SHOALS TEACHERS ASSOCIATION

THIS CONTRACT ENTERED INTO BY AND BETWEEN THE BOARD OF TRUSTEES OF THE SHOALS COMMUNITY SCHOOL CORPORATION, HEREINAFTER CALLED THE "BOARD" AND/OR THE "CORPORATION" AND THE SHOALS TEACHERS' ASSOCIATION, HEREINAFTER CALLED THE "ASSOCIATION".

ARTICLE I

RECOGNITION

A. The Board hereby recognizes the Shoals Teachers' Association as the exclusive representative of all Teachers in the School Corporation.

B. DEFINITIONS.

1. The term "Teacher" when used in the Contract shall refer to all certificated personnel employed by the Board except the Superintendent, Assistant Superintendent, Principals, Assistant Principals, and Athletic Director.
2. The terms "Board" and "Association" shall include authorized officers, representatives, and agents.
3. The term "School Corporation", when used in this Contract, shall refer to the Shoals Community School Corporation of the County of Martin of the State of Indiana.
4. When references are made to male Teachers in this Contract, it also includes female Teachers.

ARTICLE II

SALARY AND WAGES

The Board and the Association of the Shoals Community School Corporation agree to negotiate salary contributions as required by IC-20-29-2. Both parties will also negotiate contributions made to base salaries and paid stipend amounts.

A. COMPENSATION MODEL (SEE APPENDIX A).

The compensation model bargained between the Shoals Community Schools and the Shoals Teachers Association is set forth below. A compensation model must use a combination of at least two factors set out in Indiana law. This model uses academic needs and instructional leadership.

Factors and Definitions:

Academic Needs: The need to retain all teachers employed in the School Corporation to provide educational continuity for students.

Instructional Leadership: Defined as a teacher who has newly attained a literacy endorsement through the IDOE.

Distribution plan:

For the 2025-2026 school year, base salary increases will be distributed in accordance with the following plan:

- A. A teacher who satisfies the academic needs factor will move down one step in their current salary placement in Appendix A, which will equate to a base salary increase of \$800. (There is no column advancement)
- B. A teacher who meets the instructional leadership factor will have \$150 added one time to their base salary.

The total maximum base salary increase an eligible teacher may receive is \$950. Of this total possible base salary increase, more than 10% is attributable to the academic needs factor in compliance with Indiana law ($\$800 / \$950 = 84\%$).

One-Time Stipend for Teachers at the Top of the Salary Scale

Any bachelor's teacher or master's teacher whose base salary at the start of the 2025-2026 school year is at the salary cap in the salary scale in Appendix A will receive a one-time stipend of \$800.

Dual Credit Teachers:

Teachers who teach dual credit classes will receive a stipend of \$1,200. This stipend is per teacher, not per class, and will be paid one time per year.

COSMOS Program Teachers:

Teachers working with the COSMOS program and who take students from Mitchell &/or Orleans will receive fifty dollars (\$50) per student per semester for non-dual credit classes and one hundred dollars (\$100) per student per semester for dual credit classes. This stipend only applies to students from Mitchell &/or Orleans, not Shoals students.

B. NEW HIRE SALARY PLACEMENT FOR 2025 – 2026

New teachers shall be employed by the Board of School Trustees and their base salary shall be determined as set forth in Appendix B which is attached to and incorporated in this agreement. The Board will also pay the teacher's portion of the appropriate ISTRF contribution, up to a maximum of 3%.

C. SALARY RANGE

The salary range before base salary increases are granted during the 2025-2026 school year is \$43,000 to \$72,600 (or \$72,750, as applicable, with the literacy endorsement).

D. PAYMENT UPON EMPLOYMENT TERMINATION

If a Teacher's employment with the School Corporation is terminated effective the last duty day of the school year, said Teacher shall receive, upon written request to the Office of the Superintendent, all pay to which that Teacher is entitled by a date not later than the second payday in June, taxable at the most favorable rate chosen by the teacher.

E. SECTION 125 OF THE REVENUE ACT

Phase I and II are in effect in the School Corporation. All administrative costs will be assumed by the individuals taking the plan. The administrator of the plan will be selected by mutual written consent of the Board and the Association. Any School Corporation savings belong exclusively to the School Corporation and individual savings belong exclusively to the individual employee.

F. TEACHER WORK DAYS

The teachers have 184 work days in a school year unless on an extended contract. This provision is included for informational purposes only and was not bargained.

