ARTICLE II

GRIEVANCE PROCEDURE

This grievance procedure, hereinafter referred to as “Procedure”, stipulates the conditions under and the procedures by which, grievances alleged by teachers, as defined in the agreement, shall be processed. If any grievances arise, there shall be no stoppage or suspension of work because of such grievances, but such grievances shall be submitted to the following grievance procedures.

A. Definitions as used in the procedure:

1. A grievance is a claim by a teacher(s) that there has been a violation, misinterpretation or misapplication of any provision of this contract.
2. “Superintendent” means the chief administrative officer of the school corporation, or any person(s) designated by him/her to act in his/her behalf in dealing with certified school employees.
3. “Days” means school days during the regular school year and shall mean weekdays during summer recess.
4. “Grievant” means the teacher(s) directly affected by the alleged violation making the claim.

B. Structure

1. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to proceed independently of this procedure.
2. The grievant may be represented by any person(s) of his/her own choosing at all levels of the procedure.
3. All evidence, material, allegation, or remedy submitted by the grievant or the administration or their representatives during the grievance process must be raised in the formal grievance.

C. Procedure

1. The number of days indicated at each level should be considered as maximum. If there is a failure at any step to communicate the decision on a grievance within the specified time limit, the grievant shall have the right to appeal at the next step of the procedure. Any grievance not advanced from one step to the next within the time limits shall be deemed resolved by the answer at the previous step. The time limits specified may, however, be extended by mutual agreement of the grievant and the Board.
2. Informal Grievance. The grievant may present the grievance to his/her principal or immediate supervisor or his/her designee by meeting with him/her individually and privately in an informal manner during non-teaching hours. The grievant may choose to file a formal grievance directly without filing an informal grievance.

3. If the grievance involves a central office function, the grievant may submit such grievance in writing directly to the Superintendent and the processing of such grievance shall commence at Level Two, paragraph two.

D. Formal Grievance

1. Level One. The grievance must be filed within twenty (20) days of the time the grievant knew, or reasonably should have known, of the grievance, or it shall be deemed waived by the grievant. The grievance must be filed with the principal or immediate supervisor or his/her designee in writing, signed by the grievant on the appropriate grievance form (Appendix C). The written grievance shall name the teacher involved, state the facts giving rise to the grievance, identify by specific reference all Articles or Sections of the contract alleged to be violated, state the contention of the grievant with respect to the provision(s) of said articles or sections, and indicate the specific relief requested.

Within seven (7) days after receiving the written grievance, the principal or supervisor or his/her designee shall communicate his/her answer in writing to the grievant.

2. Level Two. In the event that the grievance is not resolved at Level One, or if no written decision has been rendered within the time limit provided, the grievant may appeal the decision to Level Two provided said appeal is filed with the Superintendent within ten (10) days of receipt of the written answer at Level One. The appeal should include a copy of all materials and evidence previously submitted and a copy, at the same time, shall be given to the principal or supervisor involved.

The grievant shall submit the written claim signed by him/her to the Superintendent of Schools. Within ten (10) days from the receipt of the grievance the Superintendent shall render a written decision as to the resolution of the grievance. If requested by the grievant, the Superintendent shall discuss those items forming the basis of the grievance with the parties involved with the grievance prior to the rendering of the written decision. The parties may mutually agree to extend the time within which the Superintendent must respond if further investigation by the Superintendent is necessary.

3. Level Three. In the event the grievance is not resolved at Level Two, or if no written decision has been rendered within the time limit provided, the grievant may submit the grievance to the Board provided the grievant files said written appeal with the Board within five (5) days of the receipt of the Superintendent's answer. Upon receipt of said appeal, the Board shall consider and rule within twenty-five (25) days on the grievance.

E. Miscellaneous

1. Decisions rendered at Formal Level One, Level Two, and Level Three of this procedure shall be in writing.
2. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the grievant.
3. All necessary forms for grievance procedures set forth in this procedure shall be mutually developed and provided by the Superintendent and the Association.

