ARTICLE II

GRIEVANCE PROCEDURE

I. DEFINITIONS

- A. "Grievance" means, and shall be limited to, an alleged violation of a specific Article or Section of this written Contract, except where such Article or Section is exempt from this procedure.
- B. "Superintendent" means the chief administrative officer of the School Corporation, or any person (s) designated by the Superintendent to act on the Superintendent's behalf in dealing with school employees.
- C. "Grievant" means the teacher and/or the Association directly affected by the alleged violation, making the claim.
- D. "Principal" means the head building administrator or the immediate supervisor of the teacher or any person (s) designated to act on behalf of the principal or immediate supervisor in dealing with school employees.

II. PROCEDURE FOR RESOLVING GRIEVANCES

- A. The time limits may be extended by mutual written consent of each party at each level.

B. Procedural Steps

1. Level I

The teacher/teachers/Association must tell the administrator that they are starting the grievance procedure. The teacher/teachers who feels that he or she has been subjected to a violation, misinterpretation or inequitable application of this Contract, shall first take the matter up orally, either personally or accompanied by a RECTA member, with the building principal or his/her designee within ten (10) working days following the discovery of this act or condition which is the basis for the grievance. The principal and the allegedly aggrieved teacher (s) or Association shall seek to resolve the matter. If the principal/principal's designee or teacher/teachers/Association should be absent, the principal/principal's designee or teacher/teachers/Association shall be given an additional one (1) day after that person's return. All resolution of grievances at level I must be reduced to writing.

2. Level II

If Level I fails to resolve the grievance, the teacher/teachers/Association shall, within five (5) working days, reduce the grievance to writing, indicating the section of this Contract which allegedly has been violated, the events, details, and conditions surrounding the alleged violation, and the remedy sought. The written grievance shall be submitted to the building principal.

3. Level III

Within five (5) working days of receipt of the written grievance, the building principal will arrange a personal conference with the intent of resolving the grievance. Such conferences will be scheduled at a time when there is no disruption of the normal school day and the duties of the teacher/teachers.

4. Level IV

Within five (5) working days after the conference, the building principal shall answer the grievance in writing.

5. Level V

If the grievance is not appealed from the written answer within five (5) working days after receipt of such an answer, the decision of the building principal will be considered final.

6. Level VI

If the teacher/teachers/Association does not find the written answer of the building principal satisfactory, the grievance may be appealed to the Superintendent of Schools by sending such notice in writing to him/her within five (5) working days from the date of the written decision by the building principal.

7. Level VII

Within ten (10) working days after the receipt of the written appeal, the Superintendent or his/her designee shall arrange a personal conference with the intent of resolving the grievance. The conference will be scheduled at a time when there is no disruption of the normal school day and duties of the teacher/teachers. The teacher/teachers/Association shall have the right to have representation at this conference.

8. Level VIII

Within ten (10) working days following the conference, the Superintendent or his/her designated representative shall answer such grievances in writing.

9. Level IX

Such answer to the grievance shall be final and binding unless appealed in writing to the Board President or delivered to the Superintendent's Office within ten (10) working days from the date of the Superintendent's written decision.

10. Level X

Within twenty-one (21) working days from the receipt of the appeal by the grievant, the Board shall act upon the grievance. If the grievance cannot be resolved to the satisfaction of the parties involved, the Board shall hold a hearing. At a Board hearing, the grievant has the option of having an RECTA member/representative present. The Superintendent shall be notified at least 48 hours in advance before the hearing if the teacher/teachers are to be represented at the hearing.

11. **Level XI**

As to all grievances concerning matters involving the interpretation and application of the expressed provisions of the Master Contract, the decision of the Board shall be final unless otherwise provided by law. If the decision of the Board is not satisfactory to the grievant with respect to the grievance involving the interpretation and application of the expressed provisions of this Master Contract, nothing herein contained is intended to or shall prevent the grievant from processing such grievance in accordance with the procedures described by applicable law. The Board, however, reserves all rights granted to it under any law or laws as to procedure and appeal and hereby makes no agreement as to submission of any such grievance to arbitration.

