The Board hereby recognizes the Association as the exclusive bargaining representative for all certificated personnel employed by the Board with respect to terms and conditions of employment. Such representation shall cover all certificated personnel as set forth in Public Law 217 and all other pertinent and enacted laws of the State of Indiana and the Congress of the United States, except: the Superintendent, Principals, Assistant Principals, Administrative Assistants, Technology Coordinator and Athletic Director. In this covenant, the term "teacher" shall refer to all certificated personnel represented by the Association.

ARTICLE III **CONDITIONS**

The Board agrees that it shall not discriminate among the teachers with respect to hours, wages, term or terms and conditions of employment by reason of membership in the Association, or the institution of any grievance proceeding.

ARTICLE IV **GRIEVANCE PROCEDURE**

1. DEFINITIONS

- B. The term teacher includes any individual or group of individuals within the bargaining unit.
- C. The term day shall mean the normal school working/teaching day unless during the summer recess when it shall mean a regular weekday.

2. OBJECTIVES

- A. The purpose of this grievance procedure is to settle equitably and efficiently issues which may arise from time to time with respect to specific claims of employment related disputes. Both the Board and the Association agree that these proceedings shall be kept confidential.
- B. Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted, if the adjustment is not inconsistent with the terms of this contract and the Association has been given the opportunity to be present at such hearings.
- C. The number of days indicated at each level should be considered as maximum; and every effort should be made to expedite the process. The time limits may be extended by mutual consent in writing by authorized representatives of each party.
- D. There shall be no record of or reference to any grievance placed in any teacher personnel file.

3. PROCEDURE LEVEL ONE

- A. A grievance may be filed using the form provided in the appendices. This form shall be filed in quadruplicate with one copy going to each of the

following: the grievant, the Association, the building principal (where applicable) and the Superintendent. A grievance shall be filed with the building principal within twenty (20) days after disclosure of the facts giving rise to the grievance. If the relief sought cannot be granted by the principal, the grievance may be filed with the Superintendent.

- B. The Principal shall answer the grievance in writing within five (5) days. Within five (5) days of the Principal's answer the grievance may be submitted to the Superintendent. The Superintendent shall answer the grievance in writing within five (5) days of its submission.

A hearing with the Board shall be held within ten (10) days following the receipt of such notice; and the president of the Board shall promptly notify the grievant and the Association of the date, the time, and the place where such appeal shall be heard. The Board's written decision shall be transmitted to the grievant and the Association within five (5) days after the hearing.

LEVEL THREE

- A. If the grievance is not settled at LEVEL TWO, it may be submitted to arbitration; and the Association shall notify the Board of its intention to submit the matter to arbitration within ten (10) days of receipt of the LEVEL TWO decision.
- B. After notification to submit to arbitration is made, the Board and the Association shall attempt to select an arbitrator by mutual agreement. If the two parties are unable to agree on an arbitrator within five (5) days after notification, the arbitrators shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing. The arbitrator shall set forth findings and conclusions on the issues submitted. The costs of arbitration shall be divided equally between the Board and the Association. The arbitrator's ruling, however, shall be advisory and shall not prevent any party from seeking relief in another venue.

4. CONCLUSION:

ARTICLE VII
COMPENSATION ALLOWANCES

1. Salary Increase. For this contract only, the parties have elected to implement the compensation plan in Appendix A-1.

Teachers' respective salaries for future contract years will remain frozen and not move down the steps of the Salary Schedule or across the columns unless otherwise bargained. This means that the status quo for teachers' respective salaries at the end of this Agreement will be their salaries set by this Agreement.

The Parties agree that the Salary Schedule in Appendix A-1, as adopted, will not entitle teachers (based on 182 day contract) who reach the top of the Salary Schedule to an automatic stipend thereafter. Any additional compensation (stipend or base salary increase) for teachers who reach the top salary in the Salary Schedule must be bargained.

In the event a teacher obtains a Masters degree, the teacher must supply sufficient document to the School Corporation in writing on or before September 1 in the year in which the degree was conferred to obtain any increase in compensation.

The Board and the Association do not anticipate a need to redistribute monies allocated for teachers who need improvement or are ineffective because teachers eligible for a Salary Increase must be "highly effective" or "effective." However, if redistribution of monies paid to teachers rated "ineffective" or "needs improvement" is required, then it will be equally redistributed among the highly effective and effective teachers in the form of a stipend no later than May 1 of the year following evaluations relevant to this provision.