C. RETIREMENT SAVINGS 401(a) ANNUITY PLAN.

1. The School Corporation shall establish a qualified retirement plan as described in section 401(a) of the Code.

D. RETIREMENT SAVINGS VEBA PLAN.

1. The School Corporation shall contribute to a Voluntary Employees' Beneficiary Association ("VEBA") as described in section 501(c)(9) of the Code. The Board agrees to contribute an amount equal to One-Half of One Percent (0.5%) of an employee's Contract salary for all employees.

The single investment vendor for the VEBA plan shall be a vendor that is mutually agreed upon by the Board and the Association.

4. Each bargaining unit member shall be One Hundred Percent (100%) vested in these individual VEBA accounts upon the completion of his/her fifth year of continuous employment with the Corporation. If the employee retires or otherwise terminates employment before satisfaction of the vesting requirements, the terminated employee's VEBA account shall be forfeited and shall be used to reduce the School Corporation's future funding obligation.

When a retired Teacher first becomes eligible for Medicare, the Teacher's eligibility to continue to participate in the Corporation's group health insurance plan shall terminate, if not earlier terminated according to applicable law. (The same termination of eligibility shall also apply when a retired Teacher's spouse first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible Teacher's right to continue health insurance for the Teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2.6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage as required by COBRA.

Timesheets must be turned in to the Superintendent's Office at the end of each month and the compensation will be paid twice a year, at the end of each semester.

W. LONG-TERM DISABILITY INSURANCE.

It is understood that the Long-Term Disability Insurance which is currently in effect shall be fully paid for by the Board. The Association agrees to indemnify and hold harmless the School Corporation against any LTD benefit payments that stop, so long as the premiums are paid in good faith and in a timely manner on the part of the Board. Per Article IV, Salary and Wage Related Fringe Benefits,, it is hereby agreed to that the current carrier for dental, vision, life and long-term disability insurance may only be changed by the written mutual consent of the Board and the Association. It is understood that the Board has the right to obtain insurance bids from other insurance companies but no change in carrier is allowed without the mutual written agreement of the Board and the Association. It is understood and agreed to that the current health insurance specifications cannot be reduced in any way without the written mutual consent of the Board and the Association. If the Board is looking at changing health insurance carriers, the Association will be involved in the committee work and meeting with potential carriers.

X. EXPANDED CRIMINAL HISTORY BACKGROUND CHECKS

The School Corporation shall pay the cost of any and all expanded criminal history checks and expanded child protection index checks that are required by the School Corporation or per IC 20-26-5-10. The employee will pay for their initial expanded criminal history check when hired by the corporation.

ARTICLE V

GRIEVANCE PROCEDURE

A. DEFINITIONS.

1. A "grievance" is a claim by one (1) or more Teachers of a violation, misapplication, or a misinterpretation of this Contract or rules, regulations, and/or policies of the Board.

B. The purpose of this grievance procedure is to settle equitably, at the lowest possible administrative level, issues which may arise from time to time with respect to specific violation, misapplication, or misinterpretation, of the provisions of this Contract, or rules, regulations, and/or policies of the Board. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

C. PROCEDURES.

In the event that a Teacher believes there is a basis for a grievance, he/she may first discuss the alleged grievance with his/her Building Principal or immediate supervisor, either personally or accompanied by his/her Association Representative. If as a result of the informal discussion with the Building Principal or immediate supervisor, a grievance still exists, he/she may invoke the formal grievance procedure through the Association.

The formal grievance procedure shall be:

1. Grievance shall be filed on the form set forth in Appendix D, signed by the grievant and the representative of the Association, which form shall be available from the Association Representative in each building. The grievance must be filed within fifteen (15) school days of the violation, misinterpretation, or misapplication, or within fifteen (15) school days of the discovery thereof. A copy of the grievance shall be delivered to the Principal. If the grievance involves more than one school building, it may be filed with the Superintendent with copies to all Principals involved. [In the event the grievance goes directly to the Superintendent, steps two (2) and three (3) may be omitted.]
2. Within five (5) school days of receipt of the grievance, the Principal(s) shall meet with the representative of the Association in an effort to resolve the grievance. The Principal shall indicate his/her disposition of the grievance in writing within five (5) school days of such meeting and shall furnish a copy thereof to the Association.
3. If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) school days of such meeting or ten (10) school

days from the date of filing, whichever shall be sooner, the grievance shall be transmitted to the Superintendent within five (5) school days.