C. Miscellaneous

1. Decisions rendered at all levels of this procedure shall be in writing.
2. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the grievant.
3. Four (4) copies of all forms for filing grievances and other related documents shall be made: file copy, principal's copy, grievant's copy, and association's copy.
4. Failure at any level of this procedure to render a decision on a grievance within the specified time limits shall be deemed a denial and shall permit the grievance to proceed to the next level, unless said time limits are extended by mutual consent of both parties. However, the grievance must be appealed by the grievance to the next level within the specified time limit for that level, or said grievance shall be deemed resolved by the school employer's answer at the previous level and abandoned.
5. No teacher/teachers shall use this procedure to appeal any decision by the school employer or administration if such decision is the result of the application of state or federal rules, regulations, or laws.
6. Teachers, as defined in IC 20-28-5 and IC 20-29, shall follow all legal written and oral directives by the administration even if such directives are allegedly in conflict with this Contract. Compliance with such directives will not in any way prejudice the certificated school employee's right to file a grievance within the time limits herein, nor shall compliance affect the ultimate resolution of the grievance.

ARTICLE III

COMPENSATION

I. COMPENSATION PLAN

Indiana State Teacher Retirement Fund (ISTRF) Payment by Employer: In addition to the compensation provided to teachers pursuant to the Contract, the Board agrees to pay directly to the ISTRF the 3% ISTR contribution required of teachers, but not to exceed 3% of said compensation.

Base Salary Increases

A. Base salaries will be capped at \$65,000 for teachers holding a Bachelor's degree and at \$75,000 for those having a Master's degree.

2. A teacher who is in the first two full years of instructing students and receives an evaluation rating of 'Improvement Necessary' is eligible for a salary increase.

C. Factors and definitions:

Transitioning from an Emergency License to a Licensed Teacher) will be added to the base for meeting instructional leadership requirements. This must be provided to the Central office by November 30, 2025, and then, before the beginning of the school year thereafter, be included in the base salary.

4. This base salary increase will be retroactive to July 1, 2025, and will be added to checks starting with the January 2026 payroll.
5. Once a teacher reaches the base salary cap (\$65,000 for Bachelor's and \$75,000 for Master's), the amount over the cap will be paid as a stipend. Pay stipend in full in January 2026.

E. Redistribution:

Based on anticipated evaluation results, the parties believe that all funds will be distributed and that no redistribution will be necessary. However, if funds were otherwise allocated to teachers rated Improvement Necessary or Ineffective, those funds will be redistributed to all eligible teachers as a stipend.

II. SALARY FOR A TEACHER NEW TO RESC

- A. The beginning base salary for a newly hired teacher with a Bachelor's degree and no prior teaching experience will be \$46,500 for the 2025-2026 school year.
- B. The beginning base salary for a newly hired teacher with a master's degree and no prior teaching experience will be \$48,500 for the 2025-2026 school year.
- C. Newly hired teachers with prior experience will be paid at a starting level as follows:
 1. The new teacher will be placed at the same education and experience level as the current teacher at that education and experience level.
 2. If there are multiple current teachers at the same experience and education level as the new hire, but having different salaries, the salary placement will be determined by averaging the different salaries.
 3. In the event there are no current teachers at the same education and experience level, the salary will be determined in the following manner:
 - a. Determine the next lowest and next highest salary levels (of current teachers) within which the new teacher will be placed.
 - b. Calculate the difference between the next lowest and next highest salary levels (using the higher of any multiple salaries at the same experience level).
 - c. Divide this difference by the number of levels (years of experience) between the two levels.
 - d. Add this quotient to the lower of the two salary levels for each year of experience between the two levels.

