 - a. A teacher who is in the first two full school years of instructing students who receives an evaluation rating of improvement necessary is eligible for a salary increase.
 - b. A teacher must be employed by MSD of Warren County for 120 days as a certified instructor in the previous year to be eligible for a salary increase.
 - c. A teacher who is currently receiving the highest salary commensurate with the teacher's educational attainment is not eligible for a salary increase.

B. FACTORS AND DEFINITIONS

1. Evaluation rating – The teachers who received a highly effective or effective evaluation for the prior year or a teacher who is in the first two full school years of instructing students who receive an evaluation rating of improvement necessary.
2. Education – The teacher attains a master's degree in a content area as defined by the Indiana Department of Education or attains twenty-four (24) hours towards a

content area master's degree. Notification should be given to the Office of the Superintendent, in writing, no later than August 1 in the year preceding such a change.

3. Academic Needs – The need to retain current teachers based on the academic needs of students in the school corporation.
4. Literacy Endorsement – Teachers who initially obtain a literacy endorsement or have not been previously compensated for earning a literacy endorsement. Notification should be given to the Office of the Superintendent, in writing, no later than August 1 in the year preceding such a change. Praxis results must be included.

C. WEIGHTS ASSIGNED TO EACH FACTOR

1. Evaluation Rating – \$1,000
2. Education – \$1,000
3. Academic Needs – \$500 for 2025-2026 and \$500 for 2026-2027
4. Literacy Endorsement - \$100

D. PLACEMENT ON SALARY SCHEDULE

Teachers who satisfy the academic needs factor will transition to the 2025-2026 salary schedule Appendix A in the same row and column, receiving a \$500 base salary increase. Following the 2025-2026 school year, teachers who satisfy the academic needs factor will transition to the 2026-2027 salary schedule Appendix A in the same row and column, receiving a \$500 base salary increase. Holding a literacy endorsement will transition the teachers to the corresponding literacy column which results in an additional \$100 base salary increase.

E. DISTRIBUTION AND MOVEMENT

1. Teacher in Bachelor's Column – A teacher in the Bachelor's column who satisfies the evaluation factor but does not possess a bachelor's degree plus an additional twenty-four (24) hours towards a content area master's degree will advance one row in the Bachelor's column.

The resulting increase of \$2,000 is attributed to 50% evaluation and 50% education.

3. Movement from Bachelor's Plus 24 Column to Master's Column – A teacher in the Bachelor's Plus 24 column who attains a content area master's degree as defined by the Indiana Department of Education will move diagonally from the Bachelor's Plus 24 column to the Master's column. The resulting increase of \$2,000 is attributed to 50% evaluation and 50% education.
4. In addition, the completion of the literacy endorsement will move the teacher into the adjoining literacy column which correlates to educational achievement. Bachelors would be Bachelor's with Literacy, Bachelor's +24 would be Bachelor's +24 with Literacy, and Master's would be Master's with Literacy. This movement would result in an increase of \$100 and the teacher would remain in a Literacy column each year moving forward.
5. Movement from Bachelor's Column to Master's Column is prohibited – No teacher may move from the Bachelor's Column to the Master's Column in one year. No returning teacher shall receive more than a base salary increase of \$2,600.

ARTICLE III

LEAVES OF ABSENCE

A. SICK LEAVE

1. Each certificated employee shall be entitled to be absent from work on account of illness for a total of ten (10) days in each year of employment in the Corporation without loss of compensation.
2. Teachers who are new to the district will have accumulated sick and/or personal days from previous school corporations transferred at a rate of three (3) per year after the first year of service within MSD of Warren County.
3. The total unused portion of the annual sick leave allowance shall be permitted to accumulate to a maximum of 185 days in this School Corporation. For those teachers who are at the maximum accumulated days, the Corporation agrees to pay \$125 per unused sick day into a tax-sheltered annuity for those unused sick days beyond the maximum of one hundred eighty-five (185) days for that school year. This benefit will be paid after the 2003-04 school year and thereafter. All payments made to the tax-sheltered annuity will be deducted from the "years of service" calculation portion of the severance pay upon the teacher's retirement.

B. FAMILY ILLNESS LEAVE

Teachers may use up to ten (10) days of the annual sick leave allotment for illness in the immediate family. Immediate family, for this provision, shall include only husband, wife, mother, father, brother, sister, son, daughter, stepchildren, foster children, and any person residing in the household. The superintendent may approve additional family illness days (from the teacher's sick leave accumulation) for extenuating circumstances. Examples of extenuating circumstances may include a member of the household near death, a serious accident or injury, etc. The superintendent may approve up to thirty (30) days and would need school board approval to grant days beyond the amount.