4. Within five (5) school days, the Superintendent shall meet with the representative of the Association on the grievance and shall indicate his/her disposition of the grievance in writing within seven (7) school days of such meeting and shall furnish a copy thereof to the Association.
5. If the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within seven (7) school days of such meeting or twelve (12) school days from the date of filing with the Superintendent, whichever shall be sooner, the grievance shall be transmitted to the Board by filing a written copy thereof with the President of the Board within five (5) school days. The Board, no later than its next regular meeting or within three (3) calendar weeks, shall meet with the Association on the grievance.
6. Disposition of the grievance in writing by the Board shall be made no later than seven (7) school days thereafter. A copy of such disposition shall be furnished to the Association.
7. The time limits provided in this Article shall be strictly observed but may be extended by a written contract between the parties. In the event a grievance is filed after May 15th of any year, the Board shall cooperate in processing such grievance as quickly as possible.
8. Notwithstanding the expiration of this Contract, any claim or grievance arising thereunder may be processed through the grievance procedure through resolution.
9. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 10.** A Teacher engaged during the school day in the presentation of a grievance, or who is a witness for same, shall be released from regular duties without loss of pay.

APPENDIX E
ACTUARIAL DETERMINATION OF VALUE OF CURENT SEVERANCE
& RETIREMENT BENEFITS
SHOALS COMMUNITY SCHOOL CORPORATION

A. ACTUARIAL DETERMINATION OF VALUE OF THE CURRENT SEVERANCE AND RETIREMENT BENEFITS.

The Educational Services Corporation (“ESC”) has been selected to determine the present value of the unfunded retirement benefits described in the prior Agreement. In making this present value determination, ESC shall use the following assumptions:

1. **Interest Rate.** The assumed interest rate for the purpose of determining the present value is Four Percent (4%) in the first two (2) years of the plan and then Seven and One-Quarter Percent (7.25%) thereafter; however, for post-retirement cash flow purposes, a Four Percent (4%) interest rate shall be used.
2. **Retirement Age.** It is assumed that an employee terminates employment at the end of the school year in which the employee attains age fifty-eight (58) or at the end of the current year, if the individual is already fifty-eight (58) or older. An employee who continues employment after attaining age fifty-eight (58) shall continue to receive all ongoing Board contributions to the VEBA plan described in this Article and shall continue to share in future forfeitures in such VEBA plan on a reduced basis.
3. **Retirement Bridge Pay.** The anticipated amount of the Retirement Bridge Pay shall be calculated using the dollar amount set forth in ARTICLE III, Section C.3. of the prior agreement; however, it is assumed that individuals do not retire until the later of: (i) the attainment of age fifty-eight (58), or (ii) satisfaction of the eligibility requirements of this Article. *(See 2006-2008 Contract).*
4. **Insurance.** For purposes of calculating the value of the retirement health insurance benefit found in ARTICLE III, section C, of the prior Agreement, the parties agreed to use an assumed annual post-retirement group health insurance cost of Seven Thousand Dollars (\$7,000.00) for the single premium, a single vision insurance cost of Eighty-Four Dollars and Thirty-Six Cents (\$84.36), and a single dental insurance cost of One Hundred Twenty-One Dollars and Twenty Cents (\$121.20). The parties further agreed to use an assumed annual inflation rate of Zero Percent (0%) for all of these insurance costs; however, it is assumed that individuals do not retire until the later of: (i) the attainment of age fifty-eight (58), or (ii) satisfaction of the eligibility requirements of section B.2. above. *(See 2006-2008 Contract).*
5. **Termination Rate.** The parties agree that a turnover rate of Three Percent (3%) per year shall be applied to calculate the present value of the retirement pay and early retirement benefits.

