ARTICLE 1: RECOGNITION

- 1.** When used in this contract, the Board of School Trustees of the Portage Township Schools shall hereinafter be referred to as the “Board”. The Portage Association of Teachers, an affiliate of the Indiana State Teachers Association and the National Education Association, shall hereinafter be referred to as the “Association”. The Board hereby recognizes the Association as the “exclusive representative”, as defined in IC 20-29-2-9, of all “school employees”, as defined in IC 20-29-2-13. This recognition shall continue for the duration of this contract and shall continue automatically unless successfully challenged in accordance with IC 20-29-5-3. It is understood and agreed to by both parties that the Indiana State Teachers Association and the National Education Association are not parties to this contract.
- 2.** The terms “school employee”, “school employees”, “teacher”, or “teachers” are used synonymously in this contract and shall refer to all persons except those specifically excluded in the next sentence, under contract with the Portage Township Schools as prescribed by the laws of the State of Indiana, whose official assignment requires a teacher’s license issued by the State of Indiana. Specifically, excluded from the bargaining unit are the superintendent, assistant superintendents, principals, assistant principals, business manager, assistant business manager, transportation director, data processing director, attendance officer, athletic director, assistant athletic director, G-T/Reading coordinator, Chapter I director, adult education director, adult education teachers, food services director, library-media director, head school nurse and other supervisors as the term “supervisor” is defined in IC 20-29-2-19.
- 3.** All references to gender in this agreement shall apply equally to either sex.

ARTICLE 2: GRIEVANCE PROCEDURE

1. A claim by a school employee or group of school employees that has been adversely affected by a violation, misinterpretation or misapplication of any provision of this contract, may be processed as a grievance as hereinafter provided. All written grievance forms shall be signed by the aggrieved employee(s).
2. Nothing contained herein shall be construed to prevent any school employee or group of school employees from initiating a grievance, proceeding through formal Step I and having the grievance adjusted, if the adjustment is not inconsistent with the terms of this contract. The Association shall be entitled to be present and present its views at any grievance meetings held pursuant to this section.
3. Any formal, written grievance submitted at Step II or beyond shall require the signature of the Association.
4. The Association may initiate a grievance on its own behalf if the governing body of the Association believes that the Association has been adversely affected by a violation, misinterpretation, or misapplication of any provision of this contract.
5. In the event a school employee or group of school employees believes that there is a basis for a grievance, the following steps are to be followed:
 - 5.1. Step I: The school employee shall, within twenty (20) days after the alleged violation, complete "Grievance Report Form: Step I" and submit the grievance form to the building principal. Copies of this form showing the date of the occurrence, a statement of the nature of the grievance, provisions of the contract allegedly violated, and the relief sought shall be submitted by the school employee to the Association. Within ten (10) school days of receipt of the Grievance Report Form, the immediate supervisor and persons of his choosing shall meet with the school employee and/or the Association representative in an effort to resolve the grievance. The immediate supervisor shall indicate his disposition of the grievance within five (5) school days after such meeting by completing his portion of the Step I Form and returning it to the school employee and his designated representative. If the occurrence being grieved is the result of a purported contract violation by the Superintendent and/or Assistant Superintendent and affects more than one (1) building, the "Grievance Report Form" after being completed by listing the buildings involved and

by being signed by at least one (1) individual school employee from each building involved may be filed directed with the Superintendent, thus eliminating Step I and going directly to Step II.

5.2. Step II: If the grievance is not satisfactorily resolved in Step I, or if no disposition has been made within the above time limits, the grievant and the Association shall within ten (10) school days complete "Grievance Report Form: Step II" and submit it to the Superintendent. Within ten (10) school days the Superintendent and/or his/her designated representative shall meet with the grievant and/or the Association in an effort to resolve the grievance. Within ten (10) school days of the meeting, the Superintendent shall indicate in writing his/her disposition by completing his portion of the Step II Form and forwarding it to the grievant, the Association and the supervisor who was involved at Step I. If the grievant fails to forward the Grievance Report Form to the Superintendent within ten (10) school days after receiving the disposition from the supervisor (Step I), then the grievance shall be considered waived.

5.3. Step III: If the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within the period provided in Step II, the Association may submit a written appeal to the President of the Board within fifteen (15) working days of the receipt of the written disposition by the Superintendent or his/her authorized representative, or in the event the Superintendent or his/her authorized representative fails to issue a written disposition within the time limit, within thirty (30) working days of the appeal of the grievance to Step II. The Board will review the grievance, make its decision, and notify the Association at the earliest opportunity. The decision of the Board shall be final.

6. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship to any party, the school employer may use its best efforts to process such grievance prior to the end of the school term. If the grievance is not resolved prior to the end of the school year, the term "school day" shall be interpreted as weekdays (Monday through Friday).

7. The cost of all grievance forms shall be borne by the Association and available from the building representative.

8. In the submission of any forms to individuals involved in the grievance process, dated and signed receipts shall be required to certify that individuals concerned have received the required notification.
9. All formal meetings required in Step I and Step II of the grievance process shall be at a mutually agreeable non-instructional time.

School employees who elect to extend coverage beyond their employment time shall do so at their cost. Monthly premiums shall be paid prior to the start of the month of coverage.
- 10.6.** School employees released under a reduction in force have the same rights of continuing their membership as any other employee who is leaving the employment of the Portage Township Schools. If those employees released under reduction in force elect for continued medical and/or dental coverage, the school employer shall pay, through September 30 of the same calendar year, the same percentage of the monthly premium as they did when the individual was employed.

11. Retiree Insurance

- 11.1.** A school employee who retires from Portage Township Schools and who qualifies for participation in the corporation's group health and dental insurance program under IC 5-10-8-2.6(e), may choose to remain on the corporation's group insurance plan until the retired employee becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq. The monthly premium cost is to be paid in advance by the retired school employee. If a retired employee's spouse pays the amount the retired employee would have been required to pay for coverage selected by the spouse, the spouse's subsequent eligibility to continue insurance under this section shall not be affected by the death of the retired employee. The surviving spouse's eligibility ends on the earliest of the following: (1) when the spouse becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et. seq., or (2) the date of the spouse's remarriage.

*Beginning in the 2023-2024 school year, teachers employed with PCES in the 2022-2023 school year and worked at a PTS school building, and have ten years combined experience with PCES and PTS, shall qualify for participation in this retiree insurance plan.

 - 2.1.1.** the number of accumulated sick leave days multiplied by fifteen hundredths of one percent (.0015) In the event that a teacher retires at the end of the first semester or at the end of the year, unused PTO days shall be converted to sick days.
 - 2.1.2.** multiply the result of 2.1.1 above by the current new teacher base salary amount. "New Teacher Base salary" is defined as the salary for teachers with no experience. Any type of co-curricular pay or pay for an extended contract is not a part of the base salary amount.
 - 2.2.** Teachers who notify the Superintendent in writing on or before January 1 of the year in which they intend to retire and retires at the end of the school year shall receive a one-thousand-dollar (\$1,000.00) one-time bonus payment, to be paid within sixty (60) days of the teacher's actual retirement. Such notice may be revoked by written notice submitted to the Superintendent. If the notice is revoked, then the teacher shall receive no bonus.
 - 2.3.** A retiring teacher may participate in or extend their participation in the school corporation's group health insurance program until the employee

becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq. provided the teacher pays the full insurance premium.

3. A school employee who retires shall have his/her benefits deposited into a post-retirement 403(b) account on behalf of the employee at the end of the school year in which the employee retires.
4. Upon the death of any school employee eligible for retirement pay, the retirement pays the employee would have been entitled to, had the employee retired, shall be paid directly, in a lump sum, to the person(s) designated by the deceased in writing to the school employer. If no beneficiary has been named for retirement pay benefits, the retirement pay will be paid to the beneficiary named on the teacher's life insurance policy. If no beneficiary has been named on the teacher's life insurance policy, payment will be made to the estate of the deceased.

ARTICLE 7: RETIREMENT SAVINGS PLAN

- 1.** Each employee shall have the option of investing in the 403(b) plan up to the maximum allowable under Federal law. Effective January 1, 2007, the employer shall contribute an amount equal to one percent (1%)
- 2.** The employer's contribution shall be invested in a 401(a) account in the employee's name. Employer contributions will be deposited into the 401(a) account on a monthly basis. The contribution to the 401(a) account on behalf of an employee will vest with that employee after the employee completes five (5) years of service with Portage Township Schools. For purposes of this article, one (1) year of service shall be credited upon completion of one hundred twenty (120) school days in a given school year. If the employment relationship of an employee is severed with Portage Township Schools prior to the 401(a)-accounting vesting, the amount in the account shall be equally distributed among the remaining 401(a) accounts.
- 3.** Once an employee becomes vested in the 401(a) account, all assets of the account become the property of the employee, and in the event of death, the employee's designated beneficiary, or estate, if no beneficiary exists on his 401(a) account. The employee shall not be permitted to make withdrawals from his/her employment with the Portage Township Schools.
- 4.** For those teachers hired prior to April 17, 2006 please refer to historical documents on file with the Superintendent and the Association for information regarding 401(a).
