ARTICLE III

Leaves

Section A. Personal illness

I. Annual Allotment

Each full time Teacher employed under regular contract shall be entitled to be absent from work on account of personal illness or quarantine for a total of ten (10) days the first year of employment and (10) days the second year of employment and seven (7) days in each succeeding year without loss of compensation. If in any one school year the Teacher shall be absent for illness less than the prescribed ten (10) or seven (7) days, the unused days shall be accumulated up to a total of one hundred thirty-five (135) days plus the new seven (7) days allowed at the beginning of each school year. Therefore, each Teacher shall be entitled to be absent from work due to personal illness or quarantine up to the number of days accumulated in his/her name plus the ten (10) or seven (7) days allowed for the school year, but not more than one hundred thirty-five (135) days plus the new school year days, without loss of compensation.

2. A teacher who was previously employed by the School Corporation shall have all accumulated sick leave not transferred to a different school employer reinstated immediately upon his/her return to employment for the School Corporation.

Section B. Sick Leave Bank

The purpose of the Sick Leave Bank is to relieve its members from undue financial burdens due to absence from work on a long-term basis due to illness, injury, or incapacitation

sufficiently severe that it would make their presence in school inadvisable.

The Sick Leave Bank shall be administered by a Committee of five (5) members, two of which will be appointed by the President of the Association, two by the Superintendent, and one jointly selected by the President of the Association and the Superintendent.

1. Each committee member shall be appointed for one (1) year and may be re-appointed to each succeeding year.
2. Vacancies on the Committee shall be filled before the next meeting.
3. The entire membership of the Committee shall select one of their members to act as chairperson for the duration of the year.
4. The Committee shall meet during the school year as needed. Special meetings may be called by the chairperson or at the request of the committee members. All members will be required to be present for any official action of the Committee.
5. The Committee shall prepare an annual report in conjunction with the Corporation Treasurer of days contributed by each Teacher, days used, and days accumulated in the Bank, and distribute this report to the President of the Association and the Superintendent.

Criteria For Use of The Bank

The Committee shall use only the following criteria for granting use of the Bank.

1. All sick leave and personal leave days previously accumulated by the individual must be exhausted.
2. Days granted shall begin three (3) days after the exhaustion of all individual sick and personal leave. This three (3) day waiting period shall be waived for members upon approval of the sick bank committee.
3. The applicant must be a current participant in the Bank.
4. Disability due to pregnancy or childbirth shall fall under the same criteria for use as other illnesses, injuries, or incapacitations considered in this section.
5. Upon request, the applicant shall submit a certified review of his/her medical history and prognosis for return to work by the appointed or attending physician.
6. Illness must be of a serious nature; seriousness will be determined by the Committee with the recommendation of the appointed or attending physician.

Eligibility For Use of the Bank

1. Any full time, certified employee is eligible to participate in the Bank.
2. Any Teacher who is receiving any public funds or benefits derived from public funds as partial or full compensation for illness or disability causing the absence, shall not be eligible for Sick Leave Bank Credits.

Composition of the Bank

1. The number of days contributed will continue to accumulate until a total of 500 days are credited to the Sick Leave Bank. The Sick Leave Bank shall remain open for membership

until a total of 500 days is accumulated. When the Sick Leave Bank accumulates a total of 500 days, membership thereafter shall only be open to those new persons coming into the school corporation until such time as the next general membership drive is held. When the Sick Leave Bank has accumulated a total of 500 days, all participants who contributed at the time of the last canvas shall remain members of the Sick Leave Bank until the next general membership drive. After the Sick Leave Bank accumulates a total of 500 days, the next general membership drive shall not occur until the level of the Bank reaches 500-n days when "n" represents the number of certified personnel eligible to join the Sick Leave Bank, so that all full-time, certified employees would have an opportunity to join the Sick Leave Bank without exceeding the maximum accumulative total of 500 days.

