- 3. To facilitate the retiree's financial transition, a teacher shall provide the Human Resources Department with written notification by no later than March 1 of the school year in which the teacher intends to leave the employ of the Board. The teacher must be at least fifty-five (55) years of age by the end of August and must have taught a minimum of fifteen (15) years for the Board. The Board shall make the first such payment in January following the teacher's retirement and shall continue to make this payment each January thereafter until such time as the teacher is no longer entitled to receive the payment.
- 2. In the event a teacher who was otherwise eligible to participate in the group health insurance plan as a retiree is not enrolled in the group health insurance plan, the Board shall deposit two thousand three hundred and 00/100 dollars (\$2,300) into the teacher's VEBA each January. The Board's obligation to make this payment shall end upon the teacher reaching the age of sixty-five (65) or upon their death.
- 3. During the year in which the teacher becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq., the amount of the Board's payment to the

teacher set out in Paragraphs 1 & 2 above will be prorated based upon the teacher's month of birth.

4. Should a teacher choose not to participate in the group health insurance plan at the time of retirement, the teacher will not be eligible to participate in the group health insurance plan at any time in the future.
5. The Board shall provide to a teacher who has accrued a minimum of fifteen (15) years of service in the employ of the Board, and who is at least fifty-five (55) years of age by the end of August in the year of retirement a group life insurance policy with a face value of three thousand and 00/100 dollars (\$3,000). The Board's obligation to provide this group life insurance policy shall continue until such time as the teacher reaches the age of seventy-five (75).
6. A teacher, upon retirement, may continue to be a member of the group health, dental, and vision insurance programs until the teacher becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395, et seq., provided that the teacher has either fifteen (15) years of service for the Board or ten (10) years of service for the Board and is sixty (60) years of age. The teacher shall be responsible for paying the total cost of the group insurance premiums, consistent with the terms of this Agreement. A retired teacher who has maintained group insurance coverage under the terms of this Agreement may, upon becoming eligible for Medicare coverage, continue coverage for a younger spouse for a maximum of three (3) years or until the spouse becomes eligible for Medicare coverage, whichever comes first, by paying the total cost of the group insurance premiums.
7. Upon the death of an eligible teacher who had notified the Human Resources Department of their intent to retire, the Board will make a lump sum payment distribution to be included on the final paycheck.

Payment may be made on a monthly basis if paid in advance of the month of coverage. At the teacher's option, payment may also be made on a quarterly basis.

Upon proof of loss, the Board shall reimburse a teacher for the replacement or repair of any personal items (not covered by their insurance) which are damaged or destroyed as a result of an unprovoked assault upon their person by a student or outsider. This provision shall only apply when such an assault occurs on school property and when the teacher is performing their duties as prescribed by Board policies and/or procedures.
- 4. The Board shall reimburse a teacher for damages sustained to the teacher's clothing, eyeglasses, and wristwatches, provided such damages are not due to the normal wear and tear that could be expected to occur during assigned duties. The following criteria must be met:

If adequate personal business leave is unavailable, the absence will be charged as unpaid and handled according to Article IV.A.7.

A teacher wishing to participate must donate such days by submitting the appropriate form to the Business Office on or before September 30th (or closest business day) for the 2025-2026 school year. Teachers who are employed less than full-time shall donate days on a prorated basis and receive borrowed days on a prorated basis. If a participating teacher's bank of paid sick days is depleted at the time of enrollment, the teacher may instead donate accrued personal business leave. However, no participating teacher may borrow personal business days to enroll in the Sick Leave Bank. At the conclusion of each school year, the Sick Leave Bank's unused days will be carried over to the next school year.
4. Participating teachers will not be required to donate additional days to the Sick Day Bank unless the Board and the Association agree that additional donations are necessary to keep the Sick Leave Bank operative.
5. All donated days are a permanent contribution to the Sick Leave Bank and are not transferable to another school corporation should a participating teacher leave their employment with the Board.
6. The Board agrees to contribute to the Sick Leave Bank a matching number of sick leave days equivalent to one-half (1/2) of the total number of days that are donated by participating teachers.
7. Participating teachers may apply to borrow days from the Sick Leave Bank by

submitting the appropriate form to the Human Resources Department. The teacher's accumulated sick leave must be exhausted prior to borrowing days from the Sick Leave Bank.

9. Teachers who participate in the Sick Leave Bank are only allowed to use donated sick leave for extended FMLA, presuming their individual sick leave has been exhausted. If the teacher has transferable sick leave days from another Indiana school corporation, they must first exhaust that balance prior to utilizing the Sick Leave Bank.