- D. Despite the new hire placement process above, the Superintendent may deviate from the rules above by increasing the base pay determination above by up to three thousand five hundred dollars (\$3,500). If the Superintendent exercises this option, he/she will notify the Association or designee. Any deviation from the new hire placement process above shall be subject to the approval of the Board of School Trustees of Randolph Eastern School Corporation.

III. STIPENDS

The parties agree that the schedule of stipends for extracurricular and co-curricular duties for the term of this agreement is listed in Appendix A.

Teachers hired for an extracurricular position (coaches and sponsors) will be paid in a lump sum at the conclusion of the season (coaches) or the school year (sponsors). Extracurricular payment will be paid with the first payroll after duties have been fulfilled and the Athletic Director or Principal has provided authorization.

IV. RE-EMPLOYMENT OF RETIRED TEACHERS

Teachers who have officially retired under the provisions of Indiana law and have begun to draw upon earned benefits from the Indiana Teachers' Retirement Fund or a similar retirement fund from another state may be employed or re-employed by the Board at the sole discretion of the Board. Such retired persons who are employed under the provisions of IC 5-10.2-4-8 shall be paid at a base salary mutually agreed upon by the teacher and Board, not to exceed the average current full-time teacher base salary. Persons employed under said provisions shall receive no additional benefits other than those explicitly required by applicable state and/or federal law.

V. BACKGROUND CHECKS

The Corporation shall pay for the cost of any and all expanded criminal history checks and expanded child protection index checks for bargaining unit members that are required by the Corporation or per IC 20-26-5-10.

VI. ADDITIONAL WAGE-RELATED INFORMATION

The salary increases specified for the 2025 - 2026 school year CBA become effective as of July 1, 2025, unless otherwise noted. The pay retroactive to July will start being reflected in the January 2026 payroll.

Teachers will have twenty-six (26) pay periods for the 2025-2026 school year. Teachers will have the option of receiving compensation in twenty (20) pay periods.

If an individual contract is extended, the teacher will be paid \$225.00 a day. This will be paid upon proper documentation of the days when they are provided to the Central Office in the summer.

All other ECA and Athletic Positions will be paid once proper documentation from the Athletic Director or Principal is provided, confirming that all duties have been completed.

VII. PAY DURING INJURY

- A. The employer carries compensation and liability insurance on all employees covered by the Master Contract. If an employee is injured while engaged in the performance of his/her duty, he/she may be entitled to compensation for doctor bills, hospital costs, and loss of wages as covered by Worker's Compensation Insurance.
- B. In addition, in the case of a compensable work-related injury, the employer will reimburse the injured employee the difference between his/her regular salary and the amount received from Workers Compensation Insurance until all sick leave days are used or to the end of the employee's contract, whichever comes first.
- C. The percentage of the employee's normal salary paid each day receiving Workers Compensation Insurance, will determine the number of sick days used. Example: If the normal wage rate is \$50 per day, the employer pays \$400, and the Worker's Compensation pays \$100 during a ten-day period, 80% of the salary is paid by the employer. Then 80% times, the ten days is eight days of sick leave that would be charged against the teacher's available sick leave.

VIII. PAY FOR USE OF AUTO

The employer will pay any employee covered by this Master Contract for the use of his/her auto. If approved mileage, the rate will be the maximum cents per mile allowable by the Internal Revenue Service, defined as non-taxable reimbursement, rounded down to the nearest whole cent.

IX. RETIREMENT

A. Eligibility

- 1. To be eligible, a teacher must meet all of the following requirements and provisions:
 - a. Be at least 55 years of age during the school year for which the teacher applies to retire; and
 - b. Have not less than fifteen (15) years of teaching experience; and
 - c. Have sent a binding letter of intent to retire to the Superintendent by April 1st the year of retirement; and

B. Provide written evidence of permanent retirement from teaching. Notification and Benefits

- 1. A teacher electing to retire from this school corporation must notify the school corporation, in writing, of their intent, no later than January 1st of the last year of service. The prior end-of-year Teacher Intent Form will serve as this non-binding notice. The Teacher Intent Form shall be jointly developed and included in the contract.
- 2. On or before April 1, the retiring teacher will submit a binding letter of retirement to the school corporation.