Appendix A-1 states that "[E]ligibility" for any salary increase requires an evaluation rating of "highly effective" or "effective." For the benefit of any third-party, the parties to this Agreement interpret "eligibility" to mean eligibility factors. Teachers rated "ineffective" or "improvement necessary" in the prior school year are not eligible for any salary increase in the current year and remain at their prior year salary.

2. Starting Salary. New certified teachers will is contract year being placed on the "Salary Schedule" set forth in Appendix A-1, incorporated by reference herein, *provided that* teachers will not receive experience in excess of five (5) years or receive salaries that are higher than current teachers with the same teaching experience. For hard-to-fill positions, salaries may be set by agreement between the Superintendent and the Association President but shall not be outside the Salary

Range.

3. The Salary Range for this Agreement is \$32,568-\$62,690 without including the salary increases in this agreement. With the salary increases in this agreement, the salary range moves to \$40,000-\$70,122.
4. Stipends are paid as follows:
 - a. For teachers who are unable to receive any base salary increase based on level changes as set forth in Appendix A due to the Salary Schedule limits will receive a \$1,000 stipend (pro rate adjustment for part-time teachers), subject to applicable withholdings and taxes, payable with retroactive payments.
 - b. Should the School Corporation's ADM count for September 2022 reach 995 or more non-virtual students, all teachers who were employed by the School Corporation in 2021-2022, remain continuously employed in the 2022-2023 school year, and are employed by the School Corporation on February 1, 2023, will receive a stipend of \$1,200, subject to applicable withholdings and taxes, no later than February 15, 2023.
5. A teacher who is not provided with transportation but who must perform school duties outside the normal school work day, as assigned by a supervisor, shall be reimbursed at the rate of thirty-eight (.38) cents per mile for the use of the teacher's own vehicle in pursuance of any such assigned school duty or duties, excluding athletic related events.
6. Certificated personnel health benefits will be as follows:
 - A. For certificated personnel who elect coverage under the Board's single health insurance plan, the Board shall contribute \$7,056.00 (75% of the total HDHP Plan 6 premium) towards the employee's health insurance premiums for each plan year.
 - B. For certificated personnel who elect coverage under the Board's family health insurance plan, the Board shall contribute \$16,092.00 (75% of the total HDHP Plan 6 premium) towards the employee's health insurance premiums for each plan year.
7. All certificated personnel will have the option of participating in a group life insurance program as determined by the Insurance Committee. The Board shall provide payment for individual protection of \$50,000 term life insurance to be effective upon ratification of this contract and to continue in force each calendar year

thereafter until improved through mutual agreement between the Association and the Board. Such insurance coverage shall apply to employees desiring to participate in the adopted insurance program. The Insurance Committee will be comprised of Association representatives and representatives of the School Board.

8. The Board agrees to deduct from the salaries of teachers who wish to participate in an annuity program such premiums or deductions as are appropriate and set by the insuring agency and desired voluntarily by individual teachers. Such deductions shall include Valic.
9. The Board agrees to deduct from the salaries of teachers such amounts as are desired by the teachers in regular installments in accord with the salary schedule as such teachers voluntarily and individually authorize on forms provided by the Industrial Federal Credit Union approved by the Association. Changes shall become effective on the first pay in October and/or February of each year. New accounts shall be accepted upon application and effective on the nearest pay.
10. The Board will pay 1.25% into a 403(b) plan for all teaching staff members. The Board will select the carrier after consultation with and oversight of the Corporation Insurance Committee for the 403(b) plan in accordance with all applicable laws and regulations.
11. The Board will make available a Section 125 Flexible Spending Plan to all teaching staff who wish to participate. The Board will select the carrier after consultation with and oversight of the Corporation Insurance Committee for a Section 125 Flexible Spending Plan in accordance with all applicable laws and regulations.
12. The Board shall pay the cost of any and all expanded criminal history checks and expanded child protection index checks that are required by the School Corporation or per IC 20-26-5-10.