2. On or about October 1st the Rensselaer Central Classroom Teachers Association shall distribute a form on which donations for any number of days to the Bank can be made by certificated employees.
3. A minimum of one (1) day contributed per drive is required to participate in the Bank.
4. Sick leave days donated to the Bank by a Teacher are considered a permanent contribution to the Bank and are not transferable to another school corporation should the teacher leave the Rensselaer Central Schools Corporation.
5. Any participating Teacher finding it necessary to borrow Sick Leave Bank days and subsequently electing not to return to active employment (should his/her health permit, eligibility to be determined by appointed or approved physician) with the Rensselaer Central Schools Corporation, or electing to accept employment elsewhere immediately following illness, shall repay the Rensselaer Central Schools Corporation in cash for the Sick Leave Bank days borrowed in an amount equal to that paid his/her respective substitute during the time the Teacher borrowed from said Bank, but in no case more than the Teacher would have earned. In the event the Teacher elects not to return to active employment (should his/her health permit), he/she shall repay this cash amount in total or at the rate of an agreed upon cash amount per year for five years immediately following his/her health eligibility to return to active employment. All unpaid balance shall be due at the end of the fifth year. This requirement may be waived if the individual is terminated.
6. The Committee may grant up to the number of days requested provided this request does not exceed one-half (1/2) the total days in the Bank at the time the request is made.
 - (a) At no time may an individual member of the Bank be granted more than a total of 180 days in any given three (3) year period.
 - (b) At no time may the committee grant more days than currently available.
 - (c) If prior to October 1st the Bank falls below 50% of the highest figure contributed to date, the Committee shall solicit new contributions to the Bank.

Miscellaneous Provisions

1. The granting of days is subject to availability but never shall be less than one's current contribution.
2. In cases of emergency, by mutual consent of the Board and the Association, any provisions of this agreement may be waived. The Committee shall determine the nature of the emergency.

3. If appeal of any Committee decision becomes necessary the final appeal will be to the membership of the Bank.
4. Any costs other than administrative costs shall be borne by the Association. (These costs are limited to appointed physician's costs only.)
5. Application for the granting of Sick Bank days may be made by the personal representative in cases where the individual employee is unable to do so.
6. The total number of days contributed by any individual shall not be a determining factor in granting use of the Bank.

Section C. Bereavement

In the case of a death(s) within the immediate family, the Teacher shall be provided with a bereavement leave of five (5) successive school days or three (3) successive days and two (2) additional days for estate business to be used within 120 days of the death. The immediate family shall be interpreted as spouse, child, miscarriage (both parents), step-child, grandchild, mother, father, sister, brother, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents, partner, or any other member of the family unit in the same household. Step-relatives shall be considered immediate family as listed above. If more than one death in the immediate family should occur, five (5) working days will be granted for each death. In the event the death occurs within the immediate family and that family member's services or financial affairs require a different arrangement of bereavements days, arrangements are to be approved by the Superintendent.

One (1) working day shall be granted for the death of a brother-in-law, sister-in-law, aunt, uncle, niece or nephew. One (1) working day, to attend the funeral, will be granted to any teacher who is part of the final services.

Section D. Family Illness

A Teacher shall be allowed to be absent up to five (5) days in any school year without loss of compensation in case of serious illness of a father, mother, sister, brother, spouse, child, grandparent, grandchild, or in-law. The use of more than three family illness days will result in the reduction of personal illness days by a one-to-one ratio. The Teacher will be required to inform the principal of the relationship to the Teacher of the person that is seriously ill.

Section E. Personal Business

Each full-time Teacher employed under regular contract shall be entitled to three (3) days of absence per school year without loss of pay for the transaction of personal business and/or the conduct of personal or civic affairs. Personal Leave Days should not be used for the sole purpose of extending vacation. If in any one school year the Teacher shall be absent for reasons covered in this provision for fewer than three (3) days, the remaining days shall accumulate to a total of six (6) days. After six (6) days have been accumulated, the remaining days shall be added to the teacher's accumulated sick days. No more than three (3) consecutive school days may be used at one time for the transaction of personal business and/or the conduct of personal or civic affairs. A written statement shall be submitted to the Office of the Superintendent prior to the occurrence of each leave.

Section F. Disability

The following shall apply to sick leave in all cases where a Teacher is unable to teach because of a disability substantial in nature or duration, except childbirth which is covered in Section H of this article. Such physical disability shall include, among other items, disability arising from major surgery, physical illness, mental illness or severe emotional disturbance, causing disability for more than three (3) weeks.

1. Anticipated Disability - Where disability can reasonably be anticipated, as in the case of a scheduled operation or childbirth, the following rules shall apply:

- (a) the teacher requesting leave shall notify the Office of the Superintendent of the expected time of leave as soon as reasonably possible
- (b) the leave of absence shall begin at the end of a grading period, whenever possible, and
- (c) where the Teacher's condition raises any serious problem to the Teacher's health in the period to the beginning of leave, the School Corporation may request, and condition the time leave begins on a statement by the Teacher's physician as to the Teacher's ability to continue teaching.

