Teachers who have been employed with the school district for 1 or more years will receive 12 personal leave days. Non-full time teachers will receive personal leave days on a prorated basis based upon the ratio of 1 day per 8% of regular teaching contract. Unused personal leave days may accumulate from year-to-year up to maximum accumulation of ninety (90) days. Unused accumulated personal leave days will transfer to subsequent years as sick days. Any teacher who had accumulated more than 90 sick days as of June 30, 2005 and who, while still employed as a full time teacher by Board, exhausts all ninety (90) of his/her sick days due to illness or injury will be granted additional sick days by Board not to exceed in number the difference between such teacher's accumulated sick days as of June 30, 2005 and ninety (90).

If possible, teachers shall submit a request to use a personal leave day to the building principal 24 hours in advance using the appropriate protocol. Leave days requested less than 24 hours before the start of the leave day will be processed as a sick day. If no sick days are available, a teacher may take the day as unpaid or request approval to use a personal day from their principal. Requests for a leave connected to an extended break must be provided with at least 72 hours notice.

If a teacher has taught in another school system and has accumulated sick leave, this school system will accept ten (10) days per year from the previous system upon completion of the first year of teaching until transferred days are exhausted.

Teachers who are employed to teach summer school will not accrue any sick leave or personal leave, but may use up to two (2) days if a balance is available from the preceding school year. A teaching day in summer school shall be equal to a regular school year teaching day.

Personal leave of three or more days requested consecutively must be approved by the school Principal. The school corporation retains the right to request doctor documentation for any sick leave in excess of 3 consecutive days.

Additional days may be requested to attend extended workshops and travel to distant locations for workshops. Specific information (dates, purpose, location, etc.) must be provided to the Administration ten (10) days in advance. Approval or denial of this request will be made by the building Administration and the Superintendent.

7.3 Jury Duty and Court Appearance

7.4 Extended Illness Leave

A leave of absence without pay or increment may be granted for the purpose of caring for a sick member of the teacher's immediate family upon approval of the Superintendent and building principal. The term immediate family shall mean spouse, parents, children, or a person who is living in the teacher's home as a member of the family.

2. In cases where multiple deaths occur in one incident, only one leave will be permitted.
3. In computing this leave provision, either the day of the death, or the day on which the teacher receives notification of the death, or the day immediately following either of these events shall be counted as the first day of the leave, at the teacher's option. Under special circumstances, the teacher may choose to delay all or part of the bereavement leave at the teacher's discretion.
4. Bereavement leave for each death of aunts, uncles, nieces, or nephews shall be granted for a period not to exceed three (3) teacher days.

Any teacher who is pregnant or adopting a child shall be granted a leave of absence any time between the commencement of her pregnancy and one (1) year following the birth/adoption of the child, if she notifies the Superintendent at least thirty (30) days before the date on which she wishes to start her leave. She shall notify the Superintendent of the expected length of this leave, including with this notice either a physician's statement certifying her pregnancy or a copy of the birth certificate of the newborn, whichever is applicable. However, in the case of a medical emergency caused by pregnancy, the teacher shall be granted a leave, as otherwise provided in this section, immediately on her request and the certification of the emergency from an attending physician.

All or part of a leave taken by a teacher because of a temporary disability caused by pregnancy may be charged, at her discretion, to her available sick days. However, the teacher is not entitled to take accumulated sick leave days when the teacher's physician certifies that the teacher is capable of performing the teacher's regular teaching duties. The teacher is entitled to complete the remaining leave without pay.

7.8 Parental Leave

1. A teacher, upon request, shall be entitled to one (1) year of parental leave without pay for the primary purpose of child care following the birth or adoption of a child.

- a. This leave may be taken without jeopardy to employment status, retirement, and salary benefits, and teacher status and seniority rights.

This leave may be taken without jeopardy to employment status, retirement and salary benefits, and teacher status and seniority rights.

In the event that a teacher is absent due to injury sustained on the school premises and such leave is determined to be compensable under Workers Compensation laws, absences shall not be charged against the teacher's leave time. The Board shall continue the teacher's wages in full and shall pay the difference between Worker's Compensation payments and the contractual salary of the teacher for a period not to extend 180 days. For the teacher to be eligible for this leave, the teacher must cooperate with any investigation that may be associated with the situation prompting this leave.

7.11 Public Health Emergency Leave

In the event that a public health emergency has been declared, up to 10 leave days per year will be available to teachers who are placed in quarantine.

The Sick Leave Bank shall be a source for additional sick leave days when a bargaining unit member's sick and personal business leave is exhausted and they are unable to perform their normal duties.