C. FMLA

1. Teachers on leave under this provision of the law shall have their premiums for LTD and Life insurance paid as per the Agreement.
2. Aggregate leave limits for husbands and wives shall not apply and both employees shall have the same twelve (12) weeks.
3. Family Medical Leave
 - a. Where indicated above, several leaves allowed under this agreement also qualify as leaves entitled to protection under the Family and Medical Leave Act (FMLA). All eligible teachers will be entitled to the maximum leave

allowed, when necessary, under the provisions of either the specific leave section listed above and/or the family leave section.

- b. Any unpaid leave of absence up to twelve (12) weeks in duration may be granted to eligible teachers for certain family or medical reasons. A teacher who has been employed for at least twelve (12) months before the leave request and who has worked at least 1,250 hours during the previous year is eligible for a leave of absence under this policy.

4. Qualifying Events

- a. FMLA leave entitlement will be given for any of the following qualifying reasons:
 - 1) Birth of the teacher's child, or the placement of a child for adoption or foster care, and first-year care of the child.
 - 2) To care for the teacher's spouse, child, or parent who has a serious health condition.
 - 3) For a serious health condition that causes the teacher to be unable to perform his/her job.
- b. Leaves may begin before the birth of a child if a medical condition exists that makes the teacher unable to perform the job or before the placement of a child for adoption or foster care if circumstances require absence from work for the placement to proceed. A teacher's entitlement to leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of the birth or placement.

- 5. Notice Requirement – If the leave is foreseeable, thirty (30) days written notice is required. Failure to provide thirty (30) days' notice for a foreseeable leave may cause the leave to be denied until thirty (30) days after the teacher first gave the required notice of the foreseeable leave. If the need for the leave is not foreseeable, the teacher must give notice to the office of the Superintendent as soon as possible.

- 6. Certification Requirement – Any teacher's request for leave due to a serious health condition or due to the serious health condition of a qualifying family member must be supported by a timely certification issued by a health care provider. The teacher must provide the requested medical certification within fifteen (15) calendar days after the request was made. If the Superintendent has reason to doubt the validity of the medical certification, the employee may be required to obtain a second opinion at the corporation's expense. Should any variance between the two medical certifications exist, a third opinion, at school corporation expense, may be requested. This opinion shall be final and binding. Failure to submit the required medical certification may result in the denial of the

leave or denial of the continuation of the leave. Recertification may be required on a reasonable basis. Medical certification shall be on forms provided by the school corporation.

7. Request Procedure – Requests for leaves of absence and extensions must be requested in writing and on the prescribed form available from the office of the Superintendent unless impossible due to an emergency.
8. Leave Substitution – Teachers will substitute accrued personal, sick, or other qualifying paid leave for all or part of the FMLA leave entitlement. This qualifying paid leave will be counted as part of the teacher's twelve (12) weeks of FMLA leave entitlement. However, the use of paid leave by the teacher under circumstances that do not qualify as FMLA leave cannot be counted against the twelve (12) weeks of FMLA leave.
9. Maintenance of Group Insurance – During the FMLA leave, eligible teachers may maintain coverage under the teacher's group health plan including teacher dental and vision coverage, life, accidental death, and dismemberment insurance at the same level and under the same conditions for which coverage would have been provided if the teacher had continued in active employment continuously for the duration of such leave. Teachers who contribute to such a group health plan must continue to make such contributions during the period of their leave to maintain coverage. The employer may recover the premium paid for maintaining a teacher's health plan coverage during any period of unpaid leave if the teacher fails to return from leave after the entitlement has expired, provided the teacher fails to return to work for a reason other than the continuation, recurrence or onset of a serious health condition that would entitle the teacher to leave, or other circumstances beyond the teacher's control.
10. Restoration to Position and Benefits – Eligible teachers returning from FMLA leave within twelve (12) weeks will be returned to the position that they held when they went on leave or they may be placed in equivalent positions with equivalent benefits, pay and other terms and conditions of employment.
11. Return to Work – Teachers returning from any form of leave of absence must be able to assume all the essential functions of their jobs upon return. As a condition to restoring a teacher whose leave was based on the teacher's own serious health condition, a such teacher must provide certification from the teacher's health care provider stating that the teacher can resume work.
12. Failure to Return from Leave – A teacher granted a leave of absence under this policy who fails to return to work upon expiration of the leave granted shall be classified as "voluntarily terminated."