3. If, because of an accident, personal injury, or other conditions or circumstances beyond the control of or through no fault or condition of the teacher, the teacher is required to resign from teaching during the school year in the case of a health condition approved by a medical doctor, notice may be waived.
4. An individual who is employed as a bargaining unit member at the time of retirement from employment will be eligible for the following benefits, provided the teacher has otherwise satisfied the requirements and conditions described below.

Group Health Insurance

Immediately following severance, the teacher and his/her dependent(s), if any, shall have the option of remaining in the Corporation's current group health insurance plan if all of the following conditions are met as of the date of severance and thereafter:

- a. While the retired teacher and dependent(s), if any, remain enrolled in the health insurance plan, the retired teacher and dependent(s) shall pay the entire insurance premium applicable to the insurance coverage, with the premium payment to be made monthly for each succeeding year.
- b. Within ninety (90) days of the severance date, the teacher has provided a written request to the School Corporation for continuing insurance coverage for the teacher and dependent(s), if any.
- c. When a retired teacher first becomes eligible for Medicare, the teacher's eligibility to continue to participate in the Corporation's group health insurance plan shall terminate, if not earlier terminated according to applicable law. (The same termination of eligibility shall also apply when a retired teacher's dependent first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to continue health insurance for the teacher and spouse, including, if otherwise applicable, Indiana Code 5-10-8-2.6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage as required by COBRA.

X. RETIREMENT/SEVERANCE SAVINGS PLAN

A. 403 (b) Annuity Plan

1. Each teacher may elect to make a salary reduction election and make tax-deferred contributions to a plan described in section 403(b) of the Internal Revenue Code (the "Code") to the maximum limits allowed by the Code. The Board shall forward salary reduction money to the appropriate vendor each month.
2. The teacher's contribution to the 403(b) program shall vest immediately.
3. The school corporation shall maintain a list of approved investment vendors for the salary reduction contributions made to the 403(b) Plan.

B. Retirement Savings 401(a) Annuity Plan

1. The school corporation shall establish a qualified retirement plan as described in section 401(a) of the Code.

At the end of the completed contract year, the Board agrees to contribute into each individual's separate 401(a) account \$1000 provided that the individual teacher contributed a matching amount to the 403(b). There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan. The single investment vendor for the 401(a) plan shall be VALIC.

Each bargaining unit member shall be 100% vested in these individual 401(a) accounts upon signing the 6th consecutive contract with the Corporation. All employees currently on the 403(b) schedule from the previous contract will continue their current placement on the schedule.

C. Retirement Savings VEBA Plan

1. The school corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501(c) (9) of the Code. The Board agrees to contribute:

Eighty dollars (\$80.00) per day of unused sick leave up to a maximum of 10 days per year for any teacher electing to cash out sick leave days in excess of 75 pursuant to this provision. The contribution will be made by the end of the contractual year. The election for this will be put on the Yearly Intent Form. The Board contribution under this provision shall be immediately vested and portable.

Upon retirement of any teacher that serves Randolph Eastern School Corporation for a minimum of fifteen (15) years, the school corporation agrees to contribute Seventy Dollars (\$70.00) per day of unused sick days up to a maximum of 75 days. This contribution shall occur by July 31st of the year in which the teacher retires.

2. There will be no commingling of accounts, and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the VEBA Plan. The single investment vendor for the VEBA Plan shall be VALIC.

ARTICLE IV

FRINGE BENEFITS

I. LEAVES

A. Annual Flexible Leave Allotment

1. Annual Flexible Leave Allotment - Per the current contract, teachers are allotted 14 flexible leave days per school year, which may be used for any reason. However, no more than three consecutive days, or a day before/after a school break, may be taken without medical documentation unless otherwise approved by the building-level administration after they check the master sub schedule and absence history. All leave must be requested using the leave form, and unused flex days will be rolled over into the teacher's accumulated sick days at the end of each school year.

