The term "teacher" or "teachers" when used hereinafter in this Agreement shall refer to any full time certificated person on a regular teacher's contract or a temporary teacher's contract in the employment of the school corporation. A school employee shall be considered full time even though he/she does not work during school vacation periods, and accordingly works less than a full year. There shall be excluded from the above bargaining unit all employees who are supervisors as defined in I.C. 20-29-2-19, Assistant to the Principal for Guidance, Director of Media Production, and head varsity high school coaches in the following sports: football and basketball. For the purposes of the Agreement, department chairpersons and coordinators shall be considered a part of the bargaining unit.
- 1.2 The Board shall not bargain with or recognize any other school employee organization as defined in I.C. 20-29-2-14.

## Article 2 - Grievance Procedure

- 2.1 *GRIEVANCE* - A claim by a teacher or teachers or the Association that there has been an alleged violation of a specific section of this master contract or a Memorandum of Understanding entered into by the parties. If any such alleged grievance arises there shall be no stoppage or suspension of work because of such alleged grievances, but such alleged grievances shall be resolved through the procedures set forth herein.
- 2.2 *GROUP GRIEVANCE* - If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent or his designee directly and the processing of such grievance shall be commenced at Step Two (2) of the grievance procedure.
- 2.3 *DAYS* - A "day" for the purposes of this grievance procedure shall during the period of time covered by the official school calendar mean the actual days the students are in session. During the period of time not covered by the official school calendar, a day shall mean a week day and shall exclude Saturday, Sunday, and legal holidays.
- 2.4 Nothing contained herein shall be construed to prevent any individual teacher from initiating a grievance at Step One (1) and having the grievance adjusted, if the adjustment is not inconsistent with the terms of the Agreement and the Association has been given notice of the Step One (1) hearing. Said notice shall entitle the Association to be present and present its views at such a hearing.
- 2.5 Any formal written grievance submitted to Step Two (2) of this grievance procedure shall have the signature of the Association. Only the Association shall have the right to submit a grievance to arbitration.
- 2.6 All time limits contained herein shall be strictly adhered to unless the Board and the Association agree in writing to an extension of time limits. If the grievant or the Association fail to act within the time limits set forth herein, the grievance shall be deemed waived.

- 2.7 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 2.8 At any step of this grievance procedure, if the Board schedules a meeting or hearing during the working hours of the teacher or Association representative(s) and their presence or testimony is necessary to the presentation of the grievance, the teacher and Association representative(s) shall suffer no loss of pay.
- 2.9 All meetings and hearings under this procedure shall be closed to the public and shall include only the interested parties, representatives and any necessary witnesses except by agreement of the parties.
- 2.10 In any claim for back pay the school employer shall not be required to pay back wages for more than the contract year in which the grievance is filed.
- 2.11 The Board and the Association agree that no reprisals will be taken by either party against any party in interest as a result of the grievance procedure.
- 2.12 STEP ONE (See Appendix A-1)

In the event that a teacher believes that there is a basis for a grievance he/she shall within fifteen (15) days of the alleged violation or within fifteen (15) days after he/she knew of or had reason to know of the violation, request of his/her principal a meeting at which an informal presentation of the grievance shall take place. The date of the request shall be indicated on Step One (1) Grievance Forms, two (2) copies of which shall be signed by the teacher and the Association representative and submitted to the principal. The principal shall acknowledge the date of the request by signing both forms and returning one to the Association representative and retaining one (1) for his/her files. Any aggrieved teacher may elect to be accompanied and represented at Step One (1), the informal grievance level, by a representative(s) of the Association. The principal shall have a maximum of fifteen (15) days following the date of the request during which he/she may attempt to resolve the grievance.

