- a. Additional leave information is available in Board Policy 3430.02AC (Family or Medical Leave of Absence Policy) and from the Human Resources Office.
- b. A leave may be granted for a period of time not to exceed one (1) year. Successive leaves may be granted.
- c. The leave shall be used for the purpose for which it was granted. The taking of a leave will not allow the teacher to accrue more rights than they would have acquired had the leave not been granted.
- d. For any health-related leave, a physician's statement is necessary prior to the commencement of, and the return to work from, the leave, setting forth the need for such leave or the ability to again resume the duties of a teacher.
- e. Any person who has been granted leave by the Board shall be eligible to participate in the group insurance program at their own expense by paying the premiums in advance. Arrangement for payment shall be made through the Business Office.
- f. Any teacher on leave has the responsibility to properly notify the employer according to the date given for the respective leave by stating the teacher will:
 - (1) request an additional leave, or
 - (2) return to employment, or
 - (3) resign.
- g. If the teacher does not comply with the return provisions for any leave granted, then all rights to employment are forfeited.
- h. A leave, once granted, may only be terminated before the date of expiration by mutual agreement of the teacher and the Board, or by the Board when the teacher does not use the leave for the purpose for which it was granted.
- i. A teacher who teaches courses of regular length and applicable for student credit or driver education may have excused absences charged against accumulated illness absence or personal business subject to the restrictions below. For sessions of 20 days or less only one (1) absence may be used. For all other sessions a maximum of two (2) absences may be used. Exceptions to the foregoing limitations, e.g. bereavement, professional assignments, etc., may be authorized in writing by the Superintendent. Teachers accepting a summer school position understand absences should be used only in case of an emergency.

Such absence, up to three (3) days for any one case, shall result in no loss of salary. For cases involving extended absence to witness, the Superintendent may grant additional days with pay, with substitute deduction, or without pay. When the teacher is in receipt of their witness duty check, a copy of the check shall be presented to the payroll office, whereupon a deduction equal to witness duty pay will be made from the next payroll check. The teacher will not be paid when such testimony is given in any litigation in which the employee is a party, or employee relations related litigation involving the employer of any other school employer, unless the employer subpoenas the teacher to testify. Temporary contract teachers may take a leave, but only during the period of the temporary contract. When it is mutually agreeable, any leave which ends in the last nine weeks of a semester shall be prolonged to the end of the semester. The teacher shall also notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying their pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. In case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately upon their request and certification of the emergency from an attending physician. 3. ECS shall grant six (6) weeks of paid maternity leave for a vaginal birth and eight (8) weeks of paid maternity leave for a cesarean birth. This leave time shall be in addition to available illness absence days provided under the contract, it shall not however add to the duration of a traditional absence related to childbirth as determined by the treating physician.

- a. Request for personal business shall be given to the principal, supervisor, or designee at least one (1) hour prior to the commencement of the normal school day. In the event of an unforeseen emergency beyond the control of the teacher, of which the teacher becomes aware less than one (1) hour prior to the commencement of the normal school day and which requires the absence of the teacher, said teacher may request such personal business less than one (1) hour prior to the commencement of the normal school day, provided such request is made as soon as reasonably possible after the teacher learns of such emergency. If it is not possible to submit a written request in advance, an oral request must be made prior to commencement of the absence, followed by a written request upon return.
- b. If the first workday for a teacher takes place after the beginning of the school year, or for any teacher on leave, or for any teacher who is defined as part-time, the days will be prorated (sixty [60] paid days equals one [1] personal business day).

ARTICLE THREE
LEAVES, COMPENSATORY TIME, AND PROFESSIONAL ASSIGNMENTS

- 2. An accounting of unused personal business days will appear on each paycheck stub. These days may not be used other than in multiples of a half (1/2) day. Unused personal business days shall be rolled over at the end of each teacher's contract year on a continual basis. A teacher may not retain more than ten (10) personal business days. A teacher may not use more than five (5) personal business days consecutively. If the number of personal business days to be rolled over would cause the limit of ten (10) to be exceeded, then any excess days shall be converted to personal/family illness days instead.