2. Time of Return to Teaching Duties - Subject to the notice and other requirements set out in subparagraph 5 of this paragraph G, the Teacher may resume teaching duties at such time as in this opinion of the Teacher and the Teacher's physician that the teacher is able to resume teaching. The School Corporation may, at its option, require the certificate of the physician to this effect.

3. Notice of Return to Teaching - As soon as reasonably determinable after the commencement of the disability leave, the Teacher shall notify the office of the Superintendent of the estimated time of return to teaching, or of the fact that the Teacher does not intend to resume teaching duties, and shall, if intending to return to teaching, keep the School Corporation advised of any change in such estimated time. Teachers intending to resume teaching duties shall so notify the Office of the Superintendent as soon as they have recovered from their disability, and shall furnish the School Corporation proof of the continued disability at any time during such disability, if requested by the Superintendent of Schools. Unless waived by the School Corporation, the Teacher shall not be entitled to return to teaching duties unless at least two (2) calendar week's notice is given by the Teacher of the intention to return to work.

4. Position to Which Teacher Returns - Upon a teacher's return to work, the School Corporation shall assign the teacher to the same position held by such Teacher when leave commenced or to a substantially similar position, except in the following instances:

- (a) where the position and such substantially similar position have been filled by a teacher pursuant to a temporary or regular teaching contract;
- (b) where the return is within six (6) weeks of the end of a semester.

In either such event, the Teacher shall be assigned a teaching position in the following order

of preference: to any available position for which the Teacher is qualified or to a position as a full-time substitute. Such alternate assignment shall extend solely to the end of any current semester if the disability began within such semester. In any case, the Teacher, if otherwise entitled to a contract at the commencement of the next school year, shall be assigned in accordance with the procedures under applicable law.

5. Limitations - No leave under this policy may be granted for a period exceeding one (1) year.
6. Sick Leave - Any Teacher taking leave of absence under this policy may use any days of sick leave which the Teacher has accumulated under applicable law or under the School Corporation's sick leave policy, but shall be required, at the option of the School Corporation, to present a doctor's certificate of disability to justify such use of accumulated sick leave days.

Section G. Emergency Leave

Upon a Teacher's written request to the Superintendent, any leave granted to a Teacher may be extended with Board approval.

Section H. Childbirth Leave

1. Maximum Leave - A Teacher who is pregnant shall be entitled upon request to a leave of absence for a period commencing at the time of physician certified pregnancy through one (1) year following live birth of the child, subject to this section. However, this Section H (1) shall be limited to only one (1) Teacher per family in this School Corporation.

4. Use of Sick Leave - Any Teacher taking leave of absence under this policy may use any days of sick leave which the Teacher has accumulated, but shall be required, at the option of the School Corporation, to present a doctor's certificate of disability and personal physical inability to teach to justify such use of accumulated sick leave days. Such use of sick leave shall be limited to the Teacher's personal disabilities directly related to birth of the child.
5. Position to Which Teacher Returns - Upon a Teacher's return to work, the School Corporation shall assign the Teacher to the same position held by such teacher when leave commenced or to a substantially similar position, except in the following instances:
 - (a) Where the position and such substantially similar position have been filled by a

- Teacher pursuant to a temporary or regular teaching contract;
(b) where the return is within six (6) weeks of the end of a semester.

In either event, the Teacher shall be assigned a teaching position in the following order of preference: to any available position for which the Teacher is qualified, or to a position as a full-time substitute. Such alternate assignment shall extend solely to the end of any current semester if the disability began within such semester. In any case, the Teacher, if otherwise entitled to a contract at the commencement of the next school year, shall be assigned in accordance with the procedures under applicable law.

A Teacher returning to the School Corporation at the end of a full year of unpaid leave shall notify the Superintendent of Schools, in writing, of his/her intent by the first (1st) day of March proceeding the next school year. Teachers electing to be covered by this plan may select either the single plan or the family plan and the Teacher shall pay any necessary difference for the premium. The Board will contribute to the individual Teacher's group dental insurance carried through the Rensselaer Central School Corporation as follows per month:

Family Plan	\$50.00
Employee + Children	\$50.00
Employee + Spouse	\$50.00
Employee Only	\$18.40

Section D. Vision Insurance

The board will maintain and contribute toward a vision insurance plan. Teachers electing to be covered by this plan may select either the single plan or the family plan and the Teacher shall pay any necessary difference for the premium. The Board will contribute to the individual Teacher's group vision insurance carried through the Rensselaer Central Schools Corporation as follows per month:

Family Plan	\$7.19
Employee +1	\$7.19
Employee Only	\$7.19

Section E. Refunds

In the event of any refund by insurance companies made on teacher-related policies, such refunds shall be returned and paid to the teacher who paid premiums on a pro-rata basis or be applied to adjusting future premium payments in such insurance plan.