#### STEP TWO (See Appendix A-2)

If the grievance is not resolved to the satisfaction of the Association at Step One (1), the Association may submit the formal written grievance to the Superintendent or his designee. The formal written grievance shall be so submitted as soon as practicable after a determination has been made at Step One (1); in no case, however, shall such submission be more than twenty (20) days after the request at Step One (1). Said formal written grievance shall cite the section(s) of the Agreement alleged to have been violated, explain the theory(ies) and contention(s) of the grievant, and state the remedy sought. The Superintendent or his designee shall meet with the Association for the purpose of attempting to resolve the grievance. He shall indicate his disposition of the grievance in writing within twenty (20) days of the submission of the formal written grievance at Step Two (2). A copy of the written disposition shall be furnished to the grievant and the Association.

## STEP THREE

If the Association is not satisfied with the disposition at Step Two, the Association may submit a written appeal to the President of the Board of School Trustees within ten (10) working days of the receipt of the written disposition by the Superintendent or his/her authorized representative, or in the event the Superintendent or his/her authorized representative fails to issue a written disposition within the time limit, within thirty (30) working days of the appeal of the grievance to Step Two. Upon written request to the President of the Board of School Trustees the Association shall be entitled to a meeting with the Board to discuss the grievance prior to the Board's final decision. The Board of School Trustees will review the grievance, make its decision, and notify the Association at the earliest opportunity. The decision of the Board shall be final.

### **Article 3 – Medical Examinations**

- 3.1 If a medical examination by a licensed physician is required by the school corporation the cost of the medical examination shall be borne by the Board.

### **Article 4 – Mentor Teachers**

- 4.1 Teachers shall receive a stipend of \$600.00 per mentee from the Merrillville Community School Corporation for actual service as a mentor for a first-year teacher and \$300.00 per mentee for actual service as a mentor for a second-year teacher.

### **Article 5 – Association Leave**

These days are to be used at the discretion of the Association as authorized by the president of the Association; however, these days will not be used to take part in or assist in a strike against a school employer or school corporation. The Association shall give the administration reasonable notice and shall not use more than three (3) of these days on any given day without the approval of the Superintendent. The Association will pay substitute costs for these days. In any given school year, additional days may be granted at the discretion of the Superintendent. When a member of the bargaining unit testifies before the General Assembly or confers with members of the General Assembly at the request of the school corporation, the school corporation will pay the substitute costs.

### **Article 6 - Short-Term Paid Leave**

- 6.1 *Personal Illness* - For absences caused by illness or physical disability of the teacher or physician appointments during the term of illness, but shall not be utilized for routine, or continuing conditions except where the physician verifies such condition would render the teacher unable to teach, each teacher shall be allowed ten (10) days each year, accumulative without limit. A teacher who teaches less than a full school year shall be credited with a proportional number of sick leave days. In the event a new teacher shall have accumulated three (3) or more sick leave days in a prior school corporation of this state, then after his/her first year of teaching, and upon the signing of his/her second consecutive teaching contract with the Merrillville Community Schools, he/she will be eligible for the regular ten (10)

days plus three (3) additional days each succeeding year until his/her previously accumulated sick leave days are exhausted.

Summer school teachers shall be entitled to all sick leave rights to which they are normally entitled and have remaining from the preceding school year.

Teachers shall be given an accounting of their accumulated sick leave once each year.

If a teacher is absent five (5) consecutive school days or longer he/she will specify on the appropriate form the nature of the illness or physical disability. If the personal illness leave use has been frequent or suspicion of abuse exists, the administration may require the submission of a physician's statement certifying illness of the teacher involved.

At any time school is canceled, there will not be personal illness days deducted.