- 3. Except for emergencies, personal business days shall not be used to extend school vacation periods of Thanksgiving, winter recess, spring break, summer break or the day preceding fall recess in the event this day is scheduled as a parent teacher conference day as defined by the school calendar, unless the teacher complies with the following procedure:
 - a. Once every three (3) years a teacher may use a personal business day to extend a holiday or vacation period.
 - b. The teacher must give notice, in writing, to the Office of the Superintendent ten (10) working days in advance of taking said day.
 - c. This personal business day cannot be used in conjunction with an unpaid day without a consent agreement between the Board and the ETA.
 - d. Only ten (10%) percent of the teachers in a building, school of study, or program (e.g. Elkhart Academy, PRIDE Academy, etc.) may take a personal business day for the purpose of extending each of the holidays listed above.

Emergency requests for personal business immediately preceding or immediately following vacation periods shall be granted only upon approval of the Superintendent or designee.

- 4. In accordance with Indiana law, no personal business shall be granted for participation in any work stoppage.

- 5. For the purpose of determining when an emergency exists, “emergency” shall be defined as an unforeseen event which prohibits the teacher from attending to their assigned duties.

J. Bereavement

- 1. In the event of death within the teacher's immediate family (See Article 2), the teacher may be absent from work with pay for five (5) business days beyond the date of death in order to attend to matters related to the death of the family member (attendance at a funeral, memorial service, appointment with attorney, financial advisor, court appearance, etc.). Said days must be used by the teacher within twelve (12) months of the death of the immediate family member, but do not have to be used consecutively.

- 2. In the event more than one death in the teacher's immediate family should occur, the teacher may be absent from work with pay for five (5) business days for each death. Said days must be used by the teacher within twelve (12) months of the second death of the immediate family member, but do not have to be used consecutively.

- 3. Bereavement leave shall also include a miscarriage or the birth of a stillborn baby and be considered a death within the teacher’s immediate family.

- 4. A maximum of one (1) day's paid absence will be granted for attendance at a funeral of any other relative (blood or affinity) of the teacher other than the teacher's immediate family. When travel cannot reasonably be accomplished in one day, an additional day will be granted.

- 5. For the death of a close friend, student or extended family member, a teacher shall be granted a maximum of one (1) day’s paid absence each school year to attend the funeral. In the event more than one death of a close friend, student, or an extended family member occurs, the day will be at the minimum substitute deduction rate, rather than being a paid absence to attend the funeral.

ARTICLE THREE

LEAVES, COMPENSATORY TIME, AND PROFESSIONAL ASSIGNMENTS

6. The Superintendent may grant additional bereavement days with or without substitute deduction.

K. Illness Absence

1. A teacher contracted for 184 or more days will be provided with 12 personal/family illness absence days each year (see Article 2). Illness absence days will be provided on the first day the teacher works; or the first teacher workday for those teachers authorized to use paid benefit days under the express terms of this Agreement and be subject to use at the time from the beginning of the teacher's contract. If the first workday is after the beginning of the school year, or for any teacher on leave or for any teacher who is defined as a part-time teacher, the days will be prorated (fifteen [15] paid days equals one personal/family illness day). Request for illness absence shall be given to the principal, supervisor, or designee at least one (1) hour prior to the commencement of the normal school day, except in cases of emergency. These may not be used other than in multiples of a half (1/2) day.
2. In the event a teacher shall have accumulated one (1) or more days of personal illness in another school corporation and shall thereupon become employed by the Elkhart Community Schools, there shall be added for the second year and each succeeding year of such employment up to ten (10) days of personal illness until the number of accumulated days to which said teacher was entitled in the last place of employment shall be exhausted. Effective June 1, 2026, newly hired teachers, beginning in the second year of employment, may use up to three (3) additional days of personal illness leave until the days accumulated in another school corporation are exhausted. This provision is subject to written verification from the most recent employer.
3. If in anyone (1) school year, the teacher shall be absent for such illness, disability, or quarantine less than the provided number of days, the unused days shall accumulate and carry over to no more than one hundred (100) days.
4. In the event the employer believes abuse of illness absence by a teacher exists, the employer may put the teacher on notice in the event of further use of illness absence by the teacher, the employer may require the teacher to verify such illness or disability by a written statement signed by a licensed practicing physician which in the case of personal illness affirms the teacher is unable to fulfill their normal assigned duties because of such illness or disability.
5. In the event the employer believes an improper application of illness absence by a teacher exists, the employer upon notice to the teacher no less than twenty-four (24) hours prior to the teacher's return to work may require the teacher to verify such illness or disability in the same manner as provided by paragraph four (4) of this section.
6. The employer may, in the event paragraph four (4) or paragraph five (5) applies, select a licensed physician to examine the teacher in question. In such event, the employer shall pay the costs of such examination.
7. In the event a prolonged illness of a member of the immediate family occurs, the Superintendent may grant additional days with pay, with substitute deduction, or without pay.
8. For a serious illness of a close friend, or family member who is not a member of the immediate family, the provisions in paragraph one (1) will be in effect, except the day(s) will be at the minimum substitute deduction, rather than being a paid absence.
9. A teacher who believes they have substance abuse/misuse problems may request appropriate benefits, including a health leave, for assessment and/or treatment purposes(s).
10. Upon retirement, a teacher may donate all accumulated unused personal/family illness days to the Personal Illness Bank established under the terms of this agreement to help eliminate sick bank debt. The employer shall first apply these donated days to satisfy any legacy debt owed to the Personal Illness Bank by teachers who are no longer employed by the school corporation. Thereafter, the Employer shall distribute any remaining donated days equally among teachers currently employed by the school corporation who are obligated to pay back the Personal Illness Bank for donated days. The total number of donated days shall be divided by the number of employees with outstanding debt and allocated proportionally to each. If the calculation results

