3. The Board will pay for the purchase of the Corporation's life insurance program. The teacher shall pay one dollar (\$1.00).

B. Health Insurance

1. The Corporation shall contribute the following amounts to the health insurance plan (effective October 1, 2025):

	PPO Plans	HDHP Plans
Employee	\$8,525.00	\$8,189.00
Employee/Child	\$14,489.00	\$13,949.00
Employee/Spouse	\$18,760.00	\$18,067.00
Employee/Dependents	\$24,767.00	\$23,818.00
Plan 1 PPO-Corp Pays	65.5%	65.5%
Plan 2 PPO-Corp Pays	70.2%	70.2%
Plan 3 HDHP-Corp Pays	80.0%	80.0%
Plan 4 HDHP-Corp Pays	101.0%	101.0%

Plan 4 HDHP – any additional amount over the total premium will result in an employer contribution to the employee's HSA account.

2. Part-time teachers employed half-time or more and employed under regular contract may receive the School Corporation's contribution for the health insurance program in increments of fourths, equal to the number of fourths of the total day worked by the teacher.
3. For any teacher employed after August 1, 2015, the teacher's spouse will be considered ineligible for coverage through the EHSC medical plan if 1) the spouse is eligible for coverage through his/her employer's medical plan, or 2) the spouse is eligible for Medicare coverage.
4. Teachers on leave of absence or laid-off may continue to participate in the Health-Hospitalization part of the insurance program by the payment of the total cost on a monthly basis. No insurance will be available if the teacher or the teacher's dependent is eligible for Medicare or Medicaid.

C. Section 125

Eastern Howard School Corporation teachers in the medical insurance program will be enrolled under Section 125 for premium payments. Other options (medical spending and child care) will also be available to teachers.

D. Long Term Disability

1. Any full-time teacher employed under regular contract may have long-term disability insurance paid by the School Corporation, up to \$75.
2. The Long Term Disability contract will require a 3-month Qualifying Period from the date of disability; during which time if available, the teacher may draw upon accumulated sick leave. However, once Long Term Disability benefits begin, sick pay will stop, as both cannot be drawn at the same time.
3. This provision shall not apply nor be available for teachers working fewer than three and one-half (3 ½) hours per day for the basic school year.

Per North Central Indiana School Insurance Trust consortium rules, employees who are resigning or being dismissed may retain insurance coverage through the end of the month in which they worked their final day. For example, if June 5th was the final day worked, the employee may retain coverage until June 30. COBRA coverage will be available until other coverage begins or for 18 months, whichever occurs first. New hires to EHSC will be eligible for insurance coverage on October 1, or the first of the month following completion of 30 days worked, whichever is later unless the new employee has a qualifying event that would enable them to begin EHSC coverage sooner.

ARTICLE XI COMPENSATION MODEL

Substitute Teachers who have retired from an accredited public school and meet the Rule of 85 (at least 55 years of age) with 30 years of service will earn \$85.00 per day. Beginning with the 16th day of consecutive service in the classroom to fulfill a long-term absence, a substitute teacher who holds a teaching license will earn \$150.00 per day with no additional benefits.

Eastern Howard School Corporation Compensation Model

1. Range

a) The salary range for 2023-25 contract was \$43,000-\$72,000. The range for 2025-26 after increases will be \$45,000-\$74,000 in compliance with IC 20-28-9-26.

2. Placement

a) New hires will be placed in the placement schedule at the row that equates to their years of experience. A new hire with a Master's Degree will be placed in the salary schedule in the same manner described above and will be eligible for the \$1,500 annual stipend as described in Article VII (D).

b) The Superintendent will be granted leeway in new hire placement, as follows:

- i) The Superintendent may hire staff at a reduced salary if Superintendent and EHCTA President are in agreement.
- ii) The Superintendent may hire staff at a salary above where they would normally be placed if it is deemed necessary based on the academic need of the school corporation if the Superintendent and EHCTA President are in agreement.

