In accordance with the Acts of 1973 Public Law No. 217, the Brownsburg Community School Corporation hereby recognizes the Brownsburg Classroom Teachers Association as the Exclusive Representative of certified teaching employees as defined in Public Law No. 217. All employees as defined in Public Law 217 in the Brownsburg Community School Corporation are members of the bargaining unit except for:

- Superintendent
- Assistant Superintendent
- Chief Operations Officer
- Chief Financial Officer
- Directors (Special Education, Human Resources, Harris Academy, BECC, ALPHA)

- Coordinators (Curriculum and Special Programs, Data and Assessment, Communications)
- Principals

- Secondary Department Heads (language arts, math, science, social studies, special education, world language)

DEFINITION

The term "teacher," when used in this contract, shall refer to all certificated personnel employed by the Board in the bargaining unit as defined in the "Recognition" section of this contract.

ARTICLE I: Teaching Days

Teacher contract days shall number one hundred eighty-five (185) days, one hundred eighty (180) while students are in attendance. There will be two (2) evening parent conferences each year. One day of the 185 contract days shall be a non-work day to compensate teachers for the two parent conference evenings. The number of days was not bargained and is only included for informational purposes.

ARTICLE II: Paid Time Off

- A. For the 2025-26 and 2026-27 school years, each teacher under contract shall be entitled to be absent from work due to illness, injury, or quarantine or family illness, or conducting of personal business and/or civic affairs for a total of twelve (12) paid time off (PTO) / attendance days each year without loss of compensation. If the teacher has accumulated leave days in the prior school corporation of employment the Board will transfer five (5) days per year starting with the first year of employment and continue doing so until all days have been transferred.
- B. A teacher may not use more than three (3) consecutive paid time off (PTO) days without prior approval or without providing documentation to their principal and/or Human Resources as to the reason for the absence.
- C. If a teacher uses Paid Time Off (PTO) on the day(s) immediately before or after any school-scheduled break (including three-day weekends), the teacher will be charged two (2) PTO days for each consecutive day used before or after the break. Exceptions may be granted in cases of extraordinary circumstances or emergencies. In the case of illness or injury, the teacher must provide timely documentation from a licensed health care provider to both the principal and Human Resources in order for the absence to be charged as one (1) PTO day. For evaluation purposes, paid time off days in these cases will only count as one (1) day.
- D. If during any one (1) school year the teacher was absent for such illness, injury, or quarantine or family illness, or conducting of personal business and/or civic affairs less than the stated number of days, the remaining days shall be accumulative to a total of one hundred eighty-five (185) days. Accumulated leave days may be used for the personal illness of the teacher and family as defined as husband, wife, son, daughter, stepchild, employee's former legal guardian, mother, father, father-

in-law, mother-in-law, stepparents, ward, or any person residing in the household for whom the employee is responsible.

- E. For those teachers who have accumulated leave at the end of each school year in excess of one hundred eighty-five (185) days, they will be reimbursed seventy-five dollars (\$75.00) for each day in excess of the one hundred eighty-five (185), with the maximum number of accumulated leave days to be reimbursed for any school year equal to twelve (12) days (or thirteen (13) for a teacher who teaches summer school during the particular school year), and an additional three (3) days if the teacher has leave days to transfer from a previous school corporation.
- F. Teachers on summer employment shall be eligible to use accumulated leave during the summer school schedule. A teaching day in summer school shall be equal to a regular school year teaching day. One additional paid leave day will be granted to teachers who teach summer school. If unused, that day will be transferred to the teacher's accumulative total.
- G. Any teacher who has been certified by a physician to be unable to perform his/her duties for medical reasons for a period of time extending beyond the teacher's accumulated leave days shall have a teaching position held for a period of time not to exceed one (1) full school year beyond the school year in which the disability was granted. During the disability a teacher may continue his/her wage-related benefits by paying the monthly premium to the school corporation's Human Resources office.
- H. Paid time off days will be re-evaluated after the 2026-27 contract year and if an excessive amount of paid time off days are used during the 2025-26 and 2026-27 contract years compared to prior years, it will revert back to the previous paid time off arrangement with sick and personal days.
- I. All paid time off will run concurrently with Family Medical Leave as appropriate.
- J. Catastrophic Illness and Injury Bank
A Catastrophic Illness and Injury Bank (CIIB) exists for all teachers who voluntarily contribute one (1) or more of their annual or accumulated sick leave days to such a bank.

The voluntary CIIB permits a teacher who is absent from assigned duties due to a catastrophic personal illness or debilitating injury and who has utilized all available paid time off, and all other paid leave benefits of whatever nature to petition for leave days from the CIIB under the following conditions:

- 1) In order to participate in the CIIB, a teacher must make his/her contribution within the first thirty (30) days of the school year or the first thirty (30) days after the ratification of the contract or the first thirty (30) days of employment.
- 2) Only those teachers who voluntarily contribute to the bank at least once as a teacher in BCSC may seek to derive benefits. Unused CIIB days in the bank will be carried forward into the next school year.
- 3) The CIIB will be administered by the Superintendent or the Superintendent's designee. A committee of three (3) teachers appointed by the Association will advise the administrator of the CIIB on the requests of those seeking its benefits. The Superintendent's decision about the application of use of the bank may be appealed to the Board of School Trustees within fifteen (15) days of receiving the written decision. The granting or denial of days from the CIIB is specifically excluded from the grievance procedure.
- 4) Should the CIIB committee determine that sufficient days exist, no contributions will be solicited from current CIIB members. If the reserve of benefit days of the CIIB becomes depleted in the course of a school year, additional contributions may be requested from all donors. If a teacher fails to make an additional contribution when requested his/her membership and access to the CIIB shall be terminated. If the teacher is currently accessing the CIIB at the time an additional contribution is requested or has no paid-days to contribute, he/she shall contribute an additional day at the beginning of the next school year. This contribution shall be made even if the teacher determines that he/she no longer wishes to participate in the CIIB and shall be in addition to any other voluntary contribution.
- 5) CIIB days may be accessed only after all of the teacher's own paid time off, and all other paid leave benefits of whatever nature have been exhausted.