ARTICLE THREE
LEAVES, COMPENSATORY TIME, AND PROFESSIONAL ASSIGNMENTS

in a fraction of a day, any remaining fractional days shall be distributed beginning with employees holding the highest remaining debt until all donated days have been fully allocated. The Employer shall provide the Association with an annual accounting of the days donated by each retired teacher, including the teacher's name and the total number of personal/illness days donated. Additionally, an annual accounting of how the donated days were allocated shall be provided to the Association on or before the first teacher workday of each school year.

- 11. A teacher may donate up to ten (10) days of accumulated personal/family illness days per school year to another teacher by providing formal written notification to the Business Office. The maximum number of days transferred to any teacher in a school year shall not exceed thirty (30) days.

L. Personal Illness Bank

A personal illness bank provides a bank of days upon which teachers may borrow in cases of extended absence when the teacher is temporarily ill, physically disabled, or quarantined and unable to perform the duties of a teacher. A teacher may apply for a loan from the bank under the following conditions and procedures:

- 1. All accumulated and non-accumulated illness absence and personal business days of the applicant shall have been exhausted at the time of application.
- 2. Applications shall be made in writing to the chairperson of the Personal Illness Bank Committee. Application for a loan may be made by the teacher's authorized representative (i.e. immediate family member) in cases where the individual teacher is unable to do so. Applications shall be accompanied by a statement signed by a physician licensed to practice medicine, certifying said teacher is temporarily disabled. Such doctor's statement should also include the general nature of the disability, impact of the disability on employment, and prognosis for a return to work. "Temporarily disabled" shall mean inability to perform the duties of the teacher. The opinion of a second physician may be requested by the employer at its expense. Further certification may be required by the employer from time to time.
- 3. Application shall be reviewed by a Personal Illness Bank Committee composed of two (2) members appointed by the Association President and two (2) members appointed by the Superintendent. The committee shall make a recommendation for approval or denial of the loan to the Superintendent, who shall make the final decision on the request. Applicants who are denied approval shall have the right to appeal to the denying party.
- 4. A maximum of sixty (60) days will be allowed for any one (1) individual in any school year.
- 5. Any teacher who becomes ill for an extended period of time more than once during a school year shall re-apply following the same procedure.
- 6. Following a return to work, all accrued illness absence days which exceed the state minimum benefit for personal illness (five [5] days per year) shall be paid back to the bank until the loan has been repaid.
- 7. The bank shall be maintained from year to year by the repayment of loans from individual borrowers.
- 8. The Personal Illness Bank Committee may recommend to the Superintendent a waiver of any of the above conditions or procedures.
- 9. The Personal Illness Bank may be used for the period of disability related to pregnancy.

M. Involuntary Health Leave

In the event the Board has reason to believe a teacher's physical or mental health may be interfering with the successful performance of their responsibilities, the Board may require a teacher to have an examination by a physician of the Board's choosing who shall file a written statement with the Board certifying the teacher is physically and/or mentally capable/incapable of completing the duties required of their assignments. The cost of the examination will be borne by the Board. After such examination, and based upon the results of the examination, the Board may place a teacher on a

ARTICLE THREE
LEAVES, COMPENSATORY TIME, AND PROFESSIONAL ASSIGNMENTS

paid administrative leave for health reasons. A second examination may be requested by either party, with the cost borne by the requesting party.

In the event said leave is without pay, the teacher may exercise the right to request, in writing, a hearing pursuant to IC 20-28-7.5.et.seq., any such hearing shall employ the procedures set forth in IC 20-28-9-22(3) through 20-28-9-22(8).