4. Any hearing at the Information Level and at Formal Level One, Level Two, and Level Three shall be held during non-teaching hours unless otherwise directed by the Board.
5. Certified school teachers shall follow all written and verbal directives, even if such directives are allegedly in conflict with this contract. Compliance with such directives will not in any way prejudice the teacher's right to file a grievance within the time limits stated herein, nor shall compliance affect the ultimate resolution of the grievance.

This procedure supersedes or cancels all previous grievance policies or procedures, whether verbal or written or based on alleged past practices or procedures, and constitutes the entire procedure for processing of grievances.

ARTICLE IV

RETIREMENT AND SEPARATION BENEFITS

A. Buy-Out Severance Plan

1. Elimination of Prior Agreement's Severance Benefit

The Board and Association specifically reserved the authority to revise or terminate the retirement benefits contained in earlier agreements. Exercising this authority, the Board and Association confirm that the retirement severance benefits Article VI of the 2000-2002 collective bargaining between the South Adams Schools and the South Adams Classroom Teachers Association ("the Prior Agreement") are terminated and shall not apply to any teacher retiring or severing employment with the School Corporation on or after October 1, 2006. Those teachers who retired or severed employment before October 1, 2006, shall be entitled only to the retirement benefits contained in the Prior Agreement as of the time of his or her retirement, but as may be otherwise revised from time to time.

2. Entitlement to Severance Benefits, Vesting Requirements

Upon separation from the South Adams Schools, a teacher meeting the criteria set forth in subsections 2(a) through 2(b) below is entitled to Section 401(a) contribution set forth in Section A-4 below.

- a. The teacher must have served at least five (5) years in the South Adams Schools; and
- b. The Board, after consultation with the Association president, may waive these eligibility and vesting requirements if the Board determines such waiver is in the best interests of the employee and the school corporation and does not violate any applicable law.

3. Actuarial Determination of Value of Current Severance Benefits

The Educational Services Company has been selected to determine the present value of unfunded Severance Benefits and Retirement Bridge benefits described in the Prior Agreement. In making this present value determination, Educational Services Company shall use the following assumptions:

- a. Interest Rate. The assumed interest rate for purposes of determining the present value of the retirement severance benefits contained in the Prior Agreement is two and one-half percent (2.5%) for the first three (3) years the plan is in effect and three and one-half percent (3.5%) thereafter.
- b. Severance Pay. The anticipated amount of the severance benefits contained in the Prior Agreement shall be determined using the amount of annual benefit described in Article VI of the Prior Agreement. However, it is assumed that individuals do not retire until the satisfaction of the eligibility requirements of Section (A)(2) of this Article.

- c. FICA. The present value of the future retirement severance benefits contained in the Prior Agreement will be reduced by the Social Security and Medicare taxes (FICA) that would have been payable if the retirement severance benefits contained in the Prior Agreement had been paid directly to the employee.
- d. Exclusion of Employees. Employees hired after October 1, 2006, shall not be entitled to any payment for the eliminated retirement severance benefits contained in the Prior Agreement. In other words, no contribution shall be made for individuals hired or rehired on or after October 1, 2006.
- e. Rehired Employees. Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the School Corporation after October 1, 2006. However, if the Board shall have approved a leave of absence of not more than one (1) fiscal year for an employee, such period of leave shall not result in forfeiture provided the employee shall promptly return to employment following the expiration of the period of leave.
- f. Calculation Date. The present value of the retirement severance benefits contained in the Prior Agreement shall be calculated as of June 30, 2001.
- g. Verification of Information. To confirm the accuracy of the underlying information to be used in the present value calculations, each teacher shall be provided with his/her basic data that will be used in the calculations, including but not limited to, the following information as of June 30, 2001: base salary, total years of educational experience, and total years of South Adams Schools experience. Educational Services Company shall assist in the preparation of this verification sheet for each teacher; however, the Association will have the responsibility to forward the verification sheets to the respective teachers. Any corrections must be returned to the Board on or before September 10, 2001 as final calculations will be prepared and the contributions hereafter described will be commenced after such date. (Corrections not returned to the Board by a teacher of the Association shall be disregarded.)

