INCLUDED: All certificated employees, as defined in Indiana Code 20-29-2-4 including social workers and intense behavioral therapists, of Carmel Clay Schools of Hamilton County, Indiana (hereinafter called “teachers” and “long term substitute teachers”) other than those excluded below:

ARTICLE 1: CONTRACT PROCEDURES

A. This contract shall constitute the full and complete commitments between both parties and may be altered, changed, added to, deleted from, or modified only through the voluntary mutual consent of the parties in a written and signed agreement.

B. Should any clause, portion, or paragraph of this Agreement be declared unenforceable, invalid, or illegal for any reason, it shall not affect the enforceability, validity, or legality of the remainder of this Agreement.

ARTICLE 2: PAID LEAVE FOR ASSOCIATION BUSINESS

The Association President, or his/her designee, shall be entitled to five (5) days each year for Association business without loss of compensation. An additional three (3) days are available for purposes of lobbying with the Indiana General Assembly. The Association may request that the Superintendent grant additional paid days for Association business and the Superintendent, in his discretion, may grant or deny any such request. The Board, for the cost incurred for substitute teachers, may bill the Association.

ARTICLE 3: GRIEVANCE PROCEDURE

1. A “grievance” is a claim by one teacher of a violation of an Article in this contract.

2. “Days” are calendar days except during the summer recess when days are defined as weekdays when the Educational Services Center (ESC) offices are open for business.

3. Nothing in this Contract shall limit the right of any teacher having a grievance from discussing the matter informally with any appropriate Administrator.

4. A teacher who files a grievance may request a representative be present when the teacher files the grievance and at any meetings held to address the grievance.

5. The process for addressing a grievance is as follows:

   Step 1:

   (a) Within twenty-five (25) days of the time the grievant first knew, or should have known, of the act or condition which is the basis for the grievance, a written copy of the grievance is delivered to the Superintendent’s office.

   (b) Within ten (10) days after receiving the grievance, the Superintendent/designee will determine if a meeting with the grievant is

necessary and, if so, will schedule a meeting to occur within seven (7) additional days or as soon thereafter as is convenient for the parties.

(c) The Superintendent/designee will reply to the grievant within ten (10) days after the meeting or, if no meeting is held, within ten (10) days after the grievance is filed.

(d) The Superintendent's designee (if one is used) shall send his/her decision to the Superintendent, grievant and the Association. If the grievance is denied by the designee, but is found by the Superintendent to be in violation of the terms of this Contract, he/she shall notify the grievant and the Association within five (5) days of his/her receipt of the designee's decision that the designee's decision has been overruled.

Step 2:

If the teacher is not satisfied with the Superintendent/designee's response, then the teacher has seven (7) days after the date of the Superintendent's response, or seven (7) days after the expiration of the Superintendent's five (5) day consideration period, whichever is less, to appeal the grievance to the Board of Education by providing written notice to the President of the Board and a copy to the Superintendent. The Board of Education will schedule a mutually agreeable time to hold a hearing on the appeal.

6. If the teacher does not file or appeal the grievance within the times set forth above, the grievance is invalid and cannot be pursued any further. If the Superintendent/designee fails to comply with any of the times above, the grievance is denied and the teacher will have ten (10) days to appeal the grievance to Step 2.

7. The decision of the Board does not preclude a breach of contract lawsuit.

ARTICLE 4: ALTERNATIVE CONTRACTS

The parent of a newborn child shall be entitled to an unpaid leave of absence for the remainder of the semester in which the birth occurs and for no longer than two (2) semesters thereafter provided (a) a written request has been submitted to the Assistant Superintendent of Staff & Student Services or designee at least thirty (30) days prior to the anticipated commencement of such leave; (b) the notice indicates the expected date of return from leave; (c) only one spouse of two married employees of the Board may take this unpaid leave at any one time.

3. A teacher who adopts a child shall be entitled to an unpaid leave of absence for the remainder of the semester in which the adoption occurs and for no longer than two (2) semester thereafter provided (a) a written request has been submitted to the Superintendent or designee as soon as possible following the teacher having learned the date the adoption is to occur; (b) the notice indicates the expected date of return from leave; and (c) only one spouse of two married employees of the Board may take this unpaid leave at any one time.

ARTICLE 12: CARMEL CLAY RETIREMENT PROGRAM

A. Teachers must submit a letter of retirement to the Superintendent or his/her designee by March 1 to retire by the end of the school year or October 1 to retire at the end of first semester. The Superintendent may waive this requirement.

B. Buy Out of Retirement Compensation

1. This section A applies only to teachers employed or on an approved leave in the 2002-2003 school year and only to teachers who will be at least fifty-four (54) years old and will attain their earliest retirement date with unreduced benefits under INPRS on or before June 30, 2018.
2. The present value of each eligible teacher's retirement compensation as of June 30, 2003 was calculated using assumptions set forth below based on (i) actual sick leave as of June 30, 2003 plus projected sick leave to earliest retirement date, and in no event more than 130 days; (ii) projected years of service with Carmel Clay Schools at earliest retirement date; (iii) earliest retirement will be after meeting all of the following: (a) completion of 15 or more years of INPRS service; (b) employment in a certificated position with Carmel Clay Schools for the complete 10 consecutive years preceding retirement; and (c) eligible for INPRS retirement, which is the earlier of at least age 65 plus at least 10 years of service, at least age 60 plus at least 15 years of service, or at least age 55 with age plus years of service equal to at least 85. This notwithstanding, a teacher whose buyout percentage for accumulated sick leave would have increased under the prior plan by June 30, 2004, did receive additional buyout funds to account for the higher percentage of accumulated sick leave, if the teacher was still employed by the Board as a teacher through the 2003-2004 school year.