13. Intermittent or Reduced Schedule Leave
 - a. During the first twelve (12) weeks of leave for serious health conditions (either a teacher's own or that of a qualifying family member), intermittent or reduced schedule leave may be taken when medically necessary. Teachers seeking intermittent or reduced schedule leave must produce medical certification issued by a health care provider. Teachers who have requested foreseeable intermittent or reduced schedule leave due to planned medical treatment may be transferred temporarily to an available alternative position at the discretion of the Superintendent if the alternative position better accommodates recurring periods of leave than the teacher's regular position, provided the teacher is qualified for the alternative position and the position has equivalent pay and benefits. Certified staff are required to take leave in half (.5) day increments.
 - b. Teachers requesting FMLA leave near the end of the academic term will be subject to special rules of the FMLA.
14. Leave Entitlement Period – The twelve (12) month period in which the twelve (12) weeks of FMLA leave entitlement occurs will consist of the twelve (12) month period measured forward from the date the teacher's FMLA leave begins.
15. Status Reports – During the leave, teachers may be required to provide periodic reports on his/her status and intent to return to work following the leave. The requested information must be provided within fifteen (15) days of the request.
16. Jointly Employed Spouses – A total of twelve (12) weeks of FMLA leave will be granted to jointly employed spouses regarding the birth or adoption of a child or to care for a sick parent. If the FMLA leave request is for their illness, each spouse would be entitled to twelve (12) weeks of FMLA leave.

D. PERSONAL LEAVE

Each certificated employee shall be entitled to four (4) days for the transaction of personal business and/or the conduct of personal or civic affairs during each year of employment. Certificated employees shall be allowed to accumulate personal business leave days to a maximum of six (6) days including the current year's allocation. Any use of personal leave days beyond three (3) consecutive days must be in writing with specific reasons. Approval of days over three (3) will be at the Superintendent's discretion but not to be arbitrarily refused. Personal leave is to be used for matters which cannot be scheduled outside of regular school hours and is not to be used as vacation or to extend a vacation. A written statement shall be submitted to the Superintendent of Schools in advance, if possible. After a teacher has accumulated the maximum number of personal days, the remaining personal days at the end of a given year are to be transferred to sick days. Teachers shall be permitted to take one-half (1/2) days of personal leave. Anyone requesting a personal day, the day before or the day after a vacation, must submit the

reason for the request in writing. Such personal days may be approved by the Superintendent.

E. BEREAVEMENT LEAVE

Teachers shall be allowed seven (7) consecutive calendar days without loss of pay for a death in the immediate family. This is to include husband, wife, father, mother, brother, sister, son, daughter, and stepchildren. Upon the death of grandparents, grandchildren, stepparents, father-in-law, mother-in-law, brother-in-law, sister-in-law, or other relatives living permanently in the teacher's home at the time of death, the teacher shall be permitted three (3) days of leave without loss of pay. Upon the death of uncles, aunts, nephews, nieces, and other dependents, the teacher shall be permitted one (1) day of leave without loss of pay. Additional days may be granted at the discretion of the Superintendent.

F. PREGNANCY / ADOPTIVE LEAVE

1. Any teacher who adopts a child or gives birth to a child is entitled to a leave of absence. This leave should be communicated to the Superintendent of M.S.D. of Warren County at least thirty days before the date on which he/she wishes to start the leave. In the case of adoption, the employee should also notify the corporation within seven days of notification by the adoption agency or court order of the date of adoption.
2. All or any portion of leave taken by a teacher because of the birth of a child or adoption of a child may be charged at his/her discretion to his/her available sick leave. After his/her available sick leave has been used, the teacher may be absent without pay, subject to subsection "C" beginning on page 7. This leave may be taken without jeopardy to re-employment, retirement, salary benefits, tenure, and seniority rights. Total pregnancy or adoptive leave may not exceed one year.

G. JURY DUTY

A teacher called for jury duty or to appear before any judicial or administrative tribunal shall be compensated fully; compensation shall be co-shared by the school and the judicial body up to the teachers per diem rate.

The teacher is further advised that said compensation for mileage paid by any judicial or administrative tribunal is to remain the sole possession of said teacher in addition to any other compensation.

H. ASSOCIATION LEAVE PAID

The Association shall have five (5) days to lobby the General Assembly to be used by the Association President and his/her designee. The Association President will be granted one (1) additional day each academic year for Association business. Additional

Association business days shall require submission to the Superintendent for his/her approval or disapproval.

