Regarding: Memorandum of Understanding, Explanation of ratified MOU

Madison-Grant United School Corporation has entered into a memorandum of understanding with the Madison-Grant Teachers' Association. This has been conducted to establish a more effective resource for athletics support. There initially was an ECA position held by a teacher that was titled "Junior High Athletic Director and Concessions with an index of .125. The changes in the position will be completed by the same teacher. The title will now be Assistant Athletic Director with an index of .5. This was discussed with the Madison-Grant Teachers' Association Co-Presidents. They have consented to these adjustments. The same information was presented to the Madison-Grant United School Corporation School Board. They also agreed with the changes. The MOU is included in uploaded documents. This document was emailed to ratifiedcontracts@ieerb.in.gov. This document is also being displayed on our website.