ARTICLE VIII **RETIREMENT**

Teachers who have taught in the Southwest Parke Community School Corporation for at least ten (10) years and have completed his/her teaching in good standing, shall receive a retirement severance pay. Payment to the retiring teacher will be spread over two (2) years. Such pay shall be computed according to the following:
 - A. The retiring teacher's accumulated sick and emergency leave days not to exceed 180 days shall be converted to pay at a rate of twenty-five dollars (\$25.00) per day.
 - B. The retiring teacher's accumulated days in their retirement account shall be converted to pay at a rate of twenty-five dollars and zero cents (\$25.00) per retirement day. Effective August 4, 2014, teachers shall no longer accumulate

any days in their retirement accounts.

- i. For teachers whose retirement days accounts exceeded sixty (60) days on August 4, 2014, each retirement day in excess of sixty (60) days will be reduced, not to exceed twenty-five retirement days per contract year, with a corresponding Board contribution to the teacher's 403(b) account in the amount of twenty-five dollars and zero cents (\$25.00) per retirement day on June 30 of the contract year until (a) the teacher's accumulated days in their retirement account is reduced to sixty (60) days or (b) the teacher retires, upon which the teacher shall receive the August 4, 2014 accumulated retirement days amount less any days purchased by the Board. Once a teacher's retirement days account is reduced to sixty (60) retirement days, the teacher's account shall remain at that level until retirement, upon which the teacher shall receive payment of sixty (60) retirement days at a rate of twenty-five dollars and zero cents (\$25.00) per retirement day.
 - ii. For teachers who accumulated retirement days of sixty (60) or less on August 4, 2014, each teacher shall receive a payout of twenty-five dollars and zero cents (\$25.00) per retirement day upon retirement.
2. Compensation shall be requested in writing. Written notice of the intent to retire shall be given on or before June 1 of the year the retirement will become effective.

4. Any teacher who has been in the corporation for at least ten (10) years and gives the corporation notice of intent to retire in accordance with Section 2 of this Article, and who retires on the date as indicated shall receive an additional \$100.00 per year for each year of teaching experience in the Southwest Parke Community School Corporation.
5. Any teacher who does not comply with the provisions of notification under this article shall have benefits delayed one (1) year.

2. An eligible employee may request days from the bank by submitting a written request to the President of the Association. Such request shall include a statement of the reasons giving rise to the request for days from the bank and an estimate of how many days the employee will be unable to work.
3. Authorization for the use of days from the bank shall be approved by the Association's Executive Committee and the Superintendent with the decision being a majority vote.

The New Teacher Placement is in accordance with Article XVII 2.

Eligibility and ability for progression from the teacher's 2020-2021 salary to the 2021-2022 salary by remaining in the same step on the Salary Schedule is determined through the following factors: (1) eighty percent (80%) of the salary increase is attributable to the teacher receiving an evaluation of “highly effective” or “effective” for the prior school year (and anyone else who qualifies for a raise under I.C. 20-28-9-1.5) and (2) twenty percent (20%) of the salary increase is attributable to

experience, in that the teacher must be under contract for at least 120 days during the prior school year (or what a year of service equates according to INPRS).

Additionally, for the 2021-2022 contract year eligible teachers will move one level based on the following factors: (1) eighty percent (80%) of the salary increase is attributable to the teacher receiving an evaluation of “highly effective” or “effective” for the prior school year (and anyone else who qualifies for a raise under I.C. 20-28-9-1.5) and (2) twenty percent (20%) of the salary increase is attributable to experience, in that the teacher must be under contract for at least 120 days during the prior school year (or what a year of service equates according to INPRS).

Eligibility and ability for progression from the teacher's 2021-2022 salary to their 2022-2023 salary, without moving levels or columns, is determined through the following factors: (1) eighty percent (80%) of the salary increase is attributable to the teacher receiving an evaluation of “highly effective” or “effective” for the prior school year (and anyone else who qualifies for a raise under I.C. 20-28-9-1.5) and (2) twenty percent (20%) of the salary increase is attributable to experience, in that the teacher must be under contract for at least 120 days during the prior school year (or what a year of service equates according to INPRS). During the 2022-2023 contract year, teachers will not move levels or columns.

Salary increases from the 2021-2022 to 2022-2023 contract years, however, are subject to the reopener provision in this Agreement. Salaries at the end of the 2021-2022 contract year will remain frozen until (a) it is determined by the School Corporation that the September 2022 ADM count has not triggered the reopener provision in this Agreement or (b) the reopener provision is triggered and the parties bargain salaries during the 2022 bargaining time period. Should the School Corporation determine that the reopener is not triggered, then the salary increases under this Agreement will occur pursuant to this Agreement.