- 6.2 Teachers may donate up to two (2) sick leave days per occurrence to any teacher who, in the case of extended illness, has exhausted his/her sick leave days and personal leave days. If a teacher suffers another medical occurrence in a given school year teachers may donate up to an additional two (2) sick leave days to that teacher. A request for such donations will be made through the president of the Association. With the consent of the teacher making the request, the Association will convey the request to teachers and will circulate the appropriate form among teachers. Completed forms will be submitted to the Superintendent by the president of the Association. A doctor's certificate will confirm the illness. The maximum number of days that may be donated to a given teacher in a given school year is the number of days it would take to enable the teacher to be eligible for long term disability insurance up to a maximum of sixty (60) days in a given school year. In the event more days are donated than are used, the surplus days will be maintained in a "sick bank" and will be used for future needs prior to asking for additional donations.
- 6.3 *Adoptive Leave* - A teacher adopting a child shall be allowed to take up to thirty (30) personal illness leave days immediately following the adoption of a child. The payment may continue at the discretion of the Board.
- 6.6 *Illness in Family* - All members of the bargaining unit shall be allowed three (3) days leave per year with pay (non-deductible from sick leave and non-accumulative) in case of serious illness, major surgery or serious accident involving the teachers' spouse, parents or any

person who has an established and recognized home in the home of the teacher. These days shall also be allowed for children; however, if the leave use has been frequent or suspicion of abuse exists, the administration may require that the attending physician certify that the parent's presence was necessary. Additional days (deductible from sick leave) may be granted at the discretion of the Superintendent in an extreme case or for a person who has an established and recognized home in the home of the teacher.

- 6.7 *Personal Business Leave* - Teachers shall be allowed three (3) days for the transaction of personal business and/or the conduct of personal or civic affairs during each year of employment. A teacher who teaches less than a full school year shall be credited with a proportional number of personal leave days.

A "Personal Business Leave Request Form" shall be filed with the Superintendent through the building principal prior to exercising this right. In the event this is not possible, the form must be completed and submitted on the first school day the teacher returns to duty. Forms are available in each principal's office.

Unused personal business leave days shall be added to the accumulated sick leave days on July 1st after the close of school, or at the end of summer school, if applicable, however, the total of accumulated sick leave days plus the number of unused personal business leave days shall accumulate without limit.

At any time school is canceled, there will not be personal business leave days deducted.

At the discretion of the Superintendent, a teacher may be allowed additional personal business leave days not to exceed the number of personal business leave days unused by the teacher during the previous school year. Personal business leave is not intended to be used to extend a scheduled recess.

- 6.8 *Bereavement* - In each case of death in the immediate family, a teacher shall be allowed a maximum of seven (7) consecutive calendar days without loss of pay. This leave may commence, at the discretion of the teacher, on the day of the death or the day after the death. Request may be made by the teacher for a variance of the starting day and may be granted at the discretion of the Superintendent.

The immediate family for this purpose shall include spouse, parent, stepparent, child, stepchild, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparent, grandchild, or any person who has an established and recognized home in the home of the teacher. The leave shall not be deducted from sick leave or from personal business leave days.
- 6.10 *Professional Leave* - Professional leave with pay may be granted to teachers by the Board upon the recommendation of the Superintendent. A building principal may recommend that more than one (1) member of the building staff may attend a conference subject to the provisions of this section.

Professional leave is defined as leave to participate in conventions, conferences, workshops, and school visitations, attendance at which will contribute to the improvement of the Merrillville Community School Corporation's instructional program.

Applications for professional leave must be submitted to the building principal. The request shall have the recommendation of the Principal and be sent to the Superintendent for his recommendation.

## APPENDIX E

### MEMORANDUM OF UNDERSTANDING

The Merrillville Community School Corporation and the Merrillville Classroom Teachers Association agree that effective the 2009-2010 school year the basic salaries for teachers shall be paid over twenty-six (26) payments. The parties hereby agree that the following teachers shall be grandfathered and shall continue to be eligible to have their basic salaries paid in twenty (20) payments:

James Johnston Jr.

It is understood by the parties that a school employee may not receive compensation prior to the date the employee actually earned the pay. Therefore, the parties acknowledge that a teacher on a twenty payment schedule may have a delay of up to four (4) weeks between the nineteenth (19<sup>th</sup>) payment and the twentieth (20<sup>th</sup>) payment in a given school year.

Each of these grandfathered teachers shall continue to receive his/her basic salary over twenty (20) payments until such time that the teacher notifies the Business Office in writing that they wish to change his/her payment election to twenty-six (26) payments.
