GRIEVANCE PROCEDURE

This Grievance Procedure, herein referred to as "Procedure", stipulates the conditions under and the procedures by which grievances alleged by certain Certificated School Employees as defined in this Contract shall be processed. Such grievances shall be submitted to the following grievance procedures.

A. DEFINITIONS.

1. A "Grievance" is a claim by one (1) or more Teachers of violation of a specific Article or section of this written Contract, except where such Article or section is exempt from this procedure.
2. The term "Superintendent" means the chief administrative officer of the School Corporation, or any person(s) designated by him to act on his behalf in dealing with Certificated School Employees.
3. The term "Teacher" includes any individual or group of individuals within the bargaining unit.
4. The term "day" when used in this ARTICLE shall be school teaching days. During the summer recess, the term shall mean weekdays.
5. The term "Association Representative" when used in this ARTICLE shall mean a member of the Southeast Dubois County Classroom Teachers Association.

B. The purpose of this grievance procedure is to settle equitably, at the lowest possible administrative level, issues which may arise from time to time with respect to specific claims of violation of this Contract. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

C. This grievance procedure shall not be used to appeal Teacher dismissal.

D. PROCEDURE.

1. The number of days indicated at each level shall be considered as maximum and every effort shall be made to expedite the process. The time limits may be extended by mutual consent in writing by authorized representatives of each party.

2. LEVEL ONE.

A Teacher with a grievance may initiate this procedure in the following way:

- a. He may approach the immediate supervisor concerned and discuss the matter on his own behalf.

- b. After said discussion, should no satisfactory resolution of the grievance be arrived at, he shall then take the grievance before the Association Grievance Committee, which shall evaluate the grievance, and make recommendations to the grievant concerning the disposition of the grievance. The Association shall have the right to make the ultimate determination of the final disposition of said grievance.
- c. In the event that steps "a." and "b." above are unsuccessful the grievant through the Association may file a formal grievance in writing on the form shown in APPENDIX A. This form shall be filed in quadruplicate with one (1) copy to the Association, one (1) to the grievant, one (1) to the immediate supervisor, and one (1) to the Superintendent. A formal grievance shall be filed as soon as possible but in no event longer than twenty (20) days after disclosure of the facts giving rise to the grievance.
- d. Within five (5) days of the filing of the formal grievance in writing, a meeting shall take place between the immediate supervisor concerned, the grievant, and the Association Representative, and an answer to the grievance shall be given to the grievant in writing within seven (7) days, from said meeting, but if no answer is given within said seven (7) days, the grievant through the Association may proceed to Level Two.

3. LEVEL TWO.

If the grievance is not settled at Level One, it may be appealed to the Superintendent stating the grounds for the appeal. A meeting with the Superintendent shall be held within ten (10) days and the Superintendent shall indicate his disposition to the grievance in writing within ten (10) days from said hearing.

4. LEVEL THREE.

Within ten (10) working days after receiving the decision of the Superintendent or within ten (10) days of the date on which the Superintendent was required to render a decision, whichever occurs first, the grievance may be submitted to advisory arbitration. The grievant, through the Association, shall notify the School Board in writing, of his intention to submit the matter to advisory arbitration within this ten (10) day period.

- a. Within fifteen (15) days thereafter, the Board and the Association shall each select a representative to serve on the Advisory Arbitration Panel, with one (1) of the two (2) permanent Advisory Arbitration Panel Chairpersons named in this Procedure. This Panel of three (3) shall render an advisory opinion within thirty (30) days of the date on which the record is closed in the proceedings. The advisory opinion of the Panel shall be in writing, signed by the Chairperson of the Advisory Arbitration Panel, with copies to the Board and to the Association and the grievant.

b. SELECTION OF THE ADVISORY PANEL CHAIRPERSONS.