N. Family Medical Leave

Pursuant to the Family Medical Leave Act (“FMLA”), teachers employed for 1,250 hours or more during the twelve (12) month period prior to application, are entitled to request leave under the FMLA. Eligible teachers may take an unpaid leave of up to twelve (12) weeks under the FMLA for the following reasons:

1. the birth of a child and to care for the newborn child within one (1) year of birth;
2. the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one (1) year of placement;
3. to care for the employee’s spouse, child, or parent, as defined by the FMLA, who has a serious health condition;
4. a serious health condition that makes the employee unable to perform the essential functions of their job;
5. any qualifying exigency arising out of the fact that the employee’s spouse, son, daughter, or parent is a covered military member on “covered active duty;” or
6. to care for a covered service member with a serious injury or illness if the eligible employee is the service member’s spouse, son, daughter, parent, or next of kin (military caregiver leave).

Teachers are required to use any accrued paid leave days (i.e. personal illness days and personal business days) during the period of time they are taking a leave under the FMLA.

A teacher shall not lose, while on FMLA leave tenure, seniority, or any other rights enjoyed by a teacher.

Whenever the leave is foreseeable, the teacher shall provide the employer with thirty (30) days’ notice. If there is insufficient time to provide such notice because of unforeseeable events, the teacher shall provide such notice as soon as possible and practical, generally not later than the next business day after the teacher realizes the need for leave.

The provisions of Board Policy [3430.02AC](#) along with the express terms of the FMLA shall govern all applications for a leave under the FMLA.

ARTICLE FOUR
PROFESSIONAL GRIEVANCE PROCEDURE

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limit shall not prohibit the grievance from being appealed to the next step. Any grievance not advanced from one step to the next within the time limits of that step shall be deemed resolved by the employer's answer at the previous step without prejudice to other grievances, unless the Association agrees in writing with the settlement of the grievance; then it shall be resolved with prejudice to other grievances involving the same issue.
2. There shall be no reprisal against any teacher for their participation in the grievance procedure.
3. Any adjustment of any grievance shall not be inconsistent with the terms of this Agreement.
4. Should the employer deem it necessary for the grievant and an Association representative to be in attendance during school hours in any grievance meeting reaching Step Two or beyond, any such teacher shall be released from regular duties for such period as deemed necessary by the employer without loss of salary or leave.

C. Procedure

1. Grievance Procedure - Step One

In the event the teacher believes there is a basis for a grievance, they shall first discuss the alleged grievance with the building principal or immediate supervisor, either personally or accompanied by an Association Representative. The discussion must take place within ten

ARTICLE FOUR
PROFESSIONAL GRIEVANCE PROCEDURE

(10) workdays of the act or condition. The teacher must notify the principal when a grievance is being initiated and the meeting is to be considered as the informal level of the grievance procedure.

Within five (5) workdays after the informal meeting, the principal or immediate supervisor shall inform the teacher of their decision in the matter. Documentation of this meeting must be made by the teacher and principal completing A-F and G respectively on the Grievance Report Form found in Appendix C.

2. Grievance Procedure - Step Two

- a. Within ten (10) work days of the time the principal has informed the teacher of their decision at the Step One informal level, the grievant, either individually or accompanied by a maximum of three (3) representatives who are teachers of this system, shall present the grievance in writing, on the Grievance Report Form provided in Appendix C, to the Principal or other authorized administrator, during non-teaching hours. A five (5) workday extension will be granted when the teacher has met during the ten (10) day period to discuss the grievance with the principal.
- b. The "Statement of Grievance" shall name and/or identify the grievant(s) involved, shall state the specific facts giving rise to the grievance, shall identify by appropriate reference all provisions of this Agreement or Board policies alleged to be violated, and shall indicate the specific relief requested.
- c. Within five (5) workdays after receiving the grievance, the principal or other authorized administrator shall complete H and I on the Grievance Report Form and distribute it.

3. Grievance Procedure - Step Three

- a. If the grievance is not resolved in Step Two, the grievant may, within ten (10) workdays after receiving the principal's or other authorized administrator's written answer, submit to the Superintendent or authorized designee a Grievance Report Form completed through L. The designee(s) of the Superintendent shall not be the counsel for the employer at any subsequent arbitration hearings.
- b. The Superintendent or their authorized representative shall have fifteen (15) workdays to meet with the grievant and answer the grievance in writing. If further investigation is needed, additional time may be allowed by mutual agreement in writing by the Superintendent or authorized representative and the Association President or designee.

