B. Paternity Leave

The father of a newborn shall be granted leave under the Family and Medical Leave Act (FMLA). The father may use paid leave for up to ten (10) days (illness) and/or unpaid level for up to one (1) year. The Board shall pay the teachers selected for jury duty the difference between the money received for jury duty and the teacher's normal daily rate of pay.

E. Maternity Leave

Any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, if she is able to fulfill the requirements of her position. Temporary disabilities caused by pregnancy shall be governed by the same provisions governing sickness and by the following:

1. Any teacher who is pregnant is entitled to a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if, except in a medical emergency, she notifies the Superintendent at least thirty (30) days before the date on which she desires to start her leave. She shall also notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave as otherwise provided in this Section, immediately upon her request and certification of the emergency from an attending physician.
2. All or any portion of leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick leave. After her available sick leave has been used, the teacher may be absent without pay, subject to Subsection (1) of this Section.

Teachers shall be granted three (3) days of personal leave with pay per school year. Unused personal leave shall accumulate up to a total of six (6) days. The use of personal leave shall be subject to the following conditions:

1. Application for personal leave will, when possible, be made at least two (2) school days prior to such leave.
2. Personal leave will not be granted for less than one-half (1/2) school day.

5. A teacher may use no more than three (3) personal leave days consecutively.

G. Sick Leave

1. Provisions. A teacher shall be credited with ten (10) days sick leave without loss of pay at the beginning of the first year of teaching, and eight (8) days sick leave without loss of pay at the beginning of each school year thereafter. All absences caused by personal illness or physical disability of a teacher shall be debited to such sick leave. Eight (8) days of sick leave per contract year may be used for family illness. An employee on an approved workman's compensation leave may use accumulated sick leave days in order to make up the loss in pay. An employee must use sick leave days in whole day increments. An employee may not request a transfer of sick days for this purpose. Under

no circumstances may the compensation for any given day of lost wages exceed the normal daily rate of the employee. Example: For every three (3) days of workers compensation pay, an employee may use one (1) day of accumulated sick leave in order to receive full pay for the three (3) days.

2. Transfer of sick leave. A teacher may grant accumulated sick leave days to another teacher who has no sick leave or personal leave remaining. Transferred days may only be used for the personal illness of the requesting teacher.

If a transfer request is for multiple consecutive days the one (1) unpaid days criteria must be met only once per school year. In the event a teacher has been absent a minimum of ten (10) consecutive school days utilizing any combination of one's accumulated sick and personal leave and said absence has caused the teacher to exhaust all accumulated sick and personal days, the requirement of days without pay shall be waived.
 - e. Accumulated sick days will not be transferred from the account of a teacher who is leaving the employment of this School Corporation.
 - f. The Board will not contribute to the account of any teacher.
 - g. The maximum number of days which may be transferred to a teacher is the number of days required to carry him through the elimination period of the then existing long-term disability insurance policy.
 - h. Sick days may be transferred at a rate of one day per teacher per request. If a second request is made, the rate of one day per teacher per request shall apply.

The Board shall grant the Association three (3) days for the purpose of visiting the General Assembly while it is in session. The president of the Association shall submit the names of the teachers to visit the Legislature to the Superintendent two (2) days prior to such visitation. The Association shall pay the cost of the substitute teacher for the first such leave day, and the Board shall provide substitute teachers for the teachers released for the second and third such leave day.

I. Leave for the Association President

The Board shall release the Association president, or President's designee, five (5) days per school year. The released time shall be taken in full or one-half day increments. Such released time to conduct Association business shall be taken at the Association president's discretion, provided that the Superintendent's Office is notified two (2) days in

advance, except in case of emergency. The Association shall pay the cost of the substitute teacher who replaces the Association president when he/she is on released time.

