Scope of Agreement

ARTICLE IV
Insurance

4.1 **Health Insurance**. The employer will make available to its certified employees covered by this agreement, who serve fifty percent (50%) or more of full time equivalency, hospital, medical, and dental insurance and will pay premium costs as follows:

For Calendar Year 2025 and 2026:

- A. Single Plan. The employee will pay as per the insurance rate chart. (Exhibit A)
- B. Family Plan. The employee will pay as per the insurance rate chart. (Exhibit A)
- C. Both Spouses Employed by the School Corporation. Each will pay an amount equal to the amount paid by an employee on a single plan for family plan benefits.
- D. Part Time Employees. The insurance contribution is a proportionate sum based on the part time employee's FTE. The employer will pay as per the insurance premium chart LESS the percentage of FTE that the employee is not working. The employee will pay the difference.

The employee will participate at the fifty percent (50%) level for any funding change each ensuing year.

4.2 **Life Insurance**. Life insurance will be made available to employees who qualify under the master life policy. The life insurance amount will be in the sum of Twenty Thousand Dollars (\$20,000), which will be paid by the school corporation with the exception of \$1 per year per IC 5-10-8-2.6c. Additional life insurance coverage may be purchased in increments of Ten Thousand Dollars (\$10,000), at the expense of the participants.

4.3 **Long-Term Disability**. Long-term disability coverage will be provided for the certified teaching staff with the exception of \$1 per year per IC 5-10-8-2.6c. The coverage will provide Sixty-Six and Two-Thirds percent (66-2/3%) of monthly income, with a benefit elimination period of three months.

4.4 The benefits to employees of Section 125 of the Revenue Act of 1978 shall be made available to any teacher so requesting. An amount may be set aside by the employee for the selection of benefits, under Section 125 of the Internal Revenue Code, which are allowable non-taxable benefits for major medical, long-term disability, short-term disability, Section 79 life, AFLAC products, non-reimbursed medical and dependent care. The administration fees shall be

paid by the employee. Payroll deductions will be allowed for the Section 125 items listed above, but not for other after-tax products.

ARTICLE V *Leaves of Absence*

5.1 Paid Leave. Each teacher will be allocated twelve (12) days of paid leave at the beginning of the first year of employment and ten (10) days at the beginning of each year thereafter. These days will be used in modules of one-half day. For a teacher who is hired to teach less than a full school year, these paid days shall be prorated to the nearest one-half day. In the event a teacher fails to fulfill his/her contractual obligation, the Employer may prorate these paid leave days to the nearest one-half day. Any unused paid leave days will revert to the teacher's sick day accumulation. Unused sick days will be allowed to accumulate without limit. Teachers' pay checks will contain information regarding accumulated sick days.

5.2 Teachers hired for our Corporation, who have worked elsewhere in Indiana public school corporations, may transfer their accumulated sick leave to the La Porte Community School Corporation. As per statute, this accumulated sick leave from other school corporations shall be added to accumulated sick leave beginning with the second year at the rate of three (3) days each year until accumulation is exhausted.

5.3 Family and Medical Leave. FMLA leaves may be granted for any reason provided for in the Family and Medical Leave Act.

Any leave covered by the conditions outlined in the FMLA will be considered an FMLA leave. Available and applicable, sick, paid leave, or other paid days must be used concurrently for any FMLA leave.

The provisions of the Family and Medical Leave Act shall govern all aspects of those leaves falling under its provisions. During the twelve (12) week period of leave or any portion thereunder covered by the Family and Medical Leave Act, La Porte Community School Corporation and the employee will continue to pay their respective portions of benefits for the employee as though the employee were not on leave.

The provisions of any leave covered by the Family and Medical Leave Act shall be done in accordance with said Act and its regulations.

5.4 Funeral Leave. A maximum of five (5) working days funeral leave shall be granted without reduction in pay by reason of death of a husband, wife, brother, sister, father, mother, mother-in-law, father-in-law, son or daughter, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, and/or any person who has lived in the teacher's home as a member of the family. Additional days may be granted by the Superintendent, depending on travel and circumstances.

5.5 Jury Duty . Teachers serving on a jury will be paid the difference between their regular pay on a per diem basis and the per diem pay received as a juror, provided evidence is received from the Court Bailiff as to the amount received for jury duty.

5.6 Teachers suffering injury arising from assault on their persons, while on a school assignment, shall sustain no loss in salary by reason of their absence resulting from such injury, nor shall such absence be counted against their accumulated sick leave, payments to be made hereunder not to exceed one hundred eighty (180) school days by reason of any one assault.

