, additional severance will be paid at twice the amount allowed for unused accumulated sick leave (\$90).
- 4.6.4** Retirement Insurance Benefit - In addition to the retirement benefits above, a certified employee who has ten years of uninterrupted service as an employee with the Bluffton-Harrison Metropolitan School District and retires between the ages of fifty-five (55) and Medicare eligible, the Board shall contribute \$15,000 to the eligible retiree's post employment health reimbursement arrangement account.
- 4.6.5** 401 (a) Annuity Plan - The Board will establish and maintain a qualified 401(a) Annuity Plan (hereinafter referred to as the "401(a) Plan") for all certified employees covered under this collective bargaining agreement. The 401(a) Plan contributions will commence with the 2002-2003 contract year and continue each year thereafter. The maximum contribution that will be made to the 401(a) Plan by the Board will be 1.75% of the Teacher's Base Salary. All eligible employees will be 100% vested in the 401(a) Plan at the completion of ten (10) years of service with the Bluffton-Harrison Metropolitan School District. All contributions made by the Board to the 401(a) Plan on behalf of certified employees will be counted against the new money available to fund teacher salary and benefit increases each year as part of contract negotiations for certified employees.

The 401(a) Plan replaces the current Total Retirement Pay Benefits (4.6.1 through 4.6.4). However, the Total Retirement Pay Benefits section so described in 4.6.1 through 4.6.4 will remain in effect until such time as a certified employee receives a greater return from the value of the 401(a) Plan than he or she would receive under the Total Retirement Pay Benefits section of the contract, except for employees described in the following paragraph. The value of the Board contributions and the appreciation, if any, of the 401(a) Plan will be counted as an offset to the amount that the certified employee would have received had he or she retired under the current Total Retirement Pay Benefits section. In the event, due to market fluctuations, a certified employee's 401(a) Plan account experiences a loss, the Board's responsibility during the period prior to the expiration of the Total Retirement Pay Benefits Plan (4.6.1 through 4.6.4) will be the amount which the employee would have received under the Total Retirement Pay Benefits Plan less the amount previously contributed by the Board under the 401(a) Plan.

For the certified employees hired after July 1, 2001, the 401(a) Plan will replace the current

Total Retirement Pay Benefits section. No provision of 4.6.1 through 4.6.4 will be available to employees hired after July 1, 2001. The severance and retirement for such certified employees will be limited to the balance in the account at the time of retirement, i.e., amounts contributed to the 401(a) Plan by the Board and interest or appreciation, if any. Employees hired after July 1, 2001, will be vested in the 401(a) Plan at the completion of ten (10) years of service with the Bluffton-Harrison Metropolitan School District.

The 401(a) Plan will:

Be subject to all applicable Internal Revenue Regulations.

Have no contract initiation fees charged to the employee.

Have no administrative Plan Document charge to the Board.

The 401(a) Plan will be valued effective the last contracted day of employment for the retiring employee.

In addition, for those certified employees for whom payments are yet scheduled to be made under 4.5.1 through 4.5.3, such payments will be made into health reimbursement arrangement account (excluding the applicable amount currently allowed by the Indiana State Board of Accounts which will be paid as salary and used in the respective teacher's final year ISTRF calculation) created at retirement in the name of the retiring employee. Such payment by the Board will be made in one (1) payment on or before January 15th following the year of retirement. If notification of retirement is provided to the superintendent on or before March 1st, such payment by the Board will be made in one (1) payment on or before July 15th of the year of retirement.

To avoid problems with the Indiana State Teacher's retirement fund, teachers are encouraged to notify the Superintendent's office of their retirement plans well before the end of the school year. This will also provide ample time to calculate Retirement Pay Benefits and to include those eligible benefits in a final paycheck. Plans to retire will be held in strict confidence if requested by any teacher. Any previous contract or agreement between the Bluffton-Harrison Metropolitan School District and the Bluffton-Harrison Teachers Association with respect to Retirement Pay Benefits will be considered null and void following the ratification of this agreement.

4.7 Retirement Benefits for Identified Adams-Wells Special Services Personnel

4.7.1 On June 30, 2012, the Adams-Wells Special Services Cooperative was dissolved and reorganized into the Adams-Wells Joint Services and Supply. Per the reorganization agreement, teachers who were hired by AWSSC prior to June 30, 2006, and employed by Bluffton-Harrison in the 2012-2013 school year are eligible for the retirement benefits as described in the 2011-2012 Adams-Wells Master Contract and therefore not eligible for the provisions associated with retirement benefits outline in Section 4.6. The retirement benefits to these employees will be paid by Adams-Wells Joint Services and Supply through proportionate contributions from the schools corporations in Adams and Wells Counties. The eligible employees are listed below:

VESTED CERTIFIED STAFF				
NAME	EXP	AWSSC EXP	HIRE DATE	LOCATION
Eicher, Kristi	M-8	8	8/17/04	BHHS-Life Skills