M. Rights Upon Return From Leave of Absence

A teacher returning from a leave of absence shall be assigned to the same position held prior to the leave if it still exists. If the position no longer exists, the teacher will be assigned to an equivalent position within the scope of his/her certificate, and shall retain full credit for years of teaching service prior to the leave. Teachers returning from leaves of absence shall retain their status. A teacher on a full year or semester leave shall submit written notification of his/her intent to return or not to return to work at least thirty (30) calendar days prior to the end of the approved leave.

Article VII

GRIEVANCE PROCEDURE

A. Intent

This Grievance Procedure is intended to supplement, but not supplant, routine procedures for resolving personnel problems at the lowest possible administrative level. Nothing in this Contract shall prevent a teacher or group of teachers from seeking resolution of a complaint without recourse to this Grievance Procedure, as long as all resolutions are consistent with the terms of this master contract. The Grievance procedure shall be

employed only after other means to resolve problems satisfactorily have not been successful.

B. Definitions

2. A grievant must file a claim within fifteen (15) working days of the time he had knowledge, or reasonably should have had knowledge, of the act giving rise to the grievance. Any grievance not appealed to the next step of the procedure within the prescribed time limits shall be considered settled on the basis of the answer given in the preceding step.
3. A grievant may be represented at all stages of the grievance procedure by the Association. A representative of the Association shall be entitled to be present at all meetings or hearings of the formal Grievance Procedure. In all cases, however, the grievant must be present.

D. Procedures

1. **Informal Resolution:** when a teacher or group of teachers has a complaint, an informal conference with the Principal will be requested. Principals shall grant at least one (1) such conference. Additional conferences should be held if it appears that resolution of the complaint may be achieved without resort to the formal Grievance Procedure.

At any time within ten (10) working days after the last mutually agreed upon conference, the Grievance Procedure may be invoked if the complaint has not been resolved satisfactorily.

2. **Step 1. Formal Grievance:** a grievant may invoke the Grievance Procedure by filing a completed grievance form with the Principal. An information copy of the form will be sent to the Superintendent. Grievance forms will be provided by the

School Corporation and will be available at all school buildings. The grievant shall provide:

- b. The reasons why the Principal's proposed resolution of the complaint is unsatisfactory.
- c. The specific actions requested to remedy the grievance.
- d. A request for a formal conference with the Principal, if desired.

If the Principal so desires, he may request a conference with the grievant and the party in interest, if any. If either the grievant or the Principal requests a conference, the request shall be granted.

The Principal shall present a written decision to the grievant within ten (10) working days after receipt of the written grievance, or within ten (10) working days following a conference with the grievant, if such is held. Information copies of the decision shall be sent to the Superintendent and to any representative of the grievant.

3. **Step 2. Appeal:** within ten (10) working days after receiving the immediate supervisor's written decision, or if no decision has been made at Step 1 in the time period specified, the grievant may appeal in writing to the Superintendent.

Information shall include, in addition to that required in Step 1:

- a. The complete file of formal actions, supporting papers, memoranda, letters and other documentary materials constituting the record of Step 1.
- b. The reasons why the immediate supervisor's decision on the grievance is unacceptable.
- c. A request for a formal conference with the Superintendent, if desired.

If the Superintendent so desires, he may request a conference with the grievant and such other persons as may be involved or affected by the grievance. If either the grievant or the Superintendent requests a conference at Step 2, the request must be granted.

The Superintendent shall present a written decision to the grievant within ten (10) working days after receipt of the grievance appeal, or within ten (10) working days after a conference with the grievant, if such is held. Information copies of the decision shall be sent by the Superintendent to any representative of the grievant and to the party in interest, if any.

Appendix F

Terminal Pay Supplement Change

Beginning with the 2003-2004 contract, the terminal pay supplement was replaced with a matching annuity program. This program is outlined in the Teachers Contract (Article IV, page 4). The language below has been removed from the previous Teacher Contract but remains here in the Appendix as a record for those who were employed at the time. Those employees have the provision of being paid \$50 per unused sick day that was frozen as of June 2003, payable upon retirement. These provisions do not apply to individuals employed after June 30, 2003.