5.7 The President and Vice President of the La Porte Federation of Teachers will each be granted up to five (5) paid Federation days for Federation business each school year to conduct Federation business, meet with the Employer, investigate teacher complaints or problems, and review the administration of this Agreement. In addition, the President may designate any other members of the bargaining unit to conduct Federation business for an additional ten (10) paid Federation days. The Federation agrees to pay any substitute teachers' wages after the first ten (10) Federation days have been used. Up to three (3) teachers will be granted Federation days on any given day—additional teachers with prior approval of the Superintendent. When using Federation days, and when selecting the teachers who will use Federation days, the Federation will be sensitive to the need for qualified substitutes. It is recognized that there may be circumstances in which the President and Vice President will attend to Federation business on their planning time, and, in an emergency, may answer questions and converse briefly with a teacher during non-planning time. The Federation and the Employer will work together to resolve scheduling conflicts which would result in interference with the normal operations of the schools or the conduct of Federation business.

ARTICLE VI

Sick Leave Bank

6.1 Participation . Any member of the bargaining unit may participate in the sick leave bank by contributing one day of sick leave during an enrollment period lasting from the first day of the school year until the 15th of October.

A member of the bargaining unit who has joined the sick leave bank shall continue to be a member until such time as he/she is no longer employed by the La Porte Community School Corporation or submits a written statement to the sick leave bank committee requesting that he/she be removed from the roll of participants in the bank, or he/she is no longer a member of the bargaining unit. Sick leave days on deposit with the bank shall not be returned in any of these instances.

In the event that the number of days in the sick leave bank falls to thirty percent (30%) of its total at the end of the yearly enrollment period, each member shall contribute one additional day. Such additional contributions may be required only twice in any school year. In addition to the donation of one day for membership in the sick leave bank, a member may at any time donate any number of additional days to the bank.

Members of the bank who make a withdrawal shall repay the bank at the rate of three (3) sick leave days per year. These days shall be deducted on the first working day of the school year. Withdrawal from participation in the bank shall not relieve a former member from replacing days that he/she may have been awarded.

Members of the sick leave bank who are unable to contribute days to the bank when it is depleted, as described above, shall be required to contribute appropriate days as soon as they are earned in order to remain members in good standing of the bank.

6.2 Using Days from Sick Leave Bank. A member requesting days from the sick leave bank shall complete the application form with supporting evidence from the member's physician, and forward the same to the sick leave bank committee. The sick leave bank committee shall have the responsibility to either grant or deny the request.

Participants may be granted sick leave from the bank if the member has depleted his/her own sick leave. No applicant may have outstanding more than sixty (60) sick leave days borrowed from the sick leave bank. Whenever an applicant is eligible to receive benefits from the Corporation's long-term disability plan, the applicant will not be eligible for sick leave bank benefits. At any reasonable time during the duration of a loan period, the sick leave bank committee may request appropriate documentation to determine the current condition of the applicant and to guarantee the continuation of the loan period. Should the applicant refuse to provide the requested documentation, the committee may elect to cancel the loan.

Sick leave bank benefits will take effect on the sixth (6th) paid day after the applicant's own sick days have been used up. Payments for sick leave allocated to an employee by the sick leave bank committee shall be paid in the same manner as payment for ordinary wages and/or the employee's own accumulated sick leave.

It is understood that the sick leave bank is intended for recovery from illness and injuries of the members.

6.3 Sick Leave Bank Committee. A sick leave bank committee consisting of four (4) members appointed by the Federation and an administrator designated by the Superintendent shall establish procedures for and administer the program. Teacher members serving on the committee shall be one elementary, one middle school, one high school, and one at-large. Appointment of teacher members to the committee shall be on a rotating basis, with no more than one member's term expiring in a given school year. Should two or more members be eligible simultaneously for retirement from the committee, the selection of one member to retire shall be determined by lottery. The senior member of the committee shall serve as chairperson.

The sick leave bank committee shall inform the Federation and the School Corporation in writing of any decision of the committee granting or denying a request to withdraw from the sick leave bank, the need to have additional contributions, and, at the start of the school year, the names of those members, along with the amount of sick leave days, who will be repaying sick leave days to the sick leave bank. An annual report of the experience of the committee shall be provided to the Federation and the

Corporation of the full activities of the sick leave bank committee before July 1 of each year. The Superintendent and the President of the Federation may review the records at any time. A worksheet which identifies whether a teacher is a member of the Sick Leave Bank, and, if so, identifies the number of days the teacher may owe to the Sick Leave Bank, will be given to teachers at the beginning of the school year.