Section F. Section 125

The School Board agrees to maintain a Salary Reallocation Plan under Section 125 of the Internal Revenue Code.

Section G. Insurance While on Unpaid Leave

Any Teacher on a leave, who is not being compensated for such leave or whose compensation for such leave has expired, may continue his/her insurance by paying to the School Corporation an amount equal to the total sum of the cost of the insurance prior to such leave (or when compensated leave expires), and the School Corporation shall thereupon continue the insurance for such teacher for the duration of the leave so anticipated.

Section H. Severance

An individual who is employed as a bargaining unit member at the time of retirement, has completed not less than fifteen (15) full years of service as a professional educator with the Rensselaer Central Schools Corporation, and has reached the age of fifty-six (56), will be eligible for the following group health benefit provided the teacher has otherwise satisfied the requirements and conditions described below.

Immediately following retirement, the Teacher and his/her spouse, if any, shall have the option of remaining in the Rensselaer Central Schools Corporation's current group health insurance plan if all of the following conditions are met as of the date of retirement and thereafter:

- a. While the retired Teacher and spouse, if any, remain enrolled in the health insurance plan, the retired Teacher and spouse shall pay the entire insurance premium applicable to the

insurance coverage, with the premium payment to be made monthly for each succeeding year.

- b. Within ninety (90) days of the severance date, the Teacher has provided a written request to the School Corporation for continuing insurance coverage for the Teacher and spouse, if any.

When a retired Teacher first becomes eligible for Medicare, the teacher's eligibility to continue to participate in the Rensselaer Central Schools Corporation's group health insurance plan shall terminate, if not earlier terminated according to applicable law. (The same termination of eligibility shall also apply when a retired Teacher's spouse first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible Teacher's right to continue health insurance for the Teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8.2.6. Therefore, this right to extended coverage shall not override any rights to continuing health care coverage as required by COBRA.

Section I. Insurance for Teachers on a Partial Load

The Board contributions for life, medical, and dental insurance will be prorated for a Teacher teaching less than a 100% contract (i.e. a Teacher with a ½ day contract will receive 50% of the board contributions toward these benefits).

Section J. Initiation and Termination of Insurance

Representatives of the parties shall meet with a representative from the insurance carrier during the term of this agreement to discuss initiation and termination of insurance.

Article VI:

Buy Out of Retirement Benefits

Section A. Elimination of Prior Master Contract's Retirement Bridge and Severance Benefits

The Board and the Association specifically reserved the authority to revise or terminate the retirement benefits contained in earlier agreements. Those teachers who retired before the effective date shall only be entitled to the retirement benefits contained in the prior Master Contract as of the time of his or her retirement, but as may be otherwise revised from time to time.

Section B. Entitlement to Retirement Benefits and Vesting Requirements

Upon retirement from the Rensselaer Central Schools Corporation, a teacher shall be fully vested in the retirement benefits described in this Article if the retiring teacher has satisfied the following vesting requirements:

1. The retiring teacher has reached the age of fifty-six (56); and

2. Immediately prior to retirement, the teacher must have completed not less than fifteen (15) full years of service as a professional educator with the Rensselaer Central Schools Corporation.
3. The retiring teacher must submit a written unconditional and irrevocable letter of resignation to both the Board and the Superintendent no later than March 1 of the year when retirement is to begin. However, in the event a teacher is unable to give the required notice because of an accident, ill health, or for another unforeseen reason as determined by the Board, the Board shall accept the teacher's late letter of retirement.
4. A retiring teacher who is eligible for severance only, as provided for in the Agreement immediately before this amendment's effective date, will not have the offset taken away from the total severance pay as calculated at the time of retirement. Further, such payment shall be made into the individual's VEBA account.