The parties shall initiate selection of Advisory Arbitration Panel Chairpersons by exchanging lists of names of potential arbitrators by an agreed-upon date. Following

such exchange of names, the parties' representatives shall meet to attempt to decide upon a permanent arbitrator(s) to be named in this grievance procedure for the term of this Contract. In the event that the parties cannot agree upon a person(s) from the lists, a neutral party shall be requested to provide an additional one (1) or two (2) names of potential Advisory Arbitration Panel Chairpersons depending upon the necessary number to insure a list totaling an appropriate number which would permit an equal number of strikes by each party to arrive at the necessary one (1) or two (2) persons for service as Chairperson of the Advisory Arbitration Panel. The parties shall select by alternately striking names from the list. The party who shall strike the first name shall be determined by a coin flip. The last one (1) or two (2) name(s) remaining on the list, whichever is appropriate, after the parties have each struck an equal number of names, shall be permanent Chairpersons of the Advisory Arbitration Panel. It is understood by the parties that only one (1) of the two (2) persons named as said Chairperson shall in fact act in the capacity in processing a given grievance and it is not the intent of the parties that Co-Chairpersons, a team approach or other manner of deployment of two (2) such Chairpersons be employed in this procedure. Nor is it contemplated that the persons named herein as Chairpersons of the Advisory Arbitration panel be alternated or used in some "pattern" necessarily. It is contemplated by the parties hereto that the decision as to who shall sit as Chairperson in a given grievance situation will be determined by availability, workload and other pragmatic factors bearing upon the parties' desires to expedite receipt of the Panel's opinion and Board Decision on the matter.

If the selected Chairperson(s) is/are unable to serve, either: (1) a new list shall be provided by each party and the process of selection repeated, or (2) the Board and the grievant may mutually agree to number the names of the suggested Chairpersons of the Advisory Arbitration Panel in reverse order of their being struck, and appoint the first available preference(s) as the selected Chairperson(s) for the term of the Contract.

- c. It is understood by the parties that only one (1) Chairperson shall be involved in a given grievance proceeding at any one (1) time. In the event that one or both Chairpersons are unable to continue in the position, the parties shall meet at a mutually agreeable time to select successors to complete the term of the Contract in the position of Chairperson(s) of the Advisory Arbitration Panel.
- d. In making its advisory opinion, the Advisory Arbitration Panel may consider only the subject of the written grievance, the facts elicited by the Panel through testimony or signed affidavit and/or the transcript, if any, of the committee meeting held in Level Two.
- e. The Advisory Arbitration Panel shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Contract in reaching its opinion on whether or not the Board has violated the express Article or section of this Contract named in the written grievance.

- f. The fees and expense of the Chairperson of the Advisory Arbitration Panel shall be shared equally by the Board and the grievant. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

5. LEVEL FOUR.

- a. The Board shall consider and render its decision on the written grievance not later than thirty (30) days following receipt of the opinion of the Advisory Arbitration Panel.
- b. In rendering its decision, the School Board may consider the evidence examined by the Advisory Arbitration Panel, the opinion of the Advisory Arbitration Panel, and further evidence which may be placed before it.

The Board may implement the opinion of the Advisory Arbitration Panel in whole or in part, or may reject or accept the same. In considering its decision, the Board may meet with the Association and administration representatives to discuss possible alternatives, so long as the alternatives are not inconsistent with the terms of this Contract.

- c. The decision of the Board shall be final and binding on the Association, its members, the Teacher or Teachers involved, and upon the Board.

6. OTHER PROVISIONS RELATING TO THE GRIEVANCE PROCEDURE.

- a. There shall be no additional evidence, material allegation, or remedy submitted by the grievant or his representative during the grievance process, once a formal grievance has been filed at Formal Level One.
- b. No reprisal of any kind may be taken by or against any participant in the grievance procedure by reason of such participation.
- c. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participant and are not valid basis for evaluations or consideration of awarding any professional advantage to such Teacher.
- d. Any hearing at the Informal Level and at Formal Level One, Level Two, and Level Three shall be held during non-teaching hours unless otherwise directed by the Board.
- e. No Permanent or Semi-permanent or Non-permanent employee shall use this Procedure to dispute any action by the Board which is applicable to Public Law 110.
- f. No Certificated School Employee shall use this procedure to appeal any decision by the Board or administration if such decision is applicable to a State or Federal Regulatory Commission or Agency.

7. If needed, the Chairperson of The American Advisory Arbitration Panel shall be contacted by either party.