- 6) Benefits from the CIIB can be used for the teacher's own catastrophic personal illness or debilitating injury or that of the spouse or dependent child which extends beyond forty (40) consecutive workdays. These requirements may be waived by the Superintendent.
- 7) After absence of forty (40) or more consecutive, uncompensated workdays for the same catastrophic personal illness or debilitating injury, the teacher may apply for a maximum of thirty (30) days from the CIIB. These days may be retroactive if the teacher's own leave days are exhausted. These requirements may be waived by the Superintendent.
- 8) The CIIB will be confined to the school year and will not be available to summer school teachers or those with extended contracts in the period before or beyond the one hundred eighty-five (185) day school year.
- 9) Benefit days may be granted for the period of disability when monies are being received from worker's compensation or short-term disability (STD). However, the total amount received shall not exceed the teacher's regular salary. Applicants may also be required to report income from other sources that are received because of the catastrophic personal illness or debilitating injury. Adjustments in benefits may be made in order that the total amount received does not exceed the teacher's regular salary.
- 10) All requests to the CIIB must be accompanied by a physician's signed statement confirming the catastrophic personal illness or debilitating injury.
- 11) In case of incapacitation, required paperwork for the CIIB may be submitted by the agent of or a member of the teacher's immediate family.
- 12) No more than thirty (30) CIIB days will be granted in response to one application, though teachers can re-apply for additional units of up to thirty (30) days. Once a teacher becomes eligible for long term disability (LTD), CIIB benefits end.
- 13) CIIB days will run concurrently with Family Medical Leave as appropriate.

ARTICLE III: Professional Leave

- A. All special education teachers, speech language pathologists, and ELL teachers will be entitled to one (1) day of paid professional service leave to review and prepare special education case conferences and IEP/ILP paperwork. This leave can be taken in blocks of half day, full day, or consecutive half days. These days must not be taken on a Monday or Friday. The teacher must be on BCSC property during this time and must attend PLCs. The leave must have the prior approval of the principal. The employee must complete all work requirements in attendance at a specific school. A substitute for the teacher is not guaranteed for inclusion positions. Every effort will be made to secure a substitute for the special education program teachers.

ARTICLE IV: Maternity Leave

Any teacher who is pregnant may continue in active employment as late into pregnancy as she desires, provided she is able to fulfill the requirements of her position. Temporary disabilities caused by pregnancy shall be governed by the following:

- A. Any teacher who is pregnant is entitled to a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth of the child, if, except in a medical emergency, she notifies the Superintendent of Schools at least thirty (30) days before the date on which she desires to start her leave. The teacher shall also notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately upon her request and certification of the emergency from an attending physician.
- B. Paid time off days taken in conjunction with the maternity leave may only be charged during the regular school term and only for days the teacher is medically restricted from work.

Rights existing at the time leave commences which arise from a teacher's:

- 1) teacher status;
- 2) accumulation of successive years of service;
- 3) service performed under a teacher's contract pursuant to I.C. 20-28-6-7, I.C. 20-28-6-7.5, I.C. 20-28-6-8; or

During the leave extending into part of a school year, a teacher shall accumulate paid time off in accordance with the negotiated agreement in the proportion to which the number of days the teacher is paid during such year for work or leave bears to the total number of days for which teachers are paid in the school corporation. All or part of a leave granted for pregnancy may be charged, at the teacher's discretion, to the teacher's available PTO days and/or accumulated leave days. However, the teacher is not entitled to take PTO days and/or accumulated leave days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay.

Maternity leave will run concurrently with Family Medical Leave as appropriate.

If a person needs more than the three (3) days, he/she may appeal to the Superintendent for a waiver of the limit. Leave forms must be filled out as usual for association leave. If travel farther than 75 miles is required for attendance at the funeral, teachers may receive three (3) rather than two (2) days of leave. The 75-mile radius shall be computed from the teacher's home. This leave must occur within ninety (90) days of the date of death.
- C. The ninety-day time limit may be waived by the Superintendent.
- D. In the event a legal holiday falls during the leave period, that day shall not count as one of the leave days. Should a make-up day fall on a legal holiday, it shall count as one of the leave days.

ARTICLE VII: Adoptive Leave

Upon the adoption of a child, the adoptive parent may use up to thirty (30) days of PTO days and/or accumulated leave days, if available. This leave may be taken beginning with the day the child is received. Unpaid leave may be taken for one year from the receipt of the child.

Adoptive leave will run concurrently with Family Medical Leave as appropriate.

ARTICLE XI: Parent Leave

Upon the birth of a baby, a parent may use up to twelve (12) PTO days and/or accumulated leave days, if available. This leave may be taken beginning with the day the baby is born. Unpaid leave may be taken for up to one year from the birth of the baby.

Parent leave will run concurrently with Family Medical Leave as appropriate.