I. OTHER LEAVES

Teachers needing special leave shall present their request through the building principal to the Superintendent. All leave will be decided by the Board individually on the merits of each case. The length of the leave and the decision to pay all or a portion of the health insurance will be left to the discretion of the School Board.

J. ASSOCIATION WORK LEAVE

A leave of absence, without pay, may be granted upon the approval of the Superintendent and the Board, to any teacher, upon application, to serve as an officer or staff member of the Association (State and/or National).

ARTICLE IV

SICK LEAVE BANK

A voluntary sick leave bank shall be established whereby a certificated school employee, who is absent from assigned duties due to personal illness and who has utilized all sick leave, personal leave, and all other paid leave benefits of whatever nature may petition a committee, as established herein, for sick leave days from the bank under the following conditions:

- A. The number of accumulated days in the bank shall not exceed one hundred seventy-five (175) days, provided, however, that (a) a veteran teacher who is not a current member of the bank may become a member by contributing one (1) sick leave day to the bank not earlier than August 1st nor later than September 15th of any school year, and (b) a teacher who is newly hired in this School Corporation shall have fifteen (15) days from the date of initial duty assignment, or until September 15th of any school year, whichever is later, during which time such teacher may choose to participate in the bank by contributing one (1) sick leave day, even though such contribution by the veteran or newly hired teacher would cause an accumulation of days over the maximum specified herein;
- B. Said teachers may be granted days from the bank under the following conditions:
 - 1. The teacher must have chosen to become a current member of and participate in the sick bank by contributing one (1) sick leave day to the bank not earlier than August 1st nor later than September 15th each year, and such day contributed shall be non-returnable to the teacher. However, if the number of accumulated days in the bank at the beginning of a school year is a sufficient number that a contribution of one (1) sick leave day by all teachers who are current members of the bank would cause the maximum number of days specified hereinabove in

Paragraph One (1) to be exceeded, the current year's contribution by all such current members shall be suspended, except that in case the bank is depleted during the school year, the current year's contribution shall be assessed at the time of such depletion;

2. The teacher must have utilized and exhausted all paid leave benefits of whatever nature, including said teacher's own accumulated sick leave and personal leave;
 3. Written certification will be provided from said teacher's physician substantiating the illness and certifying that the absence will continue during a period of at least five (5) consecutive days following the utilization and exhaustion of all said paid leave benefits as provided herein.
 4. Written application must be made no later than ten (10) days after exhaustion of said paid leave benefits; and
 5. The teacher must have been absent for at least five (5) consecutive duty days after the exhaustion of said paid leave benefits.
- C. A three (3) member sick leave bank committee shall be established to receive written requests and distribute days from the bank according to the provisions herein, under guidelines established by the committee. The committee shall be composed of two (2) people appointed by the Association and one (1) person appointed by the Superintendent. Days allotted by the committee to an individual teacher shall be available for use beginning after the fifth (5th) consecutive day of absence after exhaustion of the teacher's said paid leave benefits, and such allotment to an individual teacher by the committee shall not exceed a fixed maximum as is established by the committee. The committee shall be limited to a total allotment of one hundred seventy-five (175) days per year.
- D. Any days granted by the committee to an individual teacher shall terminate effectively the earliest date as hereinafter provided:
1. The day after the last day of the term of employment for the school year, or
 2. The day after the last day of the allotted number of days granted by the committee, or
 3. The first day of return to employment subsequent after the granting of days by the committee.
- E. If a member uses the Sick Leave Bank in one (1) school year period, that member must donate a minimum of one (1) day the following year to continue membership.
- F. Under unusual and extenuating circumstances, the MSD Board of Education may choose to grant additional days (beyond the 175) to be used as sick bank days.

3. Step Two

- c. The Superintendent or his designated representative shall give the employee an answer in writing no later than ten (10) teacher-working days after receipt of the written grievance. If further investigation is needed, additional time may be allowed by mutual agreement.

4. Step Three

- a. Within fifteen (15) days after receiving the decision from the Superintendent or his designated representative, an appeal of the decisions may be made to the Board. It shall be in writing and accompanied by a copy of the decision in Step Two.
- b. No later than fifteen (15) days after receiving the appeal, the Board shall schedule a hearing on the grievance at a regular or special meeting. All those listed in Step Two shall have a right to participate in this hearing. The hearing before the Board shall be private unless made public by mutual consent.
- d. The decision of the Board is the final step of this Grievance Procedure.