Using the above assumptions and the other assumptions contained on the attached Buy Opt Spread Sheet, Educational Services Company shall prepare the present value calculations for each tender and the contributions described hereinafter will be made. (In the joint determination of the Board and the Association, the calculated contribution totals for each teacher may be incorporated as part of this amendment or maintained as a separate document.)

- 4. Section 401(a) Plan. The School Corporation shall establish a qualified plan as described in section 401(a) of the Code (the "401(a) Plan") for teachers employed by the South Adams School Corporation prior to October 1, 2006. The total sum of the amount calculated by Educational Services Company as the present value for the retirement severance benefits contained in the Prior Agreement shall then be contributed by the School Corporation to the 401(a) Plan. The 401(a) Plan's terms and conditions for the administration of the plan shall be as follows:
 - a. Separate Accounts. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how

his or her account shall be invested among the investment options made available by the selected investment vendor for the 401(a) Plan.

- b. Vesting. Until such time that an employee has satisfied the eligibility requirements set forth in Section A-2 of this Article, the employee shall have no access to the assets held in his or her separate 401(a) Plan account.
- c. Forfeiture. If an employee retires or terminates employment before satisfaction of the requirements set forth in Section A-2 above, the terminated employee's 401(a) Plan account shall be forfeited. The forfeited amounts shall be returned to the Plan for the benefit of its participants.
- d. Death Benefit. If an employee dies while actively employed by the School Corporation but before meeting the vesting requirements in Section A-2 above, the employee will be considered to be one hundred percent (100%) vested, and the amounts deposited into the employee's Section 401(a) account shall pass to the employee's designated beneficiary, or, in the event the employee does not have a designated beneficiary, to the employee's estate. If the employee dies after meeting the vesting requirements set forth in Section A-2 above, the amounts deposited into the employee's Section 401(a) account shall pass to the employee's designated beneficiary, or, in the event the employee does not have a designated beneficiary, the employee's estate.
- e. Distributions. Following separation and the satisfaction of the requirements set forth in Section A-2 above, an employee may elect to commence distributions from his 401(a) Plan account.
- f. Costs. The School Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) Plan. All costs incurred in the administration of the 401(a) Plan and investment fees shall be paid from the 401(a) Plan assets.
- g. Additional Plans. The School Corporation may establish other qualified plans as described in section 401(a) of the Code, subject to such terms and conditions as the School Corporation shall determine, in its sole discretion, to be appropriate. Such additional plans may be maintained separate from the 401(a) Plan or for administrative convenience maintained as part of the 401(a) Plan.
- h. Former Adams-Wells Special Service Cooperative teachers hired before June 2006 who are now South Adams teachers because of the Adams-Wells Reorganization Agreement are carved out of the South Adams' retirement plan (both the buy-out and the ongoing plan) in lieu maintaining their Adams-Wells retirement plan. Refer to the Adams-Wells Reorganization Agreement (June 30, 2012) for specific information.

B. Ongoing Section 401(a) Plan

- a. The Board shall establish and maintain a qualified Section 401(a) Annuity Plan ("401(a) Plan") for all teachers. The Board shall contribute an amount equal to one and one-half percent (1.5%) of the employee's base salary into Section 401(a) Plan plus amounts contributed in Article V, Section 5.

