On this 10th day of November, 2021 the following agreement was reached by and between the BOARD OF SCHOOL TRUSTEES OF THE UNION TOWNSHIP SCHOOL CORPORATION, hereinafter called the "BOARD", and the UNION TOWNSHIP TEACHERS ASSOCIATION, an affiliate of the Indiana State Teachers Association and the National Education Association, hereinafter called the "ASSOCIATION".

### **ARTICLE I. RECOGNITION**

- A. The Board, in accordance with IC 20-29-1-1 et. Seq. and the certification of the Indiana Employment Relations Board, State of Indiana, recognizes the Association as exclusive bargaining representative for teachers in the School Corporation.

The term "teacher" as used in this Agreement shall mean all certified personnel employed by the Board, except the following who are excluded from the bargaining unit: Superintendent, Assistant Superintendent, Principals, Assistant Principals, and Athletic Directors.

It is further agreed that when a new position is created the parties will attempt to reach agreement as to whether a new position is included or excluded from the bargaining unit. In the event mutual determination is not possible, then the Indiana Employment Relations Board of the State of Indiana will be required to make the determination in accordance with IC 20-29-5-1 and amendments thereto.

The Board agrees not to negotiate terms and conditions of employment with any teacher, teacher's group or teacher's organization other than the exclusive bargaining representative.

### **ARTICLE II. GRIEVANCE PROCEDURE**

- A. Any claim by a teacher, group of teachers, or the Association that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement may be processed as a grievance as hereinafter provided.
- B. The purpose of this procedure is to secure at the lowest possible administrative level, equitable disposition of the grievances that arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.
- C. Any grievant has a right to be represented at any stage of the grievance procedure by a representative of the Association.

- D. **STEP I (INFORMAL)**

In the event that a teacher believes there is a basis for a grievance, he shall first discuss the alleged grievance with his supervisor, either personally or accompanied by his or her representative of the Association. The purpose of this meeting will be to attempt to resolve the matter informally. The date of the events giving rise to the grievance, the date of the request for the informal meeting and

Updated 11-2021

the date of the informal meeting and other pertinent information will be recorded on the form contained in Appendix A.

E. STEP II

If a grievance still exists after the informal discussion with the supervisor, as completed by a completed Appendix A, the grievant may submit within twenty (20) school days of the occurrence, to the Building Principal, a completed Grievance Report Form Step II showing the date of the occurrence, a statement of the nature of the grievance and provisions of the contract allegedly violated and the relief sought. A copy of the grievance form is set forth in Appendix B.

Within five (5) school days of receipt of the Grievance Report Form the Building Principal shall meet with grievant and the Association representative in an effort to resolve the grievance. Within five (5) school days of the meeting, the Building Principal will indicate in writing his or her disposition of the grievance and the reasons therefore.

F. STEP III (SUPERINTENDENT or DESIGNEE) If the grievant is not satisfied with the disposition made by the Building Principal or if no disposition has been made within five (5) school days of filing the grievance at Step II, then the grievant shall within seven (7) school days complete Grievance Report Form, Step III, and submit the grievance to the Superintendent. The Superintendent or the Superintendent's designee shall meet with the grievant and the Association representative in an effort to resolve the grievance. This meeting with the Superintendent (or designee) will be held within five (5) school days of the filing. The disposition by the Superintendent (or designee) shall be made in writing to the teacher by completing Grievance Report Form, Appendix B, Step III, within seven (7) school days of the meeting and shall set forth the reasons for the Superintendent's action.

G. The time limits in this Article shall be strictly observed, but may be extended by the written agreement of both parties.

H. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

I. In the event any grievance is processed following the regular school year, all reference herein to school days shall be construed to mean week days.

J. If a grievance affects teachers in more than one building, the Association may submit such grievance in writing to the Superintendent or his/her designee directly and the processing of such grievance shall be commenced at Step III of the formal grievance procedure.

D. **LEGAL LEAVE**

A teacher called for jury duty or to appear before any judicial body on behalf of the School Corporation for work related issues, shall receive full compensation but shall return to the corporation any pay he/she receives for jury duty.