Section C. Actuarial Determination of Value of the Current Retirement Benefits

The Educational Services Corporation was selected to determine the present value of the un-funded benefits described in the terminating sections of the Master Contract. In making this present value determination, the Educational Services Corporation shall use the following assumptions:

1. The assumed interest rate for the purpose of determining the present value is four percent (4%) in the first two (2) years of the plan and seven and one half percent (7.5%) each year thereafter. However, for post-retirement cash flow purposes, a four percent (4%) interest rate shall be used.
2. It is assumed that an employee terminates employment at the end of the school year in which the employee attains age fifty-eight (58), or at the end of the current year if the individual is already age fifty-eight (58) or older. If an employee continues employment after the attainment of age fifty-eight (58), the employee does continue to receive all ongoing Board contributions to the 401 (a) and VEBA, and the employee does continue to share in any future forfeitures.
3. The Board's contribution to the annual post-retirement single or family health insurance premiums will be assumed to be three thousand dollars (\$3000.00). Irrespective of the teacher's anticipated date of retirement, no further increase in this annual cost is to be assumed. Furthermore, payments will be deemed to terminate when the individual would otherwise be eligible for Medicare.
4. The anticipated amount of the retirement bridge shall be determined using the amount of annual benefit described in Article XIX of the Master Contract before this Amendment. However, it is assumed that individuals do not retire until the later of: (a) the attainment of age fifty-eight (58), or (b) satisfaction of the eligibility requirements of this Article.
5. Using the method of calculation described in Article XIX of the Master Contract before this Amendment, the benefit for each employee will be determined, subject to the following adjustments:
 - (a) Sick leave accumulation shall be calculated as of June 30, 2004
 - (b) The employee's base daily rate will be increased by assumed years of service.

6. The present value of these future benefits will be reduced by the Social Security and Medicare taxes (FICA) that would have been payable if these benefits had been paid directly to the employee.
7. Employees hired after the 30th day of June, 1995 shall not be entitled to any payment for the eliminated benefits. In other words, no contribution shall be made for individuals hired or rehired on or after the 30th day of June 1995. However, all employees hired through the 2003-04 school year shall receive a buyout amount for health insurance.
8. Amounts forfeited upon termination of employment because of the failure to meet the vesting requirements in Section B shall not be reinstated or re-credited if an individual is subsequently rehired or re-employed by the Rensselaer Central Schools Corporation. However, if the Board approves a leave of absence for an employee, such period of leave shall not result in forfeiture, provided the employee shall promptly return to employment following the expiration of the period of leave.
9. The present value of these benefits under the Master Contract before this Amendment shall be calculated, effective as of the 30th day of June, 2004.
10. To confirm the accuracy of the underlying information to be used in the present value calculations, each teacher shall be provided with his or her basic data that will be used in the calculations, including, but not limited to, the following information as of the 30th day of June, 2004: base salary, age, years of service, and accumulated sick leave. The RCCTA shall assist in the preparation of this verification sheet for each teacher. However, the Board will have the responsibility to forward the verification sheets to the respective teachers. Any corrections must be returned to the Board within ten (10) days of receipt of the verification sheets.

Using the above assumptions and the other assumptions contained on the buyout spreadsheet, the Educational Services Corporation shall prepare the present value calculations for each teacher and the contributions described hereinafter will be made.

Section D: Buy Out Contributions

1. VEBA. The Rensselaer Central Schools Corporation shall contribute to a voluntary employees' beneficiary association ("VEBA") as described in section 501(c)(9) of the Internal Revenue Code, that amount representing the present value of the group health insurance benefits (and term life insurance*) as calculated for all employees under subsection C above. The RCCTA shall be the organization administering the VEBA and shall determine the single investment vendor for the VEBA. The terms and conditions for the administration and operations of the VEBA shall be as follows:
 - (a) The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the vendor for the VEBA.
 - (b) Until such time that an employee has retired and satisfied the vesting requirements in Section B, the employee shall have no access to the assets held in his or her separate VEBA account.
 - (c) If an employee retires or otherwise terminates employment before satisfaction of the vesting requirements in Section B, the terminated employee's VEBA account shall

be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. This reallocation shall be in a manner similar to that used by the Educational Services Corporation in initially determining the present value calculations. The VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:

- (i) Employees who forfeited their VEBA accounts in the same year;
- (ii) Employees who previously forfeited their VEBA accounts; and
- (iii) Employees who have terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of fifty-eight (58), but have not terminated employment may share in the reallocation forfeiture, but on a reduced actuarial basis.