- b. The amount contributed by the Board is calculated as such: the salary amount written on the employee’s contract multiplied by 2.0% Half of the amount will be deposited in December. The other half plus amounts contributed in Article V, Section 5 will be deposited in June.
- c. Any employees hired after October 1, 2006, and any employees previously employed by South Adams Schools and rehired after October 1, 2006, are eligible only for the Ongoing Section 401(a) benefits provided by this section.
- d. Separate Accounts. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the selected investment vendor for the 401(a) Plan.
- e. Any contributions made by the Board to the Section 401(a) Plan on behalf of certified employees shall be subject to a vesting schedule. All teachers employed by the School Corporation on or before October 1, 2006, who have at least five (5) years of service with South Adams Schools shall be immediately vested in the Board’s contribution. All other employees, including newly hired or rehired employees, are subject to the following vesting schedule:

<u>Completed Years of South Adams Service</u>	<u>Percent</u>
1	20%
2	40%
3	60%
4	80%
5	100%

For purposes of this section, “completed years of South Adams service” refers to and is calculated by the number of regular or temporary teacher’s contracts (no more than one contract per school year) executed by the employee. A teacher who is not fully vested in this program and who voluntarily resigns shall not retain any prior partial vesting rights if ever rehired by the School Corporation. A teacher who retires from the School Corporation and is rehired shall be considered to have zero years South Adams service for purposes of vesting and Board contribution rights. Any teacher whose contract is terminated during the vesting period by the School Corporation (except due to a reduction-in-force) shall forfeit all rights to all non-vested amounts contributed by the School Corporation on the teacher’s behalf to the Section 401(a) Plan and shall not retain any prior partial vesting rights if ever rehired by the School Corporation.

C. RETIREMENT NOTIFICATION INCENTIVE – Teachers that have a minimum of 10 years at South Adams whose age and years of experience at South Adams total 65 or greater, and who give the School Corporation notice of their intent to retire on or before March 1st of the year they plan to retire, will be paid up to twenty-five (25) days of their accumulated sick days at the current licensed substitute teacher rate. Eligible teachers will be paid upon the completion of the retirement process.

D. MEDICAL INSURANCE – The teacher (upon retirement) may direct the corporation to pay the premium cost of the medical insurance (family or single) at the teacher’s expense until Medicare eligibility.

*If notification of retirement is not made by March 1st of the year of the retirement year, all accumulated sick leave days become void upon retirement.

A. The Board of School Trustees of the South Adams Schools shall recognize the South Adams Classroom Teachers' Association's Sick Leave Bank, with the following provisions:

1. The administrative provisions to implement this section shall be mutually agreed upon between the Board and the Association.
2. The purpose of the Sick Leave Bank is to relieve its members from undue financial burdens due to the absence from work on a long-term basis due to illness, injury, or incapacitation sufficiently severe that it would make their presence in school inadvisable.
3. Sick Leave Administration
 - a. The Association and the Superintendent of Schools shall appoint a Sick Leave Bank Committee to administer the sick leave bank. The committee will be composed of

four (4) members. The Association shall appoint three (3) teachers and the Superintendent shall appoint one (1) person representing the administration.

- b. Vacancies on the Committee shall be filled before the next meeting by the appropriate personnel.
- c. The Committee shall meet during the school year as needed.
- d. The Committee shall have the full responsibility in granting, denying, or suspending grants of sick leave days from the Bank.
- e. If appeal of any Committee decision becomes necessary, the final appeal will be to the entire current membership of the Bank.
- f. The Association's secretary shall prepare an annual report in conjunction with the Corporation's payroll clerk regarding days contributed by each teacher, days used, days accumulated, and days paid back. This report will be distributed to the President of the Association, the Superintendent, and made available to the Committee.
- g. Requests for use of the Bank and requests to donate days shall be made on forms developed mutually by the Association, the Corporation, and members of the Committee.