3. The present value amount was deposited into a 401(a) plan account for the given teacher. Calculations to determine the present value amount assumed (a) that the sick leave days were bought out at the given teacher's per diem rate at retirement reflective of 3% annual growth in salary; (b) that the account earned an annual rate of return of 7%; (c) that the value did not include the equivalent of the employer's FICA contribution but did include the equivalent of the employee's FICA contribution as each would have applied if the value were not paid into a tax deferred plan account; and (d) that the value did not include the equivalent of the employer's and employee's INPRS contributions as each would have applied if the value were not paid into a tax deferred plan account; and (e) such other terms as the parties might subsequently agree in writing were to apply.

4. Heretofore, all teachers who were affected by the buyout shall retain accumulated sick leave in excess of the number of days bought out, if any, and all teachers will continue to accrue sick leave in accordance with sick leave provisions in this Contract. Only in the event a teacher exhausts all of his/her accumulated sick leave and personal leave and needs additional sick leave, will he/she be able to use his/her bought out sick leave days.

5. The given teacher's 401(a) account shall vest once the teacher has met all of the following: (a) completion of 15 or more years of INPRS service, (b) employment at Carmel Clay Schools in a certificated position for the complete 10 consecutive years preceding retirement, and (c) attainment of age 50. A teacher's bought out sick leave days will be restored in the event the teacher separates from employment prior to meeting all the vesting requirements and, thus, forfeits his/her claim to his/her 401(a) account.

In lieu of all of the above, within 60 days following this Section A taking effect, a teacher was entitled to elect in writing to the Superintendent to be considered eligible for the benefits of Section B, below.

6. The Corporation's buy out of sick leave and other benefits related to this Section A took place on December 31, 2003.

7. Funds related to this Section A that are subsequently forfeited by non-vested teachers who separate from employment with this Corporation shall be used to reduce future employer contribution.

C. Supplemental Contributions, Part 1

1. This Section B applies only to teachers not included in Section A, above, employed or on approved leave of absence in the 2002-2003 school year and who will attain their earliest retirement date under TRF after June 30, 2018 but before July 1, 2023.

2. For each year subsequently worked at Carmel Clay Schools, each teacher covered under this Section will receive a contribution equal to 2% of his/her annual compensation into a 401(a) plan account for that teacher. Contributions are made within two weeks of the end of each payroll period. For this purpose, annual compensation will be the sum of the teacher's salary schedule pay plus any Extra Curricular pay the teacher received(s) in the year of contribution.

3. This account will vest after the teacher is employed at Carmel Clay Schools for no less than 10 years following the 2002-2003 school year.

D. Supplemental Contributions, Part 2

1. This Section C applies only to teachers who attain their earliest retirement date with unreduced benefits under INPRS after June 30, 2023 and in any event, have a hire date that falls after the 2002-2003 school year.

2. For each year subsequently worked at Carmel Clay Schools, each teacher covered under this Section C will receive a contribution equal to 1% of his/her annual compensation into a 401(a) plan account for that teacher. Contributions are made within two weeks of the end of each payroll period. For this purpose, annual compensation will be the sum of the teacher's salary schedule pay plus any Extra Curricular pay the teacher received(s) in the year of contribution.

3. This account will vest after the teacher is employed at Carmel Clay Schools for no less than 10 years following the 2002-2003 school year.

In the event of the death or total disability of any teacher, his/her retirement account shall be considered vested and it will be provided to the teacher's designated beneficiary as filed with the Indiana Public Retirement System (INPRS) Fund or to the teacher's estate should there be no beneficiary.

E. 457 Plan - Carmel Clay Schools shall offer a salary reduction 457(b) deferred compensation plan for all interested teachers.

F. Any retired teacher of Carmel Clay Schools may elect to continue the District-approved Health and Dental (for those family members covered at the time of retirement) and Life Insurance Plans, to the extent allowable under the applicable insurance contract, by paying the total premium provided the following requirements are met:
   1. Any retired teacher approved for this continuance in the District-approved Insurance Plans shall submit proper additional payment annually or semi-annually, 10 working days in advance of the premium date, to the payroll division. Without said payment, timely filed, the privilege will be lost.

   2. Within 90 days after the teacher's retirement date, the teacher must file a written request with the employer for group insurance.

   3. The teacher must be at least 50 years of age and must have acquired 15 or more years of experience and have been employed by Carmel Clay Schools for the complete preceding 10 consecutive years, as recognized by the Indiana Public Retirement System Board, at the time of his/her retirement.

   4. The health insurance privilege ends when the teacher becomes eligible for Medicare. If a retired teacher's spouse or estate pays the amount the retired

teacher would have been required to pay for coverage for those family members covered at the time of retirement, eligibility to continue insurance under this section is not affected by the death of the retired teacher. For those family members covered at the time of retirement, eligibility continues under COBRA regulations, which are in effect on the date this contract is implemented, namely:

a. until the spouse becomes eligible for Medicare coverage,
b. until 3 years after the date of the teacher's death,
c. until the date of the spouse's remarriage or until eligible for other insurance coverage, and/or
d. until the date a covered dependent reaches the age of majority.