- (d) Following retirement and the satisfaction of the vesting requirements in Section B, a retired employee may use the amounts held in his/her separate VEBA account to pay health insurance premiums, term life insurance premiums, and to be reimbursed for un-reimbursed medical expenses of the employee, spouse, and dependents. Furthermore, following the death of an employee who had otherwise satisfied the requirements of this Article, any amounts remaining in the deceased employee's VEBA account may continue to be used to pay these premiums and expenses of the employee's spouse and dependents. At no time may the VEBA make loans to an employee, his/her spouse, or his/her dependents.
- (e) The Rensselaer Central Schools Corporation shall not be paid any compensation for its services performed on behalf of the VEBA. All costs incurred in the administration of the VEBA and investment fees shall be paid from the VEBA assets.
- (2) 401(a) Plan. The Rensselaer Central Schools Corporation shall establish a qualified retirement plan as described in section 401(a) of the Internal Revenue Code. The total sum of the amount calculated by Educational Services Corporation as the present value for the retirement pay and severance benefits shall be contributed by the Rensselaer Central Schools Corporation to the 401(a) plan by the 31st day of December, 2004. The single investment vendor for the 401(a) plan shall be determined by the RCCTA. The 401(a) plan's terms and conditions for the administration of the 401(a) plan shall be as follows:
 - (a) The amount calculated for each employee will be invested in a separate account. There will be no commingling of accounts and each employee may determine how his or her account shall be invested among the investment options made available by the investment vendor for the 401(a) Plan.
 - (b) Until such time that an employee has retired and satisfied the vesting requirements in Section B, the employee shall have no access to the assets held in his or her separate 401(a) plan account.
 - (c) If an employee retires or otherwise terminates employment before satisfaction of the vesting requirements in Section B, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts in a manner

similar to that used in initially determining the present value calculations. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:

- (i) Employees who forfeited their 401(a) plan accounts in the same year;
- (ii) Employees who previously forfeited their 401 (a) plan accounts; and
- (iii) Employees who have terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401 (a) plan accounts of employees who have attained the age of fifty-eight (58), but have not terminated employment may share in the reallocation forfeiture, but on a reduced actuarial basis.

- (d) Following retirement and the satisfaction of the vesting requirements in Section B, a retired employee may elect to commence distributions from his 401(a) plan account. If an employee dies after having satisfied the requirements of this Article, the deceased employee's 401(a) plan account shall be distributable to the decedent's designated beneficiary or to his/her estate if no beneficiary designation has been made. At no time may a participant borrow from his 401(a) plan account.
- (e) The Rensselaer Central Schools Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the administration of the 401(a) plan and investment fees shall be paid from the 401 (a) plan assets.

Section E: Future Adjustments

The parties agree that this Article, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Article shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.

- D. Each Teacher shall be 100% vested in these individual 401(a) accounts upon the completion of the Teacher's fifth year of continuous employment with the Rensselaer Central Schools Corporation.

Article VIII Retirement Savings VEBA Plan

- A. The Rensselaer Central Schools Corporation shall contribute to the voluntary employees beneficiary association ("VEBA") as described in section 501(c)(9) of the Internal Revenue Code. The Board agrees to contribute:

The Board shall make equal monthly contributions throughout the school year, and will complete its contributions on or before September 1 of each succeeding year. There will be no commingling of accounts and each Teacher may determine how his or her account shall be invested among the investment options made available by the investment vendor for the VEBA Plan. The single investment vendor for the VEBA plan shall be determined by Local Association.

- B. Each bargaining unit member is considered vested in these individual VEBA accounts upon the completion of his/her fifth year of continuous employment with Rensselaer Central Schools Corporation.

----------------------------	--------

- C. Education – A teacher who possesses an additional content area degree or content area hours beyond the requirements for employment satisfies this factor. Eligible content area means any content area defined by the Indiana Department of Education. \$1000 is attributed to this factor.

2025-2026

- A. Each step will be increased by \$2500 as a teacher retention catchup base salary increase.
- B. Teachers will be placed on the 2025-2026 salary schedule in the row and column that is closest to but not less than the teacher's 2024-2025 salary. For example, if the teacher's 2024-2025 salary was \$51,000, the teacher would be placed on the 2025-2026 salary grid at \$51,500.
- C. The teacher shall then advance two (2) rows on the schedule. Continuing this example, if I am placed at \$51,500 and then advance two (2) rows at \$1000 per row, my 2025-2026 base salary would be \$53,500.
- D. Teachers will advance to the next available early literacy endorsement column if they satisfy the instructional leadership factor.

2026-2027

- A. Teachers will advance one step on the salary schedule if they satisfy the academic needs factor. If the base salary increase becomes a stipend, teachers will not advance on the schedule.
- B. Teachers will move over to the next available education column if they satisfy the education factor.
- C. Teachers will advance to the next available literacy endorsement column if they satisfy the instructional leadership factor.