ARTICLE FOUR
PROFESSIONAL GRIEVANCE PROCEDURE

D. Rules Governing Arbitration

1. The arbitration shall be conducted in accordance with the rules of the American Arbitration Association.
2. Any grievance not appealed to arbitration shall be deemed resolved by the employer's answer at the previous step without prejudice to other grievances unless the Association agrees in writing with the settlement of the grievance.
3. The decision of the arbitrator shall be binding upon both parties to the grievance. The arbitrator shall have no power to amend, subtract from, add to, alter, disregard, or modify any terms of this Agreement. The arbitrator shall not have authority to decide any issue not submitted or to interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. Past practices of the parties in interpreting or applying terms of this Agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification, addition, or detraction of written terms of this Agreement.
4. The Arbitrator shall have the authority to determine whether the case will be heard on its merits at the same hearing in which the jurisdictional question is presented. In any case, where the Arbitrator determines that such grievance fails to meet said test of arbitrability, the case will be referred back to the parties without a recommendation on the merits. Unless expressly agreed to by the parties, in writing, the Arbitrator is limited to hearing one issue or grievance upon its merits at one hearing. Separate hearing shall be constituted for each grievance appealed to arbitration.
5. The fees and expenses of the arbitrator, American Arbitration Association administrative costs, cost of any transcripts, and cost of any hearing room shall be borne equally by the parties to the arbitration. All other expenses shall be borne by the party incurring them.
6. Neither party to a grievance shall be permitted to present any evidence not disclosed to the other party at least forty-eight (48) hours prior to the arbitration hearing, nor shall either party be permitted to amend a grievance at the level of arbitration (after Step Three).

In cases where criminal charges are alleged against a teacher, when such charges are related to acts occurring during the course of normal duties, the Board's attorney will only be available to provide initial consultation. Should such need arise, contact the District Counsel/Chief of Staff and the Association President. 4. Legal assistance will also be provided, when necessary, in meetings with parents.

APPENDIX D

RETIREMENT BENEFITS – *(This appendix is included for reference purposes only as it relates to prior agreements entered into by both parties of this agreement)*

2001 – 2006 401(a) Plan, Severance, Retirement, Death, and Disability Benefits

- A. Effective the 2001-2002 school year, Elkhart Community Schools will begin providing employer contributions into a 401(a) Plan for each teacher. One-half percent (0.5%) of each teacher's monthly base salary for 2002-2003 will be contributed monthly beginning in September of 2002 and ending June 30, 2006. Participants in the 401(a) Plan must have completed ten (10) years of continuous employment with Elkhart Community Schools in order to be vested in the 401(a) Plan.

The vendor for said 401(a) Plan shall be selected by mutual agreement of the Board and ETA.

B. 401(a) Severance and Retirement

1. Severance:

The Employer shall establish a qualified 401(a) Severance Plan for each teacher employed under a teacher's contract with the Elkhart Community Schools on January 1, 2006, or on a Board approved Leave of Absence on that date. The total sum of the amount calculated by Educational Services Corporation as the present value of severance benefits calculated under the terms of the Master Contract in effect on January 1, 2006, shall be contributed to each teacher's individual Severance Plan on or before October 1, 2006. A teacher must have served in the Elkhart Community Schools for ten (10) years and reached the age of fifty (50) or fifteen (15) years in the Elkhart Community Schools and reached the age of forty-five (45) to be vested in the 401(a) Severance Plan. The teacher's age is determined as of December 31st in the calendar year the teacher's final contract expires.

The vendor for said 401(a) Severance Plan shall be selected by mutual agreement of the ETA and the Board.

The terms and conditions for administration of the 401(a) Severance Plan shall be as follows:

- a. The amount calculated for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the investment vendor for this 401(a) Severance Plan.
- b. Until such time, the teacher has properly severed employment by having given a proper written notice and actually severing employment, the teacher shall have no access to the assets held in their separate 401(a) Severance Plan account.
- c. Proper notification shall be construed as written notification of such teacher's resignation for the forthcoming year received by the Superintendent prior to August 1 or the signing of the last individual teacher's contract, whichever comes later. In the event the teacher does not give notice as required and resigns due to ill health, accident, or when mutually agreeable, the required notice shall be waived by the employer.
- d. If a teacher dies or severs employment before satisfaction of the vesting requirements set forth in this agreement, the terminated teacher's 401(a) Severance Plan account shall be forfeited. The ETA president shall receive a list of those teachers whose accounts have been terminated pursuant to this appendix, which shall list the teacher's name and the total value of the terminated accounts. The ETA president will receive this list at the end of

the plan year. The forfeited amounts shall be reallocated at the end of each plan year only among the remaining separate 401(a) Severance Plan accounts in a manner similar to that used in initially determining the present value calculations and deposited in teacher accounts by June 1. Therefore, the 401(a) Severance Plan accounts of the following teachers will not share in the reallocation of a forfeiture of a 401(a) Severance Plan account.