6. FICA. The present value of the future retirement bridge pay will be reduced by the Social Security and Medicare taxes (FICA) that would have been payable by the retiring Teacher if the retirement bridge benefit had been paid directly to the Teacher.
7. Exclusion of Employees. All Teachers newly hired or re-hired after April 30, 2004, shall not be entitled to any payment for the eliminated retirement benefits provided by ARTICLE III, section C. of the prior Agreement. In other words, no contribution shall be made for Teachers newly hired or re-hired after April 30, 2004. (*See 2006-2008 Contract*).
8. Rehired Employees. Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the School Corporation. However, if the Board shall have approved a leave of absence for an employee, such period of leave shall not result in forfeiture provided the employee shall promptly return to employment following the expiration of the period of leave.
9. Calculation Date. The present value of the retirement benefits under the prior Agreement shall be calculated, effective as of date the funds are deposited into individual accounts.
10. Confirmation of Data. To confirm the accuracy of the underlying information to be used in the present value calculations, each Teacher shall be provided with his or her basic data that will be used in the calculations, including but not limited to, the following information as of July 1, 2004: base salary, age, years of service, and accumulated sick leave. Educational Services Company shall assist in the preparation of this verification sheet for each Teacher; however, the Board will have the responsibility to forward the verification sheets to the respective Teachers. Any corrections must be returned to the Board within ten (10) calendar days of receipt of the verification sheets.

Using the above assumptions and the other assumptions contained on the buy-out spreadsheet, Educational Services Company shall prepare the present value calculations for the Teacher and the contributions described hereinafter will be made.

B. BUY-OUT CONTRIBUTIONS.

1. VEBA. The School Corporation shall contribute to a Voluntary Employees' Beneficiary Association ("VEBA") as described in section 501(c)(9) of the Code, that amount representing the present value of the group health, vision, and dental insurance benefits as calculated for all employees under subsection C. above. A vendor that is mutually agreed upon by the Board and the Association shall be the organization administering the VEBA and shall be the single investment vendor for the VEBA. Such funds shall be deposited within thirty (30) days of the establishment of the accounts with the vendor. The terms and conditions for the administration and operations of the VEBA shall be as follows:

- a. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA plan.
- b. Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Article, the employee shall have no access to the assets held in his or her separate VEBA account.
- c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this section, the terminated employee's VEBA account shall be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. This reallocation shall be in a manner similar to that used by the Educational Services Corporation in initially determining the present value calculations. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:
 - (i) Employees who forfeited their VEBA accounts in the same year;
 - (ii) Employees who previously forfeited their VEBA accounts; and
 - (iii) Employees who have attained the age of fifty-eight (58) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of fifty-eight (58), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced actuarial basis.

- d. Following retirement and the satisfaction of requirements set forth in this Article, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums, term life insurance premiums, and to be reimbursed for unreimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee who has otherwise satisfied the requirements of this Article, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses for the employee's spouse and dependents. At no time may the VEBA make loans to an employee, his/her spouse, or his/her dependents.
 - e. The School Corporation shall not be paid any compensation for its services performed on behalf of the VEBA account. All costs incurred in the administration of the VEBA accounts and investment fees shall be paid from the VEBA plan assets.
2. 401(a) Plan. The School Corporation shall establish a qualified retirement plan as described in section 401(a) of the Code. The total sum of the amount calculated by Educational Services Corporation as the present value for the retirement pay shall be

contributed by the School Corporation to the 401(a) plan within thirty (30) days of the establishment of accounts with the vendor. The single investment vendor for the 401(a) plan shall be ISTA Financial Services Corporation. The 401(a) plan's terms and conditions for the administration of the 401(a) plan shall be as follows:

- a. The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) plan.
- b. Until such time that an employee has retired and satisfied the eligibility requirements set forth in this Article, the employee shall have no access to the assets held in his or her separate 401(a) plan account.
- c. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts in a manner similar to that used in initially determining the present value calculations. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:
 - (i) Employees who forfeited their 401(a) plan accounts in the same year;
 - (ii) Employees who previously forfeited their 401(a) plan accounts; and
 - (iii) Employees who have attained age of fifty-eight (58) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401(a) plan accounts of employees who have attained the age of fifty-eight (58), but have not terminated employment may share in the reallocated forfeiture, but on a reduced actuarial basis.

- d. Following retirement and the satisfaction of the requirements set forth in this Article, a retired employee may elect to commence distributions from his 401(a) plan account. If an employee dies after having satisfied the requirements of this Article, the deceased employee's 401(a) plan account shall be distributable to the decedent's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) plan account.
- e. The School Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the administration of the 401(a) plan and investment fees shall be paid from the 401(a) plan assets.

C. FUTURE ADJUSTMENTS.

The parties agree that this Article, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Article shall not affect the retirement benefits of Teachers already receiving benefits pursuant to this section.