4. Criteria for Use of the Bank

- a. No waiting period shall be required.
- b. All current and previously accumulated sick and leave days must be exhausted by the individual.
- c. The applicant must be a current member in the Bank.
- d. The illness, injury, or incapacitation must be of a serious nature, to be determined by the Committee. The Committee may request a statement of the attending physician.
- e. If requested by the Committee, requests for sick leave credits from the sick leave bank shall be sustained by a statement from the medical doctor involved indicating the anticipated date of return to work.
- f. The maximum number of days granted will be thirty (30) school days for each unrelated disability.
- g. The days must be used before the last scheduled teacher's work day in the school year.
- h. A member may reapply with verification by the attending physician of continued serious illness. All re-applications will be considered by the Committee.

5. Eligibility for Use of the Bank

- a. Any certified personnel will be eligible to participate in the Bank.

- b. Any current member is eligible to request days from the Bank for his/her, or members of his/her immediate family, personal illness, injury, or incapacitation.
- c. Days from Bank cannot be used if and when disability resources from teacher retirement and social security become available and effective.
- d. Teachers on summer teaching employment shall not be eligible to use the Bank.

6. Composition of the Bank

- a. In order to become a member of the Bank, any certified staff, by October 1 of the school year, must donate one (1) day of his/her sick leave credit to the Bank.
- b. Any certified staff that is a member of the Bank may also voluntarily choose, by the end of the school year, to donate one (1) additional day of his/her sick leave credit to the Bank.
- c. Should the number of days in the Bank fall below 100 days, the Committee may request one additional day from the current staff in the bank. If a member chooses not to donate a day toward the Bank, they may be dropped from its membership.
- d. If a teacher decides to rejoin at a later date, or a corporation teacher decides to join for the first time, such teachers will be required to donate the number of days paid in by individual members during that time period.
- e. Sick leave days donated to the Bank by a member are considered as permanent contributions to the Bank and the teacher's election to donate is irrevocable.
- f. Upon return to work, the borrower shall repay the Bank at the rate of two (2) days per year for the days owed (computed as the number of days borrowed minus the number of days the borrower contributed). The Committee may waive a borrower's debt for extenuating circumstances.
- g. Should a sick leave bank member retire, resign or leave employment of the school corporation before repaying the Bank, the borrower shall repay the school corporation in cash for the Bank days borrowed in an amount equal to that paid to his/her substitute for the days borrowed from the Bank. The Committee may make exceptions to this provision and waive all or part of the debt.
- h. Should a sick leave bank participant die with days owed to the leave bank, the participant's debt shall be waived.

B. Donation of Sick Leave Days

A teacher is permitted to donate his/her sick leave days to another teacher if the teacher requesting the donated days, or the teacher's spouse, child, or parent, has an illness, injury, or incapacitation of a serious nature that has been certified by a licensed medical doctor and the teacher meets all other conditions set forth herein. Before a teacher may request that other teachers donate their sick leave days to him/her for a reason permitted under this provision, the teacher requesting the donated days must have already exhausted all other forms of paid leaves that he/she has available to him/her, and if applicable pursuant to Article VI herein all days available under the sick leave bank.

The teacher requesting the donated sick leave days must make a written request to the Superintendent's Office to be considered for donated sick leave days, and such written request must be accompanied by written medical certification. The Sick Leave Bank Committee shall have the full responsibility in granting or denying the request and determining the number of days approved. If the committee determines that the request meets the criteria and approves it, then the Superintendent, with the requesting teacher's written consent, will notify all teachers of the requesting teacher's request for donated sick leave days. No teacher shall be required to donate his/her sick leave days to another teacher under this provision. There will be a cap on the total number of sick leave days that may be collectively donated by teachers employed by the School Corporation to any individual teacher, which will be no more than 30 days for each unrelated disability. The Central Office will put an administrative approval process in place so that donated days under this provision may be tracked by the Central Office. *(This approval process provision is included for informational purposes only and has not been bargained.)*

- 2. This Memorandum of Understanding shall remain in effect until such time as Curtis Amstutz leaves the Head of the Music Department position. Once this event occurs, this Memorandum of Understanding shall be removed from the contract and shall not be a part of the status quo agreement.*