C. APPEARANCE AND REPRESENTATION

Hearings held under this procedure shall be conducted at a time and place designated by the Board, which will afford a fair and reasonable opportunity for all people, including witnesses, entitled to be present to attend. Such hearings shall be conducted in private sessions during non-school hours unless there is a mutual agreement for other arrangements.
2. The Board and the grievant are responsible for the payment of their representatives and witnesses involved in any grievance meeting.
3. If the grievance arises from an action of authority higher than the principal of a school, the grievant may present such a grievance at Step Two of this procedure.
4. The grievant shall be present at all steps of this Grievance Procedure. Failure to be present shall be considered a dismissal of the grievance submitted by the grievant.
5. If a grievance affects more than one (1) building or is the result of actions taken by the central office, then that grievance can be filed at Step Two with the Superintendent.

D. TIME LIMITS

1. Time limits provided in this Agreement may be extended by mutual agreement when signed by the parties.
2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall permit the grievant to submit an appeal at the next step of this procedure, provided the appeal is submitted within the time limit for said next step.

3. Within fifteen (15) teacher-working days after the hearing, the Board may, if requested, communicate the decision of the Board in writing and state the reasons, if any, to the aggrieved employee.
4. Neither party may present any material, allegations, or remedy that was not presented in Step Two without presenting the material, allegation, or remedy to the other party before the next step of the proceeding. Any grievance not advanced from one step to the next within the time limits of that step shall be deemed to have been resolved by the previous disposition.

2. The Board agrees to provide payment of the amount stipulated for a single plan for each of the two teachers who are married.
3. The Board agrees to provide the option of a Health Savings Account (HSA) effective January 1, 2011. The Board will annually determine the savings in premium for the election of the HSA when compared to the current hospital, surgical, and medical care type of insurance premium and deposit this amount (difference) into the teacher's savings account as established under the funding agreement by the HSA provider for the payment of qualified medical expenses. The payment of the above amount (difference) will be deposited into the teacher's

savings account on the date of the first payroll dispersed by the Board after the first day of each calendar year. The Board agrees to continue the payment towards meeting the HSA premium, for each full-time teacher employed under a regular teacher's contract as is articulated in ARTICLE VI FRINGE BENEFITS A. Item 1, in this section.

B. TERM LIFE INSURANCE

The Board shall pay toward the cost of a fifty thousand dollars (\$50,000) face value group term life insurance plan for the teacher. The Board shall pay all the costs except the teacher shall pay not less than one dollar (\$1.00) per year. If permitted by the insurance carrier, the employee shall be allowed to purchase additional life insurance at their own expense. When a teacher is absent between sixty (60) days and eighty (80) days the corporation shall mail the teacher the necessary information to apply for long-term disability.

C. IRS SECTION 125

A teacher may participate in this School Corporation's flexible benefits plan, with all user fees paid by the participating teacher(s). Such a plan shall be solely determined and adopted by the Board under the provisions of Section 125 of the Internal Revenue Service Code. The plan will provide for the following benefits, through salary reduction agreements: the employee share of group insurance premiums; medical care reimbursement accounts; dependent care assistance accounts; and other benefits provided through the plan.

D. LONG TERM DISABILITY

The Board will provide payroll deduction for all employees for a mandatory 90-day elimination period long-term disability insurance for each teacher employed under regular contract, with the teacher paying the full amount of the premium. For the sake of history, the contract will reflect the salary was increased by the amount of the disability premium and the total premium would be payroll deducted from the teachers' salaries. From this day on, the teacher shall have deducted the full cost of the LTD premium. Premiums will be calculated at an average of all certified personnel rather than individual teachers. This premium will change at the beginning of the school year with the increment and upon ratification each year.

E. MATCHING ANNUITY (403(b) Plan):

1. Level of the employer's contribution: The employer shall provide a tax-sheltered annuity plan for each full-time certified teacher and shall contribute the following dollar amounts annually on behalf of each such teacher who voluntarily contributes the required 100% match. The annual amount shall be divided by 26 and that amount shall be contributed bi-weekly to the approved vendor. If the selected vendor accepts bi-weekly payments, payments will be made accordingly.

The first installment will be made as soon as is feasible after enrollments are completed. Due to the complexity of annuities and W-2 forms, it is hereby agreed that the annuities will not be retroactive but will begin with the first pay period following the completed enrollment and will amount to 1/26 of the annual amount.