2. **Use of Sick Days After Flex Day Exhaustion** - Once a teacher has used their 14 flexible leave days, additional days off can only be taken for illness, and teachers may only use their accumulated sick leave for illness. A doctor's note will be required for all days taken beyond the allotted 14 flex days. Teachers can also use up to ten (5) accumulated sick days per year for family illness, applicable to family members as defined in the contract. This must be indicated on the sick day form.
3. **Accumulation of Sick Leave** - Teachers may accumulate unused sick leave for up to 90 days. Accumulated sick leave may only be used for personal or family illness as specified in the contract. Accumulated sick leave cannot be used for other purposes unless the school board approves otherwise.
4. **Family Illness Days** - After exhausting all flex days, a teacher may use up to 5 sick days for family illness. Family members covered under this provision include any relative or dependent living within the teacher's household and spouses, children, parents, in-laws, siblings, grandparents, grandchildren, and domestic partners, regardless of living arrangements.
5. **Approval for Non-Illness Leave** - If a teacher has exhausted their 14 flex days and wishes to take additional leave for reasons other than illness, they must gain approval from the school board. Unauthorized absences or absences beyond the allotted flex days will be subject to progressive disciplinary measures.
6. **Progressive Disciplinary Measures for Excessive Absences** - Teachers with a pattern of unauthorized or excessive absences beyond the 14 flex days will follow the progressive attendance steps outlined below:
 - i. Verbal counseling/oral warning given before the 14th flex day.
 - ii. Written warning. (A formal notice will be given on the 15th day. This notice serves as a warning that continued infractions will not be tolerated and may result in a recommendation for discharge.
 - iii. Probation, as determined by the supervisor. (Continued excessive Absences beyond the 14 flex days with no doctor's note or prior approval, as outlined, may result in probation.)
 - iv. Suspension without pay at the teacher's daily rate (per Indiana law). (Continued absences beyond the 14 flex days with no doctor's note or prior approval may result in suspension without pay at the teacher's daily rate.
 - v. Termination (per Indiana law). (Excessive absences that do follow the procedure above can lead to a termination of employment.)

Note: Pay may be docked at your daily rate for unauthorized days after 14 flex days that are part of your accumulated sick days.

Medical Documentation

After the use of all 14 flex days, teachers must provide a doctor's note for any additional sick leave taken or follow the steps described above for prior authorization.

B. Sick Leave Bank

The Sick Leave Bank is not designed to give unlimited sick leave to all teachers. Its primary purpose is to give a teacher substantial income protection in the event of a medical catastrophe and offer a bridge to long-term disability if necessary. It is also designed to provide a maximum benefit to teachers who have utilized the regular sick leave days in a professional manner.

A voluntary sick leave bank shall be established whereby a teacher, as defined herein in Article I, who is absent from assigned duties due to personal illness and who has utilized all sick leave and personal leave, may petition a committee, as established herein, for sick leave days from the bank under the following conditions:

Employee eligibility and contributions:

1. The number of accumulated days in the bank shall not exceed one hundred eighty (180) days. The sick leave bank eligibility period shall not be earlier than August 1 and not later than September 15 of any year. A teacher may join the sick leave bank by: (a) contributing one (1) sick day to the bank during their initial eligibility period of their first year, and contributing sick days to the bank when assessments are required; (b) A teacher who is not a current member of the bank may become a member by contributing one (1) sick leave day to the bank and any additional days that have been assessed following the 2000-01 contract year, or their date of hire following the 2000-01 contract year; (c) A teacher who is newly hired in the School Corporation shall have fifteen (15) days from the date of hire, or until September 15th of any school year, whichever is later; and (d) Retirees may contribute up to 3 days from their sick leave upon retirement. Contribution of days by a newly joined veteran teacher or newly hired teacher may cause an accumulation of days to be in excess of the maximum specified herein. All days contributed to the sick leave bank are nonrefundable.
2. The said employee may be granted days from the bank under the following conditions:
 - a. The teacher must have chosen to become a current member of and participate as established in B, 1 above. However, in the event that the number of accumulated days in the bank at the beginning of a school year is sufficient number that a contribution of one (1) sick leave day by all teachers who are current members of the bank would cause the maximum number of days specified hereinabove in Paragraph One (1) to be exceeded, the current year's contribution by all such current members shall be suspended, except that in case the bank is depleted during the school year, the current year's contribution shall be assessed at the time of such depletion;
 - b. The teacher must have utilized and exhausted all paid leaves applicable to personal illness of whatever nature, including said teacher's own accumulated sick leave and personal leave;
 - c. Written certification will be provided from said teacher's physician substantiating the illness and certifying that the absence will continue during a period of at least twenty (20) consecutive days following the utilization and exhaustion of all said paid leave as provided herein. The Corporation may request a review of medical records pertaining to the medical condition

by the Corporation physician and/or an examination of the employee by the Corporation physician at the Employer's expense prior to dispersal of sick leave bank days.

- d. Written application must be made no later than twelve (12) days after exhaustion of said paid leave benefits;
 - e. The teacher must have been absent for at least (10) consecutive days after exhaustion of said paid leave benefits. Said ten (10) consecutive days of absence must be taken as unpaid leave, and sick leave bank days shall be applied upon the eleventh (11th) day of absence. The ten (10) days of unpaid leave shall apply for each separate case of a teacher's qualifying as a medical catastrophe.
 - f. The teacher may return to work on a partial schedule with written certification provided by said teacher's physician stating that the teacher is able to work a modified schedule. Partial day withdrawals from the sick leave bank in the event of a modified work schedule shall be taken in half($\frac{1}{2}$) day units.
3. A five (5) member sick leave bank committee shall be established to receive written requests and allot days from the bank according to the provisions herein, under guidelines established by the committee. The committee shall be composed of three (3) persons appointed by the Association and two (2) persons appointed by the Superintendent. All committee members shall be certificated personnel in the Randolph Eastern School Corporation.

Days allotted by the committee to an individual teacher shall be available with the eleventh (11th) consecutive day of absence after exhaustion of the employee's said leave payments, and such allotment to an individual teacher by the committee shall not exceed a fixed maximum as is established by the committee. The committee shall be limited to an allotment not to exceed the lesser of ninety (90) days or the number of days necessary to provide a daily salary until the elimination period for the Corporation's long term disability plan has been satisfied for the applying teacher, and to a total allotment not to exceed one hundred eighty (180) days for all teachers in any school year. Once a participant is eligible for long-term disability, the participant must elect long-term disability and is no longer permitted to use the sick leave bank while on long-term disability.

Sick leave bank enrollment records, deduction of sick leave days in accordance with this contract, payment of sick leave bank days per committee allotment, and other necessary record keeping shall be maintained in the Superintendent's office. Records and procedures shall be in compliance with the Indiana State Board of Accounts rules and regulations.

4. Any days granted by the committee to an individual teacher shall terminate effective the earliest date as hereinafter provided:
- a. The day after the last day of the term of employment for the school year, or
 - b. The day after the last day of the allotted number of days granted by the committee, or
 - c. The first day of return of full-time employment subsequent to the granting of days by the committee.

C. Funeral Leave

1. Teachers shall be granted funeral leave up to five (5) working days, but not to exceed thirty (30) consecutive calendar days after a death in the immediate family. The "immediate family" is interpreted as being father, mother, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, wife, husband, son, daughter, son-in-law, daughter-in-law, aunt, uncle, grandchild, step-grandchild, grandparent, stepchild, step-parents, and legal guardians of both employee and spouse and any person living as a permanent member of the teacher's household.
2. One (1) day of leave of absence is granted to attend the funeral of any relative, in-law, or friend not covered in #1 above.