- (1) Teachers who forfeited their 401(a) Severance Plan accounts in the same year
- (2) Teachers who previously forfeited their 401(a) Severance Plan accounts
- (3) Teachers who have attained the age of 59 and terminate employment in or before the year of reallocated forfeiture

The 401(a) Severance Plan accounts of teachers who have attained the age of 59 but have not terminated employment may share in the reallocated forfeiture, but on a reduced actuarial basis.

- e. Amounts forfeited upon termination of employment because of failure to meet applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently re-hired or re-employed by the employer. Said teacher shall be treated as a “new employee” and only be entitled to the benefit for teachers hired subsequent to July 1, 2006. However, if the Board approves a leave of absence for a teacher, such period of leave shall not result in forfeiture, provided the teacher promptly returns to employment upon expiration of the period of leave.
- f. Following severance and the satisfaction of the requirements set forth in this Appendix, the severed teacher may elect to commence distributions from his 401(a) Severance Plan account. If a teacher dies after having satisfied the vesting requirements of this Appendix, the deceased teacher’s 401(a) Severance Plan account shall be distributed to the decedent’s designated beneficiary or their estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) Severance Plan account.
- g. All costs incurred in the administration of the 401(a) Severance Plan and investment fees shall be paid from the 401(a) Severance Plan assets.
- h. Future Adjustments – The parties agree this Appendix, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current teacher, future teacher, prospective teacher, or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood the Board and Association may in the future bargain modifications of any kind to this provision, provided however, the future revision of this Appendix shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Appendix.

2. Retirement:

The Employer shall establish a qualified 401(a) Retirement Plan for each teacher employed under a teacher’s contract with the Elkhart

Community Schools on January 1, 2006, or on a Board approved Leave of Absence. A teacher must have served in the Elkhart Community Schools fifteen (15) years in the Elkhart Community Schools, reached the age of fifty-five (55), and retire from employment with Elkhart Community Schools to be vested in the 401(a) Retirement Plan. The teacher's age is determined as of December 31st in the calendar year the teacher's final contract expires.

The vendor for said 401(a) Retirement Plan shall be selected by mutual agreement of the ETA and the Board.

The 401(a) Retirement Plan's terms and conditions for administration of the 401(a) Retirement Plan shall be as follows:

- a. The amount calculated for each teacher will be invested in a separate account. There will be no commingling of accounts and each teacher may determine how his or her account shall be invested among the investment options made available by the investment vendor for this 401(a) Retirement Plan.
- b. Until such time the teacher has properly retired from employment with Elkhart Community Schools by having given a written notice accepted by the employer, and actually retiring from employment, the teacher shall have no access to the assets held in his or her separate 401(a) Retirement Plan account.
- c. Proper notification shall be construed as written notification of such teacher's retirement for the forthcoming year received by the Superintendent prior to August 1 or the signing of the last individual teacher's contract, whichever comes later. In the event the teacher does not give notice as required and retires due to ill health, accident, or when mutually agreeable, the required notice shall be waived by the employer.
- d. If a teacher dies or severs employment before satisfaction of the requirements set forth in this agreement, the terminated teacher's 401(a) Retirement Plan account shall be forfeited. The ETA president shall receive a list of those teachers whose accounts have been terminated pursuant to this article, which shall list the teacher's name and the total value of the terminated accounts. The ETA president will receive this list at the end of the plan year. The forfeited amounts shall be reallocated at the end of each plan year only among the remaining separate 401(a) Retirement Plan accounts in a manner similar to that used in initially determining the present value calculations and deposited in teacher accounts by June 1.  - (3) Teachers who have attained the age of 59 and terminate employment in or before the year of reallocated forfeiture

The 401(a) Retirement Plan accounts of teachers who have attained the age of 59 but have not retired from employment with Elkhart Community Schools may share in the reallocated forfeiture, but on a reduced actuarial basis.