BS	\$500 annually
BS+24	\$750 annually
MS	\$1,000 annually

2. Section 403(b) Vendor Selection: The School Board shall have the final determination regarding the selection of a vendor; however, a Committee will be used as a vehicle to provide input regarding the selection. All participating teachers shall use the selected vendor.
3. Immediate Vesting: Once contributions are made by the employer on behalf of the employee, all assets of the accounts become the property of the employee, and, in the event of his/her death, his/her designated beneficiaries, or lacking same, estate.
4. Reduction to Severance Pay: The total dollar amount that the employer has contributed on behalf of an employee will be subtracted from the calculation of severance pay (years of service calculation and sick day calculation). If the amount deducted from part A (years of service) has been depleted the remaining principal paid by the Corporation on behalf of the employee shall be deducted from early retirement payments.
5. Voluntary Participation: Each full-time certified teacher may elect to participate. One enrollment opportunity will be given per year. If a teacher declines participation, he or she may not later elect to participate until the next year's enrollment period. Furthermore, a teacher who declines participation during one enrollment period is not entitled to recover the loss of matching funds during a subsequent year's participation.
6. Hold Harmless: Teachers who participate understand and agree that the School Corporation does not assume any responsibility or liability for the soundness of the investments or any losses that might occur because of those investments.

F. ACTIVITY PASSES

All certified personnel shall receive one athletic pass. The pass will not cover admission into sectionals and other such tournaments.

ARTICLE VII

RETIREMENT LEAVE PAY

A. SEVERANCE PAY

Retirement leave pay from M.S.D. of Warren County, Indiana, Corporation shall be determined as follows:

1. Notification of intention to retire from the M.S.D. of Warren County, Indiana must be given in writing to the Superintendent of Schools by May 1 of the year before the intention for retirement. The purpose of Retirement Leave Pay is to reward personnel who have devoted years towards teaching and are retiring from full-time teaching. The final decision regarding approval for retirement pay rests with the Board.
2. In case of illness or incapacity of spouse or teacher or other unforeseeable circumstances making early retirement necessary without a year's notice, retirement pay may be delayed one year until it can be budgeted by the school system.
3. To be eligible for Retirement Leave Benefits, a teacher must be at least fifty-five (55) years old and have been employed in the M.S.D. of Warren County, Indiana, organization for at least ten (10) years. Only that portion of the teaching time spent with the M.S.D. of Warren County, Indiana, shall be counted.
4. Retirement pay shall be determined as follows:
 - a) \$500 times the number of years worked in this School Corporation.
(Half-years will be included in the calculation)
 - b) \$125 times the number of accumulated sick/personal leave days.
5. In case of death by the teacher during the school year, the corporation shall endeavor to pay to the beneficiary/estate the full amount due with the final year's credit prorated as to the number of days worked as a percentage of days employed. A minimum of 120 days of teaching service is needed to constitute a year's service toward retirement. The calculation applies to a teacher who is eligible for full retirement benefits under TRF at the time of death or would be eligible for full retirement benefits at the end of the year in which death occurred.
6. The Board of Education shall examine each request for retirement pay to ensure the sincerity of actual retirement before approval. People retiring before age 55 must present evidence substantiating their withdrawal from the teaching profession to be eligible for retirement leave pay.

7. All but two thousand dollars (\$2,000) of severance at the teacher's discretion may be received in a lump sum payment. The teacher may choose to defer all or part of the total lump sum until January 1 of the year following his/her retirement.
8. A teacher's death before retirement age (55) will not be a retirement and retirement leave pay will not be made as detailed in items #4 and #5.

B. EARLY RETIREMENT

Following the fifty-fifth (55) birthday (and after a school year) and continuing until the teacher is eligible for Medicare benefits and/or the age of full Social Security benefits, a teacher who has taught a minimum of ten (10) full years in the M.S.D. of Warren County and is retiring from teaching as demonstrated by filing with the State Teacher Retirement Fund Office, would be eligible to receive the following early retirement benefits.

1. The retiring teacher would be eligible to receive \$10,000 per year towards his/her health insurance premium. The teacher may authorize MSD of Warren County to utilize these funds to offset the health insurance premiums for the group plan or to receive the balance of the account.
2. On or before July 1st of each year until the teacher is eligible for Medicare benefits and/or the age of full Social Security benefits, the retired teacher will decide the type of payment they prefer for the following year.
3. Cash payments would be made twice (2) a year on or about December 1st and June 30th.
4. The amount received in the first (1st) year would be the same for each succeeding year.
5. All compensation would cease when the retired person is eligible for Medicare benefits and/or the age of full Social Security benefits or upon the death of the person. The final year of the compensation would be prorated from July 1st until the birth date of the individual.