4.8 Tax Sheltered Annuities

The Board gives its consent for any teacher who qualifies to participate in a "Tax Sheltered Annuity Plan" of the insurance or investment company of his/her choice subject to the conditions of Section 4.8. The annuity premium deduction may not exceed the amount stipulated in the rules governing 403(b) tax sheltered annuities. The Board will withhold the premium from the teacher's paycheck and make payment to the designated company provided that a signed authorization is received 30 days prior to the effective date on which deductions are to begin in accordance with the corporation's 20-pay payroll schedule. No deductions will be made during the summer. If incorrect information is supplied on the salary reduction agreement, delays in processing the annuity can be expected. The signed authorization will continue in effect until the Board is notified in writing that the deductions are to be discontinued. The Board reserves the right to limit the number of annuity plan providers after discussion with the Association; however, the Board and Association will jointly participate in the selection of annuity providers, and will review the list annually. If the existing list is changed, current participant's providers will be grand fathered into the revised list.

4.9 Health Insurance

The Bluffton-Harrison Metropolitan School District is a member of the School Employees' Benefit Trust, which each year negotiates with various insurance companies for a comprehensive health insurance plan. The health plan options selected each year by the School Employees' Benefit Trust shall be made available to the teachers of the Bluffton-Harrison Metropolitan School District.

Full-time teachers may elect to participate in a single plan or a family plan. The Board contributions will only be paid for school-sponsored group health insurance and will never exceed the total individual premium, less \$1.

Board contributions for group health insurance plans will be as follows:

Plan	Effective Jan 1, 2020	Effective Jan 1, 2021
PPO Single	\$7,484	\$7,784
PPO Family	\$15,207	\$15,816
CDHP 1 Single	\$5,674	\$5,901
CDHP 1 Family	\$11,505	\$11,966
CDHP 2 Single	\$4,968	\$5,167
CDHP 2 Family	\$10,079	\$10,483

Teachers whose initial employment began during the 1985-86 school year or thereafter and who are employed for a fractional part of a contract (less than full time) will receive the same fractional payment toward the insurance plan they select. Board premium payments, whether for full-time or fractional time employees, apply only to the school-sponsored health insurance program. No portion of a premium payment will be made for

teachers who have another individual insurance plan. The period of coverage begins on January 1 each year and extends through December 31 of the same year. The portion of the premium paid by the corporation ceases when a teacher terminates his/her contract prior to the normal termination date.

If a teacher who is eligible and participates in the group health insurance program retires before the age of Medicare eligibility, but after the age of 55, he/she may pay the full premium and continue on the program until he/she reaches the age of Medicare eligibility.

Changes in the prime carrier and the coverages included may be made by official action of the School Employees Insurance Trust.

4.10 Long Term Disability Insurance

A long term disability insurance plan will be provided to teachers with an elimination period of 90 days. The Board will pay an annual amount equal to 0.245% times each teacher's base salary as illustrated in Article 4. This amount will be paid only for group long term disability insurance carried by the school corporation and will not exceed the total individual premium, minus \$1.

4.11 Life Insurance

A term group life insurance with accidental death and dismemberment benefits shall be offered to each teacher in the amount of \$40,000. The Board shall pay the premium excluding a required teacher contribution of \$1. This amount will be paid only for the school-sponsored program, not other individual life policies.

4.12 Separation of Service

Any teacher who completes his/her contractual obligations and is an employee in good standing at the end of the school year and is not returning to employment with Bluffton-Harrison MSD for the following school year shall retain full insurance coverage as provided in this Master Contract, with the school corporation paying for said insurance coverage, as outlined in section 4.9 of this Master Contract, through the completion of the 26 pay cycles of the current contract period or until the time the Teacher becomes eligible for coverage, whichever occurs first. Teachers retiring from Bluffton-Harrison MSD retain benefits as outlined in section 4.9 of this Master Contract. The Teacher separating service with Bluffton-Harrison MSD is responsible for notifying Bluffton-Harrison MSD central office personnel of coverage eligibility.

4.13 Expanded Criminal History Check

The Bluffton-Harrison Metropolitan School District will conduct an expanded criminal history check on each employee once every five years (5) years. The Superintendent will be responsible for determining the schedule for conducting the expanded criminal history checks on school employees. The cost of an expanded criminal history check will be the responsibility of the Board. The school district may also conduct an expanded child protection index check on each employee every five (5) years. The Board will be responsible for the costs of obtaining the expanded child protection index check on all employees.

4.14 CPR/AED Training

The Bluffton-Harrison Metropolitan School District will offer CPR/AED training to all employees annually. The Superintendent will be responsible for determining the schedule for offering training to school employees. The cost of CPR/AED training held at Bluffton-Harrison Metropolitan School District will be the responsibility of the Board. The school district may prioritize attendees based upon expiration dates of BHMSD teacher licenses and CPR/AED certification.
