If any such grievances arise, there shall be no stoppage or suspension of work because of such grievances; but such grievances shall be submitted to these grievance procedures.

The filing of a grievance must involve the Association in the processing of that grievance to its conclusion or abandonment.

### **A. Definitions As used in this Procedure:**

1. "Grievance" means, and shall be limited to, an alleged violation of an article(s) or section(s) of this Master Contract in its application or interpretation, except where such article or section is exempt from this procedure.
2. "School Corporation" means the North Daviess Community Schools, Elnora, Daviess County, Indiana.
3. "School employer" means the Board of School Trustees of the North Daviess Community Schools.
4. "Teacher" means any individual or groups of individuals in the bargaining unit.
5. "Superintendent" means the chief administrative officer of the school corporation, or any person(s) designated by him/her to act on his/her behalf in dealing with teachers.
6. "Grievant" means the certificated school employee directly affected by the alleged violation making the claim.
7. "Day" means school employer assigned teacher days which occur during the term of a teacher's individual contract; provided, however, that at all other times, "day" shall mean weekdays.

### **B. Purpose**

The purpose of this Grievance Procedure is to settle grievances at the lowest possible level. Both parties agree that these proceedings shall be kept as confidential as may be appropriate and lawful at each level of the procedure.

### **C. Procedure**

1. Grievances shall be handled as rapidly as practical. The number of days indicated at each level should be considered as a maximum and every reasonable effort will be made to expedite the process. The time limits may be extended by mutual consent in writing by authorized representatives of each party.
2. It shall be the general practice of all parties to process grievances during mutually agreed to times.

3. All grievances shall be filed on the form set forth in Appendix D.
4. All documents, written communication, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the grievant or witness and shall not be considered in evaluations or consideration of awarding any professional advantage to a teacher.
5. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
6. If the school employer fails at any step to communicate its decision on a grievance within the specified time limit, the grievant shall win and receive the requested relief.
7. Any grievance not advanced by the grievant from one step to the next within the time limit, shall be deemed resolved by the answer at the previous step. The failure of the grievant to advance the grievance shall not serve as a precedent in any subsequent grievance.
8. If there is a grievance which affects a group of teachers, the Association may, on behalf of the teachers, initially file the grievance at Level 3.
9. A grievant may be accompanied by an Association representative at each step of the grievance procedure.

### **Level One**

The teacher with a grievance shall within twenty five (25) days, if possible, first discuss the matter with his immediate administrator, either individually or with a representative of the Association, with the objective of resolving the matter informally. If the grievant has requested Association representation, the administrator shall not initiate any consultation with the grievant prior to any scheduled meeting at which an Association representative is to be present. Once reduced to writing, a grievance may be advanced to Level Two by the mutual and written consent of the grievant and the Association.

### **Level Two**

In the event the grievance is not resolved to the satisfaction of the grievant at Level One, the grievance may be reduced to writing on the form included as Appendix D to this Agreement, signed and copies submitted to the Association, the immediate administrator, and the Superintendent. This formal grievance must be submitted within ten (10) days of the disposition of the grievance at Level One.

Within five (5) days of the filing of the grievance in writing, a meeting shall take place between the immediate administrator involved, the Grievant, and the Association representative. An answer to the grievance shall be given to the grievant in writing within ten (10) days after the meeting.

### **Level Three**

If the grievance is not settled at Level Two, it may be appealed to the Superintendent within ten (10) days by filing a written notice with the Superintendent stating the grounds for the appeal. A meeting with the Superintendent shall be held within seven (7) days following the receipt of such notice and the Superintendent shall promptly notify the Grievant and the Association of the date, the time, and the place where such appeal

shall be heard. The Superintendent's written decision shall be transmitted to the grievant and the Association within ten (10) days after the meeting.

#### **Level Four**

Within thirty (30) days of receipt of the decision at Level Three, the grievance may be submitted to advisory arbitration. The Association shall notify the Superintendent of its intention to submit the matter to arbitration within this thirty (30) day period. After notification that the grievance is to be submitted to arbitration, the following procedure shall be followed:

1. The Board and Association by their authorized representatives shall select an arbitrator from a list of persons drawn up by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration hearing.
2. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this contract or applicable board policy(s).
3. The Board and the Association agree that neither party shall be permitted to assert or offer in an arbitration proceeding any ground or evidence not disclosed to the other party prior to the arbitration hearing.
4. Each of the parties shall bear the expense of preparing and presenting its own case in arbitration. The filing fee and costs and expenses of the arbitrator shall be borne equally by the parties. Each party shall bear the fees and expenses of its respective witnesses and/or attorneys and other costs for arbitration.
