Effective August 1, 2013, the Board will contribute an amount equal to two and one half percent (2.5%) of each teacher's base salary annually into the 401 (a) plan on behalf of each teacher. Beginning August 1, 2022, the Board will contribute an amount equal to one and a half percent (1.5%) of each teacher's base salary and for teachers with twenty (20) or greater years of experience, an additional one percent (1%) of each teacher's base salary annually into the 401(a) plan on behalf of each teacher.

Article 6 Grievance Procedure

6.1 Definition

A grievance is hereby defined as a claim against, or a dispute with, the Board by a teacher or a group of teachers or the Association involving the interpretation or application of the express terms of this Agreement.

6.2 Purpose

The purpose of this grievance procedure is to settle in good faith, at the lowest possible administrative level, issues which may arise from time to time with respect to specific claims of violation, misapplication, or misinterpretation of the provisions of this Agreement. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

6.3 Grievance Filed by an Individual

Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted if the adjustment is not inconsistent with the terms of this Agreement, and the Association has been given an opportunity to be present at such adjustment.

6.4 Procedure

Grievances shall be handled in the following manner:

6.4.1 Step One

The aggrieved teacher shall first present the grievance to the building principal during non-teaching and non-preparation hours. The building principal shall verbally answer the grievance within one (1) working day after it is presented by the aggrieved teacher.

6.4.2 Step Two

If the grievance is not satisfactorily resolved in Step One, it shall be reduced to writing, and submitted to the building principal in a form mutually agreeable to the Board and Association.

It is understood that the grievance shall be presented in writing to the building principal by the aggrieved teacher within thirty (30) working days from the time

that the aggrieved teacher knew of the facts giving rise thereto.

Within five (5) working days after receiving the written grievance, the building principal shall communicate his answer in writing to the aggrieved teacher.

6.4.3 Step Three

If the grievance is not satisfactorily resolved in Step Two, it may be appealed within seven (7) working days to the Superintendent by submitting the written grievance to the Superintendent's office, which shall receipt therefore. Within ten (10) working days after receipt of the appealed grievance, the Superintendent or his designated representative shall communicate his answer in writing to the aggrieved teacher.

6.4.4 Step Four

Within ten (10) working days of receipt of the decision in Step Three, the Association may submit the grievance to advisory, non-binding arbitration. The Association shall notify the Board in writing of its intention to submit the matter to advisory, non-binding arbitration within this ten (10) working day period. After such notification, the following procedures shall be followed:

- A. The Arbitrator shall be selected by the American Arbitration Association in accordance with its rules, which shall likewise govern the arbitration hearing. The Arbitrator shall set forth his findings and conclusions on the issues submitted, and issue an advisory opinion on the grievance.
- B. The Board and the Association agree that neither party shall be permitted to assert in such arbitration proceeding any ground or to rely on any issues or contentions not previously disclosed to the other party.
- C. The fees and expenses of the arbitrator under this Article shall be divided equally between the Board and the Association. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the fees or expenses of witnesses called by the other.
- D. Within thirty (30) days of the receipt of the arbitrator's advisory opinion, the Board shall render its decision to accept or decline to accept such opinion at a regular or special meeting of the Board.

6.4.5 Step Five

Within ten (10) working days of receipt of the decision in Step Three, or if advisory, non-binding arbitration is used, within ten (10) working days of: (A) receipt by the Association of the Arbitrator's advisory opinion on the grievance, with which advisory opinion the Association disagrees or (B) receipt by the Association of written notification that the Board has voted to decline to accept the Arbitrator's advisory opinion on the grievance, the Association may file or pursue such grievance in any other forum which it believes is proper and necessary to resolve the grievance.

6.5 Arbitration

The arbitrator's jurisdiction shall be limited to rendering a decision of the grievance as defined in Section I, above. The arbitrator shall have no power to amend, add to, subtract from or supplement provisions of this Agreement.

6.6 Building Visits

The President of the Association, or their designated representative, shall be entitled to visit the building or buildings involved in a grievance to investigate the grievance and to confer with the aggrieved teacher. Such visits shall not be conducted in a manner which would interrupt regular classroom activities or otherwise interfere with teacher assignment at the time. The President or his designee shall report to the building principal before commencing such a visit.

6.7 Additional Provisions

6.7.1 Reprisals Forbidden

No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation, nor shall any record or reference to the exercise of the grievance procedure by a teacher be provided to any prospective employer of the teacher.

6.7.2 Violation of Timelines

In the event that a representative of the Board shall fail to respond to a grievance in any of the steps of the grievance procedure within the specified time limit, the grievance shall be deemed advanced to the next step of said procedure. In the

event that a grievance is not presented initially or advanced from one step to the next within the time specified above, it shall be deemed waived, provided, however, that such waiver shall not constitute a precedent with respect to any other grievance.

6.7.3 Definition of Working Day

The term "working days" as used in this Article shall be deemed to mean days on which school is in session during the regular school year. In the event that a grievance arises which cannot be processed in accordance with the time provisions of this Article prior to the termination of the regular school year, the term "working days" shall be deemed to mean the days Monday through Friday thereafter, except for legal holidays.

6.7.4 Grievance Files

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

6.7.5 Release from Duty for Arbitration

In the event that an arbitration hearing is conducted during the hours of the work day, the President of the Association or his designee and any teacher who is a witness shall be released from regular duties without loss of pay for purposes of appearing at the hearing.

6.7.6 Class Action Grievances

Grievances filed on behalf of itself and or a class of teachers shall be signed by the Association representative. When representing a "class" the individual teachers involved will be identified.

6.7.7 When a Grievance Filed Directly with the Superintendent

If a grievance arises that does not involve the exercise of the duties or responsibilities of a building principal, the grievance may be initiated at Step 3. In the event a grievance is initiated under this provision, the Superintendent shall have fifteen (15) working days to answer.

Article 7 Term Of Agreement

This Contract shall be effective as of July 1, 2025 and shall continue in effect through June 30, 2027.

All benefits contained in this agreement shall be retroactive to the appropriate effective date.

In witness whereof, the parties hereto have duly executed this Agreement this 13th day of October, 2025.

The undersigned attest to the following:

1. A public hearing was held in compliance with I.C. § 20-29-6-1(b) on September 8, 2025, and electronic participation from the parties and/or public was not permitted; and