3. Salary Increases

a) Eligibility

- i) In order to be eligible for salary increases under this compensation plan, a teacher must not have received an evaluation rating of Needs Improvement or Ineffective during the preceding school year, unless that teacher is eligible per IC

20-28-9-1.5 (d).

b) Factors

- i) Evaluation – Defined as not having received an evaluation rating of Needs Improvement or Ineffective on his/her evaluation for the previous school year.
- ii) Experience – Defined as meeting the INPRS rules for a year of service during

the previous school year and continuing to be employed by Eastern Howard School Corporation for the current school year.
iii) Academic need - Initial possession of Literacy Endorsement on teaching license by contract ratification date.

c) Distribution

i) For the 2025-2026 school year, eligible teachers will receive an increase of \$3,500 based on the following factors:

- 1) Evaluation - \$1,500
- 2) Experience - \$1,500
- 3) Academic Need - \$500

ii) Teachers receiving the maximum salary in the prior year will receive the equivalent of the bargained base increase as a stipend if they meet the factors of evaluation and experience each year, as defined in the model above.

d) Redistribution

i) Money that would have increased the base salary of a teacher rated Needs Improvement or Ineffective will be redistributed equally to the teachers who received a qualifying evaluation rating as a one-time stipend.

4. Partial Contracts

a) Compensation earned by a teacher on a partial contract will be awarded on a pro-rata basis.

New Hire Salaries:

The Superintendent will determine the starting salary of newly hired teachers within the salary bands specified in above (45,000-74,000), based on the teacher's years of experience and educational attainment.

The salary for new hires with verified teaching experience or additional educational attainment will be determined by the Superintendent within the salary range identified in Section A, above.

ARTICLE XII GRIEVANCE PROCEDURE

Definitions

1. Grievance--A claim by a teacher or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this contract.
2. Teacher is any person expressly covered by this Agreement.
3. An aggrieved party is a teacher or group of teachers who submit a grievance, or on whose behalf a grievance is submitted.

Submission of Grievance

Before a submission of a written grievance, the aggrieved party must attempt to resolve the grievance informally with the grievant's immediate supervisor.

Each grievance shall be submitted in writing on a form approved by the Board and the Association and shall identify the aggrieved party, the provisions of this Agreement involved in the grievance, the time when and the place where the alleged event or conditions constituting the grievance existed and, if known, the identity of the person responsible for causing such events or conditions and a general statement of a grievance and regress sought by the aggrieved party. Prescribed forms will be available for teacher reference through the Association.

A grievance shall be deemed waived unless it is submitted within fourteen (14) school days after the aggrieved party, or Association knew of the events or conditions on which the grievance is based.

4. A teacher or group of teachers may submit grievances which affect them personally and shall submit such grievances to the building principal. The grievant(s) and the Association will be present at all meetings to resolve the grievance.
5. The Association shall submit a grievance which involves a teacher or group of teachers and is limited in effect to one school directly to the building principal of that school. Otherwise, the grievance shall be submitted directly to the superintendent of schools.

Procedure

The building principal shall respond in writing within five (5) school days to each grievance filed at his/her level. If the aggrieved party is not satisfied with the response of the building principal, he/she may submit a copy of the grievance to the superintendent of schools within five (5) school days.

The superintendent of schools or his/her designated representative shall, upon request, confer with the aggrieved party with respect to the grievance and shall deliver to the aggrieved party and the Association a written statement of his/her position in the matter no later than ten (10) school days after such conference.

In the event the Association is not satisfied with the statement of the superintendent of schools with respect to the grievance, it may, within fourteen (14) school days after receiving the statement, refer the grievance to arbitration by requesting that the American Arbitration Association propose the names of arbitrators. A copy of such request shall be forwarded to the superintendent of schools.

Arbitration

The selection of the arbitrator and the rules which govern the arbitration proceedings shall be in accordance with the rules of the American Arbitration Association.

The arbitrator's decision will be final, binding, and in writing and shall set forth his findings, reasonings and conclusions on the issue submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall have no power to alter, add to, or detract from the provisions of the Agreement.

The cost of the services of the arbitrator will be borne equally by the Board of School Trustees and the Association.

The Board and Association shall not be permitted to assert in such arbitration proceedings any grounds or to rely on any evidence not previously disclosed to the other party.

General Provisions

The time limits provided in this Article shall be strictly observed but may be extended by a written contract between the parties. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.

For the final payment, the hourly rate will be established by taking all remaining driver education funds, after expenses for the program have been paid, and dividing the remaining funds by the remaining hours that were taught to establish a final hourly rate.