 2. The committee shall meet during the school year as needed.

3. In each case, a minimum of three (3) favorable votes by the Sick Leave Bank Committee is required to grant use of days from the Bank.
 4. Requests for use of the Sick Leave Bank Committee shall be made in writing to the Committee.
 5. The decision of the Sick Leave Bank Committee shall be final and may not be grieved.
- C. The Committee shall use only the following criteria for granting use of the Sick Leave Bank.
1. The applicant must be a current participant in the Sick Leave Bank.
 2. An eligible teacher or authorized designee shall make a written application to the Committee for leave under this provision. Said application shall be accompanied by a physician's certificate stating the nature, possible length of absence, and prognosis of the teacher's condition.
- D. Upon return to work, the teacher shall repay the Sick Leave Bank for days owed (number of days borrowed minus number of days contributed) at a rate of three (3) days per year. If a member retires, resigns, or for other reasons leaves the corporation before repaying the Sick Leave Bank, the debt shall be waived.
1. Sick leave days donated to the bank by a teacher are considered a permanent contribution to the Bank and may not be withdrawn or transferred to another school corporation.
 2. In the event that the total number of days in the Sick Leave Bank should drop below thirty (30) days, each member of the Bank shall be assessed an additional leave day in order to rebuild the Bank. If at that time a member has no remaining leave days, he/she will be exempt from this requirement.
 3. Up to ten (10) sick days may be donated to the Sick Leave Bank by a retiring teacher.

ARTICLE 9

This buy-out extinguished former Articles 19, 20 and 21 of prior agreements. The parties acknowledge and agree that the Board has satisfied all of its obligations to pay as required by the buy-out agreement. Copies of the language of the negotiated buy-out provisions are available in the Superintendent's office.

ARTICLE 10

Grievance Procedure

10.1

"Grievance" is defined as any difference that arises between the Employer, and the Association, or one or more members of the bargaining unit, involving an alleged violation, misinterpretation or misapplication of this Agreement. (Established Policy Handbook).

10.2

Informal Level: An informal meeting between the building principal and the involved teacher will be held prior to the filing of a formal grievance in an attempt to resolve the problem to their mutual satisfaction. This discussion shall occur within 20 work days of the occurrence if the complaint is to be carried to the formal level.

10.3

Formal Level One:

If the problem is not solved at the informal level within the foregoing time limits, a formal written grievance (on forms supplied by the Association and signed by the grievant) may be filed with the principal within fifteen (15) work days of the informal meeting. The written grievance shall set out the section or sections of this agreement allegedly violated, misapplied, or misinterpreted by the Employer, facts constituting the grievance and the remedy sought.

Within fifteen (15) work days after receipt of the written grievance, the principal will render a decision. The principal shall meet with the grievant and present his/her decision in writing to the grievant. The written decision shall state the Principal's reasons for supporting or denying the grievance. The Principal and the grievant shall each have the right to have a representative present at this meeting.

10.4

Formal Level Two:

If the problem is not solved at Formal Level One, the grievance may be filed by the grievant with the Superintendent in writing within fifteen (15) workdays of the principal/grievant meeting.

After considering the written grievance and the principal's written decision, the Superintendent will meet with the grievant within fifteen (15) workdays in an attempt to resolve the grievance.

Within fifteen (15) workdays from meeting with the grievant, the Superintendent will render a decision in writing.

10.5

Formal Level Three:

If the grievance is not resolved in the previous steps, either party may make a request in writing for arbitration of the grievance by asking the Federal Mediation and Conciliation Service to submit the names of ten (10) qualified arbitrators to the parties. A "qualified" arbitrator shall be deemed to be one who is a member of the National Academy of Arbitrators. The parties shall select an arbitrator to hear the complaint by alternately striking one name from the list of arbitrators until only one arbitrator remains, who shall be deemed appointed to hear the matter. The grievant shall make the first strike from the panel. Such request for arbitration shall be made within ten (10) work days after the Superintendent renders his/her written decision as set forth in Article 7.4, Step C.

10.6

The arbitrator shall have no authority to amend, revise, or delete any provision of this agreement and shall consider only the issue submitted to him for determination. The arbitrator's decision is final and binding on all parties.

10.7

The fee of the arbitrator shall be borne equally by both the Employer and the Association.

10.8

A copy of all grievance decisions shall be recorded in the Superintendent's office and the Association office.

10.9

The grievant and the administrator may have a representative of his/her choice present at any level.

10.10

In the event that the arbitration is scheduled during the time that school is in session, the Association president or his/her or their designee, and Association witnesses will be released to attend such hearing without loss of compensation. However, the Association will reimburse the School Corporation for resulting sub-teacher pay. The Association agrees to keep interference to the normal educational process at a minimum.

10.11

Article 10.5 through 10.7 and Article 10.10 do not apply to teacher discipline or dismissal proceedings.