6.4 Disagreement with Decisions of Committee. Any member having a complaint or objection to the procedure of the sick leave bank committee may file said complaint or objection with the Superintendent of Schools and the President of the Federation for submission to the respective negotiating teams.

Any member having a complaint or objection to a decision of the sick leave bank committee may file said complaint or objection with the committee along with additional information regarding the need for benefits from the sick leave bank. Such objecting applicant may also request a meeting with the sick leave bank committee to present his/her case for benefits. The decision of the committee shall be final.

ARTICLE VII

Severance Pay

7.1 A teacher with ten(10) or more years of service in a contracted teaching position with the La Porte Community School Corporation, who dies while employed by the corporation, or who retires at the age of fifty (50) or older, shall be paid twenty percent (20%) of the teacher's daily rate of pay multiplied by the number of days of accumulated sick leave.

ARTICLE XI

Grievance Procedure

11.1 The purpose of this procedure is to secure, at the lowest possible administrative level, solutions to the problems which may arise from time to time.

11.2 A grievance is defined as any difference that arises between the Employer and the Federation or one or more employees, involving an alleged violation, misinterpretation, or misapplication of this agreement between the parties.

11.3 A grievant shall mean either (1) an individual employee, (2) a group of employees having the same grievance, or (3) the Federation.

11.4 Level 1. Any employee within the bargaining unit may present a grievance orally to his Principal or Supervisor within thirty (30) days of the time when the grievant knew, or should have known, of the event or condition leading to the grievance.

11.5 If the grievance is not satisfactorily resolved within two (2) days, the grievant shall, within twenty (20) days of a denial of the oral grievance, submit the complaint in writing to the Principal or Supervisor on the form designated as Exhibit E-1. The Principal or Supervisor may request a meeting with the grievant and/or a Federation representative (if the grievant so desires) prior to his/her decision, but, in any event, such Principal or Supervisor must render his/her decision, in writing, with copies to the grievant and the Federation President within five (5) days of the submission to him/her of the grievance.

11.6 Level 2. If the grievance is not resolved satisfactorily at Level 1, the Federation may appeal to the Superintendent or his/her designated representative in writing, using the form designated as Exhibit E-2. A Level 2 grievance must be filed within ten (10) working days from the date of the Level 1 written response. The Superintendent or his/her designated representative shall communicate his/her decision in writing to the Federation President within five (5) days after the receipt of the grievance. If upon receipt of the grievance either party requests a meeting, it shall be scheduled within three (3) days.

11.7 Level 3. In the event the grievance is not resolved in Level 2 above, either party may make a request in writing for arbitration of the grievance within twenty-five (25) working days from the date of the written decision of the Superintendent. The Federal Mediation and Conciliation Service or American Arbitration Association will submit the names of five (5) qualified arbitrators to the parties, and the parties shall select the arbitrator to hear the complaint by alternately striking one name from such list of arbitrators until only one name remains and such remaining name shall be the arbitrator. The party to strike a name first shall be determined by lot or agreement. A copy of Exhibit E-3 shall be sent to the other party. This level will not apply to reduction in force actions relating to administrative and/or fiscal decisions. If contract procedure is not followed, the teacher would have arbitration rights granted by existing contract language.

11.8 The arbitrator shall have no authority to amend, revise, or delete any provision of this agreement and shall consider only the issue submitted to him/her for determination. The arbitrator's decision shall be final and binding on both parties. The fee of the arbitrator, including his/her expenses, shall be paid by the unsuccessful party.

11.9 The time limits specified in any step of this procedure may be extended in any specific instance only by mutual agreement in writing by both parties at the level concerned.

11.10 Grievances not fully processed at the end of the regular school year will be processed to a conclusion within the number of days required for the various grievance procedure steps, regardless of there being no school days. Saturdays and Sundays shall not be considered in totaling the number of days for each step.

11.11 The grievances shall be recorded in a grievance file which shall be maintained in the Educational Services Center.

11.12 All written grievances shall designate the article allegedly being violated.

11.13 Each party shall be responsible for compensating its own representatives and witnesses in attendance at the arbitration hearing; however, teachers in attendance at such arbitration hearings may use their personal business days to the extent that they are available, in order to receive compensation for such attendance.

11.14 Level 3 does not apply to teacher dismissal or teacher discipline matters.