FROM ARTICLE IV, A (2012-2013)

A. Terminal Pay Supplement Change

A 401 (a) matching annuity program replaces the Terminal Pay Supplement plan beginning with the 2003-04 contract. The Terminal Pay Supplement plan is retained as Appendix G for future reference as needed to fulfill the provisions of this article. As used in this section, “matching annuity program” shall apply to any such program that satisfies the IRS definition of a qualifying 403(b) plan.

Existing teachers’ terminal pay supplement amounts will be calculated on June 30, 2003, and will be paid upon retirement following the guidelines listed below. SB199 pension bonds will be sold to fund the old terminal pay supplement unfunded liability. The proceeds from the pension bonds will provide these teachers with a predetermined severance amount upon retirement. The teacher’s amount will be the accumulated number of unused sick days (maximum 160 days) at \$50 per day on that date and the number of years experience at the end of the school year 2002-03 at \$250 per year (maximum \$7,500). Teachers must qualify under all terms of the Terminal Pay Supplement (Appendix G) to collect the severance pay upon retirement. The Section C Benefits Distribution paragraph 1 language is changed: The retirement severance pay amount will be a one-time payment upon retirement either as a cash settlement or a roll-over into an annuity program of the teacher’s choice. The sick day benefit will continue to accumulate as per Article VI, Leaves, Section G, Sick Leave, but the accumulated days above the amount frozen on June 30, 2003 will not have a severance pay value at retirement time. There will be a one-time buy-out option for teachers who had five or more years of service with the TCSC on June 30, 2003 for the \$250 per year (maximum \$7,500) of service at the discounted value. If the teacher elects this option, the corporation will transfer this amount into the teacher’s corporation annuity plan. Teachers will have until September 30, 2003 to select the buyout program.

Appendix G (formerly Article IV)

Terminal Pay Supplement

A. Eligibility

A permanent teacher having completed ten (10) consecutive years in this School Corporation immediately prior to retirement and having reached the age of fifty-five (55) shall be entitled to terminal pay supplement as outlined:

1. To be eligible for terminal pay supplement benefits, a teacher must submit, no later than June 1 of the year prior to taking retirement, a written notification to the superintendent of his/her intent to retire. The superintendent may, at his/her discretion, waive the required June 15 deadline upon request of the retiring teacher.
2. If a teacher eligible for terminal pay supplement is forced to retire because of accident or ill health supported by a signed statement of a medical doctor licensed to practice medicine in the State of Indiana, the Superintendent may waive the required notice of retirement.
3. Age fifty-five (55) shall be interpreted to mean the teacher has reached fifty-five (55) years of age on or before August 15 of the first year of said teacher's retirement.
4. In the case of part-time teachers, the terminal pay supplement will be prorated on the extent of the time they teach. For example, half time teachers will receive half of the terminal pay supplement for which they are eligible, 4/7 time teachers will receive 4/7's, etc. In case of fluctuating assignment, the stipend will be calculated on the highest percentage of employment of the last five (5) years.

B. Benefits

A permanent teacher who qualifies for benefits under this Article may elect:

1. a "one time" amount of two hundred fifty dollars (\$250) per year of service in the Tipton Community School Corporation, to a maximum of \$7,500; and
2. a sick day buy-back at the rate of fifty dollars (\$50.00) for each day of unused sick leave up to the maximum number of days as stipulated in Article VI, Section G, of this contract.

C. Benefits Distribution

1. The annual distribution of terminal pay shall not exceed four thousand dollars (\$4,000.00) per year until fully paid except as provided under paragraph D. Teacher's Estate.
2. A retired teacher may elect to receive cash payments and/or apply the terminal pay toward insurance premiums.

D. Teacher's Estate

If a teacher who was participating in this Terminal Pay Supplement Program dies before completion of said Program, any remaining stipend(s) which said teacher would have been entitled to receive had the teacher survived shall be paid to the teacher's estate in a single payment.
